

My name is Susan Allen Gehl.

My full address is 1414 E Shangri La Road, Phoenix, AZ 85020

I reviewed the 2017 campaign finance report for Kiana Sears' campaign (SearsforArizona) and discovered what appears to be violations of the Clean Elections rules. It is my understanding that the Clean Elections rules require, "A participating candidate must adhere to expenditure limits, and may not make expenditures in excess of the cash on hand. This includes both early contributions received and candidate funding (A.R.S. 16-941)." [<http://www.azcleelections.gov/en/candidates/running-for-office>]

It appears that on October 5, 2017, Kiana Sears' campaign made expenditures that exceeded her campaign's cash on hand, and her campaign account does not return to a positive balance until a month later, November 6, 2017. On October 8, 2017, she appears to have spent over \$300 beyond her campaign account's cash on hand.

It appears Sears' campaign account used \$5 Clean Elections contributions monies to cover the checks written on her campaign account for operating expenses.

I request the Clean Elections Commission review my complaint and her campaign finance report for 2017, investigate, and take appropriate measures.

EXECUTED this 17 day of January, 2018, by the incorporator.

Dear Clean Elections Commission and Mr. Tom Collins,

I am Kiana Maria Sears writing to respond to the complaint against Sears for Arizona. I am asking that you take no action against Sears for Arizona. The complaint alleges I did not have cash on hand to write The check to the Arizona Democratic Party for voter data available through the Arizona Democratic Party. I believe that I did have the cash on hand. I am also have complied with have one bank account for campaign fees. My ActBlue and Pay Pal accounts are also attached to this account. I believe I have ensured that all funds are available to produce one check to Clean Elections for the total amount of Clean Elections \$5 contributions via pages 63-66 online and listed in the handbook. I have made no promises to consultants, vendors, anyone, or any person for services regarding expected Clean Elections funds, I believe the complaint is mixed taking that language out on context to apply it to my committee. I have attached my most recurrent bank statement which verifies my balance which does agree with Ms. Gehl's statement that my account does have all the necessary funds to cover Clean Elections Qualifying \$5. I can assure you I have called Clean Elections on a regular basis to ensure that I have been in compliance. My bank statements and transactions do show I have the funds to write a Clean Elections Qualifying Check. Thank you for your consideration, I appreciate your time and look forward to working together to help average citizens like myself serve despite the barrier that finances have on elections.

Respectfully,
Kiana M. Sears

Re: MUR 18-01

Dear Ms. Sears:

We have received your response to the Complaint. Because the response shows that you did not incur debt or make expenditures beyond cash on hand, I am closing the Complaint. Participating candidates may use the money collected in qualifying contributions, provided at the time of qualifying they have sufficient cash on hand to submit the necessary dollar amount.

At this time, the Commission will not take any action in this matter based on the information that is available. Please contact me if you have any questions at (602) 364-3477 or by e-mail at thomas.collins@azcleelections.gov.

Sincerely,
S/Thomas M. Collins
Executive Director
