COLLINS: Yes. Commissioners, a couple 12 13 13 of quick things I wanted to talk about. 14 First, we'd like to welcome Avery Oliver to 15 our team. He has joined us as a voter education 16 specialist. He has background working on candidate 17 campaigns and legislative issues. He worked at the Secretary of State's Office. He's a United States Air 18 19 Force veteran and is actually a published comic book author, and we're very excited to have him. He's 20 already been both working on focus groups, and such, 21 that Gina will fill you in on a little bit about later 22 and out at some of our public events that, also, Gina 23 will fill you about later, but he's jumped right in and 24 25 that's -- and that's great. 25 09:31:23-09:32:21 Page 3 09:33:28-09:34:49 PROCEEDING On the -- on the personnel, sort of, front, 1

- 3 CHAIRMAN KIMBLE: Good morning. I'm going
- 4 to call to order the April 25th, 2019, meeting of the
- 5 Citizens Clean Elections Commission.
- For sake of the record, why don't we have a
- 7 roll call. And, I guess, I'll -- I guess, I'll call
- 8 it.
- 9 Commissioner Chan?
- 10 COMMISSIONER CHAN: Here.
- 11 CHAIRMAN KIMBLE: Commissioner Paton?
- 12 COMMISSIONER PATON: Here.
- CHAIRMAN KIMBLE: Is Commissioner Meyer on 13
- 14 the phone?
- 15 MS. THOMAS: He is not.
- 16 CHAIRMAN KIMBLE: He is not.
- 17 MS. THOMAS: He may call in, though.
- CHAIRMAN KIMBLE: Okay. And I'm Mark 18
- **19** Kimble, and I am present, too. So we do have a quorum.
- 20 Item II, discussion and possible action on
- 21 Commission minutes from March 28th, 2019.
- 22 Are there any comments on the minutes?
- COMMISSIONER CHAN: I would move that we 23
- 24 approve the minutes as written.
- 25 COMMISSIONER PATON: Second.

- for lack of a better way of putting it, I do want to
- mention that Kara Karlson, our counsel or co-counsel in
- our -- in our matters and, also, the Secretary of
- State's counsel or co-counsel, was nominated by the
- readers of the "Cap Times" as one of the five best
- political lawyers in Arizona. And one of the things
- that makes this particularly remarkable is that the
- "Cap Times" readership has been -- how do we say?
- 10 Seemingly unwilling to nominate women candidates for
- this particular honor to be voted on.
- And so it's very exciting for us to have an
- attorney we work with in that list, and it's also a
- good sign for, maybe -- you know, for, maybe, the
- capitol waking up to the fact that there's more
- diversity in the -- in the bar than people realize. So
- it's a very exciting honor for Kara, and we're happy
- 18 about that.
- We have local elections coming -- coming up
- in May. We'll -- and you see the registration
- deadlines there. We have the U.S. Term Limits matter
- on this agenda. And then with the AZAN v. State and
- 23 Legacy Foundation Action Fund, there's really not a
- 24 whole heck of a lot to report, except that, you know,
- 25 they're in procedural -- they're in -- not procedural

09:34:53-09:35:59 Page 6 09:37:52-09:39:05 Page 8

- 1 limbo, but moving slowly through the processes to get
- 2 to some kind of appellate court.
- Yes? 3
- COMMISSIONER CHAN: Mr. Chairman, could I
- 5 just -- regarding the personnel issue, could I just ask
- 6 Tom a quick question?
- CHAIRMAN KIMBLE: Of course.
- 8 COMMISSIONER CHAN: Tom -- Mr. Chairman,
- 9 Tom, I -- you know, this is another meeting where we
- 10 have two holdover commissioners who are -- who have
- 11 served for over five years with no -- you know, no
- 12 problem serving but -- but, you know, I think Governor
- 13 Ducey needs to appoint somebody to fill Commissioner
- 14 Titla's position. And I think Secretary Hobbs has been
- 15 advised that she needs to wait to fill Commissioner
- 16 Meyer's position until Doug Ducey does his work.
- 17 MR. COLLINS: Yeah.
- COMMISSIONER CHAN: And I just wanted to 18
- 19 put this out there.
- 20 Is there anything we can do as the
- 21 Commission to encourage that? Because I, frankly,
- 22 think it's a dereliction of his duty that he's letting
- 23 this go on for so long.
- MR. COLLINS: I would say this. I mean, I 24
- 25 think that, to the extent that this is, you know,

- 1 lot of pressure on the remaining -- on the three of you
- 2 to have to be here at every meeting to get a quorum.
- 3 So, you know, it's a thing where we can't push the
- 4 governor to do something that he doesn't care about
- because it does -- it's just -- it's just harder. What
- we might be able to talk about is, at another time and
- maybe at another meeting, is what the Commission or a
- commissioner might do to discuss it with the governor's
- office, rather than staff.
- I mean, as staff members, we are not --10
- 11 we're not in a position to -- we don't want to -- we
- 12 don't -- we're not -- we don't have the same stature to
- 13 make a statement along the lines that you made because
- 14 we're staff.
- 15 COMMISSIONER CHAN: Sure. Mr. Chairman,
- 16 Tom, I totally -- and don't disagree with what you're
- saying. I understand that we have two commissioners in
- place who are holdovers and they're willing to do that,
- but at the same time, I frankly don't think it's fair,
- when the governor has a duty to make this appointment,
- to continue to burden Commissioner Titla who -- and,
- again, I understand, you know, out of county, there's
- fewer people who may be able and willing to serve
- because it is a burden to drive in. I mean, I'm very
- 25 lucky. I live here in Maricopa County. It's easy for

09:36:07-09:37:49 Page 7 09:39:10-09:40:09 Page 9

- 1 within the announcements. We have had informal
- 2 conversations with staff members at the governor's
- 3 office. I certainly think that their main election
- 4 expert in that office is aware. I think it's -- I
- 5 think -- I think there's -- there may be a combination
- 6 of different reasons why.
- One of them is, perhaps -- and this is -- I
- 8 don't know for a fact, but I will say that when
- 9 Commissioner and former Chairman Titla was appointed,
- 10 because, at that time, it had to be an out-of-county
- 11 Democrat, it was very difficult to find someone to fill
- 12 that -- that role. And so it took a lot of effort on
- 13 behalf of -- we even got us -- we even had staff
- 14 involved. We had all kinds of people involved in
- 15 trying to just come up with applicants. So it's not an
- 16 easy seat to fill.
- 17 I don't know what the -- what the strategy
- 18 is, you know. I think that we won't reach a crisis
- 19 point until either Commissioner Titla or Commissioner
- 20 Meyer resign because I -- because, you know, our
- 21 understanding of the holdover provisions of the -- of
- 22 the background law are that they need to serve until
- 23 they're replaced or they can quit. And they haven't
- 24 done that yet.
- 25 So if they were to do that, it would put a

- 1 me to get to the meetings.
- So I appreciate those considerations, but I
- 3 just feel at this point, it's getting ridiculous. It's
- 4 over a year. We're into Year 2 where we're -- you
- 5 know, Commissioner Titla is seven years now into his
- 6 term. It's a five-year term, and he has done more than
- his duty, as far as doing that. He's come to meetings
- when we've asked him to after his term has expired as a
- 9 holdover. And I know we can continue to rely on him to
- do that, but I don't think it's fair to him.
- And I think that the governor needs to take
- the action that is on him as a matter of law, and
- especially now that he's holding up Secretary Hobbs in
- performing her duty because she may very well wish to
- appoint somebody new and not miss out on having a full
- 16 five-year term member that's hers under the law.
- MR. COLLINS: Right. 17
- COMMISSIONER CHAN: And Governor Ducey is 18
- 19 holding that up, and I'm just -- you know, I think my
- patience is wearing thin, and I don't know how the
- other commissioners feel. And I know we may have to
- just table this until we can put it on an agenda item,
- 23 but I thought, since we were talking about personnel, I
- 24 would ask the question.
- MR. COLLINS: Right. Sure. And just by 25

09:40:12-09:41:07 Page 10 09:42:09-09:43:09 Page 12

- 1 way of background on the law, you know, the statute is
- 2 not -- the statute says, basically, two things. It
- 3 says go in order, and it says the order should be
- 4 executed within something, like, ten days after the
- 5 vacancy. Historically, nobody -- and you know, whether
- 6 it was Governor Brewer, even -- how long did Scaramazzo
- 7 hold over? Who was governor then? Napolitano?
- 8 Governor Napolitano. No one has pressed that ten-day
- 9 thing.
- COMMISSIONER CHAN: Sure. 10
- 11 MR. COLLINS: At some point --
- 12 COMMISSIONER CHAN: Ten days may be
- 13 unreasonable, I mean --
- 14 MR. COLLINS: Well -- yeah.
- 15 COMMISSIONER CHAN: But I'm sure it makes
- 16 sense to have something in statute, but I think, you
- 17 know, a year and a half is a little excessive.
- MR. COLLINS: At some point -- right. At
- some point -- yeah. At some point -- at some point, it
- 20 becomes an issue between Secretary Hobbs and the
- 21 governor, but we can certainly weigh in on that. And
- 22 we can talk about that. You know, maybe you and I can
- 23 talk about it.
- COMMISSIONER CHAN: Sure. 24
- 25 MR. COLLINS: We can figure out how to do

- CHAIRMAN KIMBLE: Yes. No, I wasn't going
- 2 to move on.
- 3 MR. COLLINS: Okay. Sorry. I didn't mean
- 4 that.
- 5 COMMISSIONER CHAN: Okay.
- MR. COLLINS: The -- sort of some of the
- 7 issues that -- the biggest issue that's developing this
- morning is probably, I believe, sometime around 10:00,
- the Senate goes to the floor. The Bill 2427, which we
- believe is a -- has a lot of problems in it, but the
- top line problem is it is a bill that, by its terms and
- even as they added an amendment that the Free
- Enterprise Club wrote to try to alleviate the VPA
- concerns, but it doesn't -- it expands --
- 15 CHAIRMAN KIMBLE: If I could interrupt you.
- What bill are you talking about? 16
- MR. COLLINS: 2427. 17
- 18 COMMISSIONER CHAN: What page is it?
- MR. BECKER: 2724. 19
- 20 MR. COLLINS: 2724.
- 21 CHAIRMAN KIMBLE: 2724.
- MR. COLLINS: I'm sorry. It's on page 7. 22
- 23 CHAIRMAN KIMBLE: Okay.
- 24 MR. COLLINS: Sorry.
- 25 CHAIRMAN KIMBLE: I'm sorry. Okay. Thank

09:41:07-09:42:08 Page 11 09:43:09-09:44:34 Page 13

- 1 that.
- COMMISSIONER CHAN: And I appreciate,
- 3 Mr. Chairman, that you've spoken with the governor's
- 4 office about it. I just -- you know, I wanted to
- 5 publicly express my desire for something to happen.
- 6 And I know Governor Ducey probably doesn't -- you know,
- 7 that's probably not high on his priority list, but I
- 8 still wanted to put that out there because, to me, it's
- 9 very important for the business of the Commission. And
- 10 I think it's unfortunate that somebody whose interests
- 11 may not always align with the Commission is in a
- 12 position to hobble us this way, frankly.
- 13 CHAIRMAN KIMBLE: Thank you, Commissioner
- 14 Chan. I totally agree with everything you said.
- 15 Today's meeting illustrates how tenuous our quorum is.
- 16 If two of us hadn't driven from Tucson, we wouldn't be
- 17 meeting here. If one of us hadn't driven from Tucson,
- 18 we wouldn't be meeting. So, yeah, this has gotten a
- 19 little ridiculous.
- 20 MR. COLLINS: Before we move on from the
- 21 executive director's report, Mr. Chairman, if I could,
- 22 I'd like to highlight a few points in the -- in the
- 23 legislative --
- 24 CHAIRMAN KIMBLE: Oh, yes, yes.
- 25 MR. COLLINS: -- report.

- 1 you.
- 2 COMMISSIONER PATON: He's making you work.
- 3 MR. COLLINS: Yeah, I apologize. I
- can't -- numbers are -- bill numbers are tough.
- So it's going to go -- so the bottom line 5
- 6 is we have serious Voter Protection Act concerns.
- There are other concerns that this raises on due
- process and a variety of other issues. More
- 9 importantly -- but, most importantly, it's moving in
- the House. It's in the Senate. It's on cal. It will
- likely be amended and have to go back to the House. So
- we will see what happens with that, but, you know, the
- Free Enterprise Club and Representative Biasiucci,
- 14 basically, their position is that Prop 306, despite its
- language and the language of the question posed to
- voters, allows the legislature with a simple majority
- to make any changes to the process of taking matters to
- **18** GRRC related to Clean Elections that it wants to.
- And that's not how the Voter Protection Act
- works. It's just not. You can't make a change but
- then say that change is in an amendment. An amendment
- is an amendment is an amendment, and even the rules
- attorney in the Senate who oversaw, first, he said that 24 the bill that came from the House was -- had a VPA
- 25 problem. Then it was -- an amendment was proposed by

09:44:35-09:45:58 Page 14 09:47:33-09:49:05 Page 16

- 1 the Free Enterprise Club, which he said made it not
- 2 amendatory, which I'm not sure why -- I mean, it really
- 3 can -- but then he admitted in the next -- in the next
- 4 rules meeting that it was reasonable to argue it
- 5 violated the VPA still.
- So -- you know, so the vote is what the
- 7 vote is, will be what the vote is. And we'll see what
- 8 happens, but that's the most, quote/unquote, negative
- 9 thing we have dealing with that we know of right now.
- 10 And we don't know ever -- you know, going to cal
- 11 doesn't necessarily mean anything. As I said last
- 12 time, you know, a lot of these times -- a lot of times
- 13 these things come out at the last minute.
- 14 A couple other bills of interest to
- 15 commissioners from previous meetings. Senate Bill 1188
- 16 is the bill that we talked about last month that has to
- 17 do with removing folks from the permanent early voting
- 18 list. You know, my understanding is that that is still
- 19 awaiting cal in the House, and it hasn't -- it hasn't
- 20 gotten out yet.
- 21 Senate Bill 10 -- that was on page 6.
- 22 Senate Bill 1090, which talks about emergency voting
- 23 procedures and board action, it basically says the
- 24 board of supervisors can determine the use of emergency
- 25 voting centers or location and hours of operation, and

- 1 you might have heard about that you want to ask, I'm
- 2 open to those questions.
- CHAIRMAN KIMBLE: Does any member of the
- 4 Commission have any questions about any bills on the
- 5 legislature?
- 6 (No response.)
- 7 CHAIRMAN KIMBLE: Any other questions about
- the executive director's report?
- 9 (No response.)
- CHAIRMAN KIMBLE: Let me welcome Avery to 10
- 11 the -- to the Clean Elections team. I think all of us
- 12 have been pressing for quite a while to get a published
- comic book author on the staff. I'm glad that we've --
- we finally filled that spot.
- 15 MR. OLIVER: Thank you.
- CHAIRMAN KIMBLE: And, Kara, 16
- 17 congratulations to you. I think it's not a surprise to
- any of us that -- that you will receive this award.
- Congratulations.
- 20 Item IV, discussion and possible action on
- 21 the voter education research and ongoing projects.
- 22
- MS. ROBERTS: Mr. Chairman, Commissioners,
- 24 good morning. I just have a very brief update for you
- 25 on just some voter education efforts that have been

09:46:02-09:47:31 Page 15 09:49:08-09:50:17 Page 17

- 1 there's a -- now will be a standard for what's an
- 2 emergency. This is a law proposal that emerges from
- 3 the view of some that counties, particularly the bigger
- 4 counties, have been using emergency voting as
- 5 supplemental -- as supplemental election early voting.
- And the governor in his -- wrote a signing
- 7 letter where he basically said, look, I think this is
- 8 the right thing to do to have a standard process in
- 9 every county. And he said -- and he also said, you
- 10 know, if you want to have a conversation by expanding
- 11 the early voting, let's have that conversation
- 12 separately.
- 13 And so some of the -- and then, you know,
- 14 some of the more -- I think those are some of the big
- 15 ones. You know, a couple of them got -- a couple of
- 16 the bigger ones we talked about earlier in the session
- just did not make it out of the Senate, and I think
- 18 those are the highlights. We tried to make sure we
- 19 captured as many of the -- some of the other voting
- 20 bills that are not necessarily Clean Elections bills in 21 this -- in this list that Mike -- Mike pulled this
- 22 together and did the research. So we try to capture as
- 23 much of that as we can.
- So -- I don't know. If there's any
- 25 questions about any of those bills or any of the bills

- 1 conducted this year so far. We thought it would be a
- 2 good time to touch in and touch base with you and let
- 3 you know where we're at and how we're moving forward.
- Really quickly, I just wanted to highlight
- 5 the last election that we had in March. The Commission
- 6 is providing voter education on the local
- jurisdictional elections that are happening in 2019,
- and so, in particular, there was the City of Phoenix
- 9 mayoral election, as well as the initials for Districts
- 10 5 and 8, as well as a few other, like, special district
- 11 in Holbrook and Goodyear. And so our efforts there, we
- 12 were very pleased with the performance of our efforts.
- 13 That was mostly a digital campaign in reaching voters.
- One thing I wanted to highlight was we had
- 15 the opportunity for Tom to sit down with the Phoenix
- City Clerk and have, basically, an interview about the
- upcoming election, what voters would, you know, see on
- their ballot, some key dates and information pertaining
- 19 to Phoenix's election, and really tried to clarify why
- there was that additional election for the mayoral
- 21 candidates with local elections.
- They had their initial election in which no
- candidate received 50 percent plus one of the votes.
- 24 So it required a runoff, and we saw a little bit of
- 25 confusion and questions from voters on that end. So

09:50:20-09:51:21 Page 18 | 09:52:28-09:53:39 Page 20

- 1 it's really great to have the opportunity with Phoenix
- 2 clerks to sit down with Tom and explain that a little
- 3 bit more for the Phoenix voters.
- 4 And so we, again, saw great engagement with
- 5 voters on that video and we, also, had the opportunity
- 6 on election day, for Tom to go out, stand in front of
- 7 Phoenix City Hall, which is a voting location, and try
- 8 to get that last-minute push to people to turn out in
- 9 the Phoenix election.
- 10 MR. COLLINS: I also got to stand in my
- 11 raincoat and the wind as the rain began to blow in. So
- 12 I really -- I really feel like I'm qualified to be a
- 13 weatherman, also.
- 14 COMMISSIONER PATON: You have a raincoat.
- 15 MR. COLLINS: Yeah.
- MS. ROBERTS: We do have an election
- 17 upcoming in May, and we will, again, have the Phoenix
- 18 election for the city counsel candidates in Districts 5
- 19 and 8 that did not receive 50 percent plus one of the
- 20 vote. There's also elections in Phoenix -- or excuse
- 21 me -- Wickenburg, Chino Valley and San Luis. We --
- 22 again, going off of that success with the interview
- 23 with the Phoenix City Clerk, we are making arrangements
- 24 for Tom to have another interview with the Chino Valley
- 25 clerk and their team, their staff. And so we'll be

- 1 Phoenix and Tucson for those kind of things?
- 2 MS. ROBERTS: Mr. Chairman, Commissioner
- 3 Paton, that's a great idea. We can look at seeing
- 4 if -- we would have to make sure that the video is
- 5 filmed in a way that it could be broadcast-available.
- 6 And so we can start to look at that as an option and
- 7 explore and see if maybe those stations would pick it
- 8 up and run it so we can reach the targeted area.
- **9** That's a great idea. Thank you.
- Okay. So we wanted to touch base on some
- 11 research that the Commission has conducted the past few
- L2 weeks. We held focus groups on April 15th and 16th and
- 13 17th, and we held nine focus groups. We had them here
- 14 in Phoenix. We went to Tucson, and we went out to
- 15 Flagstaff. And, in addition to focus groups, we will
- 16 also be doing the statewide survey, as well, but we
- 17 wanted to touch base and let the Commission know some
- 18 of the takeaways that staff initially saw, just to let
- 19 you know, you know, what we're hearing from voters.
- 20 And research is very critical to the voter
- 21 education campaign that we have because it really tells
- 22 us, are we meeting the needs of voters? Are we going
- 23 the right direction? Do we need to adjust our
- 24 communication strategy and our tone and our messaging?
- 25 So we have often conducted research in odd number of

09:51:23-09:52:21 Page 19 09:53:43-09:54:49 Page 21

- 1 driving up there, hopefully, next week to have that
- 2 conversation with them and push that information out to
- 3 Chino Valley voters.
- 4 COMMISSIONER PATON: I have a question.
- 5 CHAIRMAN KIMBLE: Yes, Commissioner Paton.
- 6 COMMISSIONER PATON: So the interview is
- 7 seen where?
- 8 MS. ROBERTS: Online. And so we -- think
- 9 of, like, a Facebook live video. It's similar to that,
- 10 except we -- actually, we don't do it live. We record
- 11 it and we edit it, and then we push it out on Facebook.
- 12 And with that ability, we can target the ZIP codes for
- 13 Chino Valley to reach those voters specifically. So
- 14 we'll have it there. We can post it on our YouTube
- 15 channel, but we also share it with the town themselves.
- 16 So they have the ability to -- I know they have been
- 17 working with some community groups in their areas.
- 18 So they can use it as a resource, as well,
- 19 wether they want to embed it on their website or,
- 20 again, use it in their voter education efforts. So we
- 21 provide the video to the jurisdiction, but we post it
- 22 mostly on Facebook. That way we can target those
- 23 voters directly.
- 24 COMMISSIONER PATON: And do we -- have we
- 25 tried to get more publicity, like using PBS channels in

- 1 years, and we find it very critical to making sure that
- 2 our messaging is on point.
- A few things that we wanted to share. We
- 4 saw this in 2017, but we are still seeing the Google
- 5 effect where, when we asked voters where are you going
- 6 to get your information, they are going to Google. And
- 7 they're basically looking at the first five links that
- 8 pop up, and that's -- that's their resource. That's
- 9 the source that they're going to. So, you know, that
- 10 helps the Commission better understand our efforts,11 whether it is in paid search efforts or just in general
- 12 search engine optimization, and how we're structuring
- 13 our website and the tags that we have, the background
- 14 information there. So that gives us some good
- 15 information that we can go back and look at our
- 16 efforts.
- 17 One thing that really stood out was
- 18 bullets. So when we heard from voters, it was
- 19 expressed that they don't have a lot of time to do the
- 20 necessary reading to become an informed voter. And so
- 21 whether or not that's the Voter Education Guide or the
- 22 Secretary's publicity pamphlet, you know, oftentimes23 whatever the information that they are finding out on
- 24 these websites, they are looking for information that
- 25 is concise, that is easily adjustable.

09:54:52-09:56:07 Page 22 09:57:16-09:58:24 Page 24

- And throughout the focus groups, we often
- 2 heard the terms "bullets." So that, again, tells us
- 3 that we need to be mindful of how we are preparing any
- 4 type of written information and the format and that
- 5 it's, you know, clear, to the point, concise and,
- 6 again, to try to reach that request of bulleted
- 7 information to really get the point across of what the
- 8 issues are. And so that stood out to staff.
- The other thing that stood out was sources
- 10 of information. And, in particular, Clean Elections.
- 11 So we know that voters, they want to know who is
- 12 pushing this message out to voters, you know, who is
- 13 the source of this information, whether it's a mailer
- 14 or a TV ad, but the same applies to Clean Elections, as
- 15 well, whether it's our voter education guide or maybe a
- 16 commercial or something that we're running on Facebook.
- 17 Voters want to understand who is the Clean Elections
- Commission that is trying to give me this information.
- And so that tells us that we need to look 19
- 20 at efforts to ensuring that people understand the
- 21 Commission is this five-member Commission, nonpartisan.
- 22 You know, and it's unbiased information. And so we
- 23 have to look at our efforts in ensuring that voters
- 24 understand that this is coming from a source that is
- 25 trustworthy, that does not have an agenda in trying to

- 1 is the brand of the Commission, the brand in that we
- 2 are Arizona's Citizens Clean Elections Commission.
- We -- you know, we're brought forth by the
- 4 citizens, and the information that we put out, it is
- nonpartisan. We are trying to give you the information
- that you need so you can make your informed decisions
- and your vote. And that is something that I feel like
- we have done more so than we have in the past few
- years. We have been doing that lately to, again, try
- to really solidify that brand of who the Commission is
- to voters, but I think you hit on something there.
- During these focus groups, we see a lot of
- contradiction in some of the information that we're
- 14 hearing directly from the voters, as well, and so we
- have to find a way to balance that. So the next steps
- from this research are we are, again, working with our
- partners RIESTER. They will be providing an analysis
- of the focus groups, and that will build into their
- recommendations to the Commission for our media
- strategy and how can we accomplish some of these goals,
- 21 but it is -- it is a challenge.
- COMMISSIONER PATON: I have -- I don't know
- 23 if it's a statement or a question.
- CHAIRMAN KIMBLE: Commissioner Paton. 24
- COMMISSIONER PATON: So from that 25

09:56:10-09:57:12 Page 23 09:58:25-09:59:48 Page 25

- 1 sway your vote. It's just here -- here are the facts
- 2 and here are the resources that we provide to you.
- And a lot of the -- one thing that really
- 4 stood out to me was why your information and not
- 5 others. And so, that is, you know, one of the things
- 6 that we have to consider and, you know, try to
- 7 overcome.
- COMMISSIONER CHAN: Mr. Chairman, Gina. 8
- 9 CHAIRMAN KIMBLE: Commissioner Chan.
- COMMISSIONER CHAN: So it's interesting 10
- 11 because you were talking about the fact that they don't
- 12 have a lot of time, which I totally understand, and yet
- we need to be able to give them information. At the
- 14 same time, perhaps, it almost sounds like, but this is
- 15 trustworthy information. And how do you explain that
- 16 in a bullet point? So does that mean separately we
- 17 need to do more outreach to just make the Commission
- 18 more well known, or how do you do that?
- 19 MS. ROBERTS: Mr. Chairman, Commissioner
- 20 Chan, that is a great question, and that presents the
- 21 challenge that we have. The challenge in that we know
- 22 that we need to connect and reach to these voters with
- 23 very simple, direct information. You know, just think 24 about that five, ten seconds to grab their attention,
- 25 but also meet the goal of establishing what I would say

- 1 information, I would say that if you did some kind of
- short video explaining what Clean Elections is, what
- 3 our purpose is, and so on; that it is non-partisan, and
- 4 maybe put that video so it will go into the top five of
- 5 Google for, you know, election information or, you
- 6 know, something similar. Then when they look for that,
- then it will pop up and they can see the short video
- 8 explaining where -- you know, our purpose, and then
- **9** maybe they'll dive in deeper.
- MS. ROBERTS: Mr. Chairman, Commissioner 10
- 11 Paton, that is -- that is doable. That is definitely
- something that can be accomplished. We do invest in
- paid search. So we ensure that links to the Clean
- 14 Elections information is on that top page. We can make
- sure that we invest in that. And then, as far as
- developing videos goes, one thing that staff has been
- discussing that we would like to work with all of you
- on is to ideally set aside some time with each of the
- commissioners to film you and talk about who you are,
- your background and what your goals are for the
- Commission and, of course, doing, you know, some
- 22 messaging for the Commission as a whole, as well, but 23 we've really heard from these voters and this focus
- 25 One takeaway that we have is that they also

09:59:50-10:01:02 Page 26 10:02:28-10:03:42 Page 28

- 1 want to see the face to the name. That helps make it
- 2 more relatable and trustworthy, if you will. So it's
- 3 not just this faceless, non- -- you know, nonpartisan
- 4 Commission. They want to know who each of the
- 5 commissioners are and their background and their, you
- 6 know, biography, things like that. So we are looking
- 7 at, hopefully, getting some time with each of you to
- 8 see how we can, you know, follow through on that and
- 9 present that to the voters, but definitely, we will be
- 10 looking at our plans to make sure that we are
- 11 continuing to invest in search and we do look at ways
- 12 to present the Commission in that manner.
- COMMISSIONER PATON: I mean, as a little
- 14 aside, I drive up from Tucson when I come up, and
- 15 there's a billboard coming out this way somewhere
- 16 around Ray Road where it really slows down, and it
- 17 changes their ad. It's an electronic one, and maybe
- something like that where people are parked on the
- 19 freeway and maybe something -- because it's short.
- 20 It's sweet, and it rotates amongst, I'm sure, five,
- 21 six, seven different messages. I don't know. That's
- 22 the one -- only one I've seen, but maybe there's others
- 23 around.
- MS. ROBERTS: Mr. Chairman, Commissioner 24
- 25 Paton, I think we do have paid bill boards in our -- in

- 1 know, Commissioner Paton did an interview with Cronkite
- 2 News about the Commission. Chairman Kimble was -- will
- 3 be on Arizona Illustrated on Friday, I believe.
- CHAIRMAN KIMBLE: I'm not sure, but yes. I
- 5 did it yesterday.
- MR. COLLINS: Yeah, yeah. And then
- Commissioner Chan was on a weekend -- well, we taped a
- weekend public affairs show on KTAR. So we have the
- basis there. You all are remarkably good at dealing
- with the press and stuff, in the first place. You have
- an inherent ability to, like, be on camera and be --
- and explain stuff.
- So we want to -- we want -- we want to take
- 14 that and run with it because you guys really have a --
- I shouldn't say "you guys." The commissioners really
- have a -- have a -- you all, actually, are better,
- maybe -- well, you're certainly better than me at
- speaking in very plain terms about what we do. So
- that's what we're trying to hit, I think.
- 20 MS. ROBERTS: Mr. Chairman, Commissioners,
- that's great feedback. Thank you. We'll take that
- back with our team as we continue to look at what our
- strategy will be when we finalize it after all of the
- research is completed.
- A few other notes that we wanted to 25

10:01:05-10:02:23 Page 27 10:03:45-10:04:47 Page 29

- 1 our plan for 2020, if I remember off the top of my
- 2 head. So we do have that as one of the tactics that we
- 3 will be exploring. We did that in 2016, and we found
- 4 those to be very successful, as well. So we will be
- 5 looking at continuing to utilize those. So, yes, great
- 6 suggestions and ideas there that we can explore.
- COMMISSIONER PATON: I would think that --8 because a lot of people aren't going to -- I mean, a
- 9 lot of people, may be older people, may not do the
- 10 Google thing, but they would see that ad or something
- 11 on TV or something like that. And people don't know
- 12 what the Clean Elections Commission is, people that I
- 13 just meet, and you have to always explain what it is.
- I don't know if you've come up with that,
- 15 as well. I mean, and these are people -- a lot of them
- 16 are educated. They just don't know. So if they don't
- 17 know, then, you know, the average person that's not as,
- 18 maybe, educated about our system, they're not going to
- 19 know, probably. So, anyway, anything to promote, you
- 20 know, non-partisan information because a lot of the
- 21 population is just jaded one way or the other. They
- 22 don't believe anything they read anymore, and that's a 23 shame.
- 24 MR. COLLINS: And all of you have done, at
- 25 one time or another, you know, some kind of -- you

- 1 highlight is that importance does not always equal
- 2 priority. So we often hear, across the board, voting
- 3 is important. Voters understand that, absolutely. It
- 4 is extremely important, but then when you look at the
- 5 time commitment and building that into my everyday
- 6 life, it is not always made the priority.
- And so we have to look at bridging that
- connection and encouraging people to take the time to
- read the voter guide and to look at the website and to
- educate yourself about the issues and the candidates,
- 11 to become an informed voter, to invest in that time
- 12 that it takes, and to really make it a priority in
- 13 their lives. And so that is something that we'll have
- 14 to tackle, as well.
- And just two more thoughts here, the
- sticker, the "I voted" sticker. A great term that I
- heard for this is that it really is social currency.
- And so when people on election day are getting that
- 19 sticker, they wear it. It's a badge of honor, and they
- 20 love that pride. The thing to remember, though, is the
- 21 majority of our state is voting early, and they do
- 22 not -- most counties, I believe, are not sending a
- 23 sticker along with an early ballot.
- So we are -- you know, we have, in the
- 25 past, created a digital "I voted" sticker. So we have

10:04:50-10:05:39 Page 30 | 10:06:30-10:07:32 Page 32

- 1 to look at ways of, okay, how can we continue to build
- 2 on that social currency to inspire people to vote if
- 3 they are voting early. And maybe there's ways where we
- 4 can do a social media campaign, you know, share your
- 5 sticker, you know, a selfie with it, you know, that
- 6 type of thing. And so we'll be exploring options with
- 7 that.
- 8 COMMISSIONER CHAN: Mr. Chairman, Gina, do
- 9 you know why the counties don't send stickers?
- MS. ROBERTS: Mr. Chairman, Commissioner
- 11 Chan, I believe it is the cost. I believe Maricopa
- 12 County has --
- 13 COMMISSIONER CHAN: Pays more?
- MS. ROBERTS: It is upwards in the millions
- **15** of dollars to do so.
- 16 COMMISSIONER CHAN: Because it all adds up
- 17 over all those millions of ballots. Okay. Thank you.
- 18 MS. ROBERTS: And, finally, Mr. Chairman,
- 19 Commissioners, we have to -- and this is something that
- 20 we see all the time when we have this research, but we
- 21 have to continue to combat the distress in the citizens
- 22 and the system as a whole, and that is just, you know,
- 23 something that is ongoing. And we have to continue to
- 24 show voters that your one vote, your one voice is
- 25 important to the electoral process and that it can make

- 1 wanted to take a step back and look at it and see,
- 2 okay, how did it perform? Did it meet our
- 3 expectations? What areas can we improve?
- 4 I'm very happy with the results of the
- 5 audit. Mostly what we have seen are the things that we
- 6 can do to improve, they're technical. They are things
- 7 that we can do immediately. Again, we are, overall,
- 8 very pleased with the performance of the website. I
- 9 just wanted to throw this out there and let you know
- 10 that our website is really our main source of
- 11 communication to voters. This is what we are driving
- 12 voters to when we are on paid social medial and ads and
- ${f 13}\ TV$ ads and radio reads. We are taking everyone to our
- 14 website, and so it's critical that it is performing as
- 15 best as it can.
- And that's why we wanted to take a step
- 17 back and do the audit of it. And so we're really happy
- 18 to see with how people are engaging with the sites, the
- 19 paths, that we look at everything from how they're --
- 20 you know, what their pathways are across the pages and,
- 21 you know, some behind-the-scenes stuff with our URL
- 22 structures and ADA compliance. And so I'm really happy
- 23 with the turnout of the audit. We do have some
- 24 improvements that we can make, but it's very doable.
- 25 So, again, really excited to see that the website is

10:05:43-10:06:27 Page 31 10:07:36-10:08:38 Page 33

- 1 a difference and have an impact and that, you know,
- 2 it's directly attributed to democracy.
- 3 So we will continue to further analyze the
- 4 takeaways from this research, and we'll have a full or
- 5 comprehensive report on that. And then we'll dive into
- 6 our statewide survey, as well. And so, again, once we
- 7 get all of that information on our research, we will
- 8 then take a look at what our strategy has been and
- 9 adjust accordingly.
- 10 CHAIRMAN KIMBLE: Thank you very much,
- 11 Gina.
- Are there any questions from any of my
- 13 colleagues?
- 14 MS. ROBERTS: Mr. Chairman, I do have a few
- 15 more slides.
- 16 CHAIRMAN KIMBLE: Oh, I'm sorry. I'm
- 17 sorry.
- MS. ROBERTS: No, that's okay. I'll go
- 19 quickly, I promise.
- 20 CHAIRMAN KIMBLE: I apologize.
- MS. ROBERTS: I did want to let the
- 22 Commissioners know that staff has undergone an audit of
- 23 our website. If you'll recall, we've recently launched
- 24 a brand-new website in 2018, and so now, since it has
- 25 taken us through a statewide general election, we

- 1 performing as we intended it to.
- 2 We do have a voter conference that we are
- 3 working on for this fall. It will be held on Saturday,
- 4 October 26th, at the Phoenix Convention Center. And so
- 5 this conference is going to be open to the public, and
- 6 I listed just a few agenda items here that we are
- 7 considering. It's everything from informing voters and
- 8 having sessions on the presidential preference
- 9 election, the primary and the general, but getting
- 10 into, you know, what's on my ballot in the 2020 and
- 11 workshops for voters, what's my to-do list as a voter,
- 12 and informing them how your vote is secured and the
- **13** life of the ballot.
- And so this is something that I will be
- 15 contacting the commissioners about to put on your
- 16 calendar and, you know, encourage your attendance,
- 17 perhaps even teach a few classes. You know, some of
- 18 these, I think, you -- each of you have experience in.
- 19 And so I just wanted to put that on your radar. Staff
- 20 is working on preparing this.
- 21 COMMISSIONER CHAN: Mr. Chairman, Gina, so
- 22 that's for just our general population of voters?
- MS. ROBERTS: Mr. Chairman, Commissioner
- 24 Chan, yes. It will be open --
- 25 COMMISSIONER CHAN: That's awesome.

10:08:39-10:09:37 Page 34 | 10:10:41-10:11:45 Page 36

- MS. ROBERTS: We like to think of it in our
- 2 mind as when we talk about Comic-Con, but we don't want
- 3 to say Voter-Con, but Comic-Con. It's going to be
- 4 this, you know, one day, large convention for every
- 5 single voter to come down to. We're going to be
- 6 working, you know, with our partners to promote it so
- 7 voters are aware of it.
- 8 We do realize -- and we're hoping to have
- 9 all 15 county recorders and election directors there
- 10 and have booths available and exhibitions, as well as
- 11 these main sessions and a keynote speaker. We do
- 12 realize it is going to be centralized in Phoenix, and
- 13 so once that conference is done, we will look at ways
- 14 on how staff can bring it on the road to other
- 15 counties, potentially. So, you know, maybe we can
- 16 bring it to Tucson. We can bring it to Flagstaff in a
- 17 smaller capacity, but we are hoping to have one large
- 18 day of conference for any voter to attend free of
- 19 charge. So we want to --
- 20 COMMISSIONER CHAN: That's great.
- 21 MS. ROBERTS: -- basically, the theme here
- 22 is looking forward to 2020. We want -- 2020 will be a
- 23 big election year, and we want voters to come down in
- 24 the fall and start to be prepared for it. You know,
- 25 get those, you know, voters registered as early as

- We're working with Pinal County. They
- 2 are -- they are doing quite an investment in enhancing
- 3 the voter experience in their county. They are looking
- 4 at everything from securing a -- if you will, a food
- 5 truck, but for voting. So a mobile truck where they
- 6 can drive around the county for -- to serve as a vote
- 7 center, registration center at events. And we are
- 8 helping them in the branding of that, the design and
- 9 the communications plan to let people know about it.
- We can, potentially, build a feature into
- 11 our app to help people, you know, track the truck,
- 12 follow the truck so they can follow it in Pinal County
- 13 and help them know where the truck will be for these
- 14 events. And we, also, are hoping to get down to Yuma
- 15 County. We were hoping to reach them last week, but we
- 16 had to reschedule; but we want to go down there and
- 17 talk to the Yuma County recorder. They have made some
- **18** changes in developing an Election Advisory Commission
- 19 and combining their elections and recorder's office
- 20 together. So we wanted to go down there and chat with
- 21 the recorder and, you know, just see, you know, again,
- 22 how the Commission can continue to support our
- 23 partners.
- 24 And, then, finally, we recently had a
- 25 meeting with the Secretary of State and her team. They

10:09:38-10:10:41 Page 35 | 10:11:48-10:12:54 Page 37

- 1 possible and make sure that they're informed and know
- 2 what to expect going into that election year.
- 3 MR. COLLINS: The 2020 election year is
- 4 going to be -- we're going to have the presidential
- 5 primary, or presidential preference election. You
- 6 know, how that works out, we don't really know yet, but
- 7 that will be an important thing to inform people about.
- 8 There's going to be some new laws, potentially. I
- 9 mean, it's a really good opportunity. And, I think, as
- 10 Gina said, it builds on the conferences we've held. We
- 11 started with the county recorders. We expanded out to
- 12 501(c)s and other types of organizations that work with
- 13 voters, both on the right and the left and, you know,
- 14 so this is sort of bringing it home to --
- 15 COMMISSIONER CHAN: I love it.
- MR. COLLINS: -- direct voters. So it's
- 17 really exciting stuff that Gina and Alec and Avery and
- 18 Dave are working on.
- 19 MS. ROBERTS: Mr. Chairman, Commissioners,
- 20 I have just two more slides, I believe.
- 21 I just wanted to let you know that we are
- 22 continuing our partnerships with the county recorders
- 23 and the Secretary of State's Office. So, for example,
- 24 we're working with Graham County right now to help them
- 25 develop a Voter Education Guide for next year.

- 1 are looking at informing voters about election
- 2 security, and so there's, potentially, ways for the
- 3 Commission, again, with our communication and voter
- 4 education plan, to help support and amplify that
- 5 message, as well. So we are continuing to work with
- 6 our election official partners across the state.
- 7 COMMISSIONER CHAN: I love the idea of the
- 8 food truck, but a voter food truck. I mean, that is so
- 9 great. I want us to get some of those and take them
- 10 around the state. That's awesome.
- 11 COMMISSIONER PATON: Tacos on one side and
- 12 then registration on the other.
- 13 COMMISSIONER CHAN: Yes.
- MR. COLLINS: The other thing that we came
- 15 up in the course of the conversation with Pinal and
- 16 talking to people who are representing the cities in
- 17 Pinal -- and I don't know if they've connected, but we
- 18 tried to connect them -- was, you know, it is the
- 19 census here. So all of the cities, especially, are out
- 20 there trying to get their voters to -- or their people,
- 21 I should say, to make sure that they fill out their
- 22 census information and that kind of thing.
- 23 So there's some synergy between what Pinal
- 24 County is doing and what Maricopa -- the city of
- 25 Maricopa is interested in, and so there may be -- that

10:12:56-10:14:03 Page 38 | 10:15:03-10:15:59 Page 40

- 1 may be something that goes forward. I don't know where
- 2 the status of that is, but there's a lot -- there's a
- 3 lot going -- going on for sure.
- 4 MS. ROBERTS: Mr. Chairman, continuing on
- 5 with community outreach, we -- Maricopa County has
- 6 launched some roundtable events that they are hosting
- 7 throughout the county, and they are, essentially,
- 8 holding meetings with protected groups and underserved
- 9 populations to talk about their voter education needs.
- 10 And they've invited us to participate in those. Staff
- 11 will be attending those with them.
- 12 The state election director, Bo Deuell, she
- 13 and her family conduct the Phoenix Night Market event,
- 14 which is happened over the weekend. And so she invited
- 15 Clean Elections to come out there and participate, and
- 16 so we had a voter education booth there.
- 17 And, again, the Commission will be
- 18 sponsoring a June 8th event with the Navajo Nation, the
- 19 Navajo Voters Coalition. So Tom will be going up there
- 20 to present to that group, and we are looking at our
- 21 outreach with high schools. We've had an invitation
- 22 from a high school in Yuma to come down and talk, and
- 23 we'll continue to work with our partners at community
- 24 colleges and such organizations.
- 25 And we are, also, preparing, again, for

- 1 about our award that we won for the mural and the
- 2 wings. So that's exciting to share that with that
- 3 large group of civic leaders in the state.
- 4 And then staff will be attending an
- 5 election officials conference, election officer
- 6 certification and recertification training from the
- 7 Secretary of State's Office and an election law CLE
- 8 refresher course. So we have that coming up for staff
- 9 training and development.
- And all of this is culminating to our
- 11 preparation for 2020. We are looking at our debate
- 12 format, looking, you know, how can we partner with some
- 13 of the schools and some of the ideas that Chairman
- 14 [sic] Paton has had that we were able to work through
- 15 last year and what we found successful and looking at,
- 16 okay, should, perhaps, our primary debates have a
- 17 different format than our general debates? What are
- 18 the presidential debates going to look like?
- We're doing some research now to see how we
- 20 can better improve them and, also, look back at our
- 21 surveys. And we're looking at enhancements that we can
- 22 make to the voter guide. A lot of great information
- 23 came out from the focus groups that we feel can
- 24 influence some changes that we can make in the voter
- 25 guide and then, overall, our communication strategy.

10:14:06-10:15:02 Page 39 | 10:16:03-10:17:03 Page 41

- 1 National Voter Registration Day this year, which will
- 2 be in September. That is one of our biggest events
- 3 that we do. We usually partner with ASU on it, and
- 4 it's really fun and exciting. And we usually get a --
- 5 have a great time with the students out there and
- 6 educating them and getting them registered.7 And I put a copy of something that we're
- 8 working on right now that Avery has developed. It's a
- 9 little pledge card. So when we are going to high
- 10 schools and talking to, maybe, these students that can
- 11 preregister, if they're 16 and a half, 17, we're also
- 12 going to be leaving them with a pledge card for them
- 13 to, you know, think about, now, why do you want to
- 14 vote? Why are you pledging to vote? What is important
- 15 to you? So when they do turn 18 and they are able to
- 16 cast that ballot for the first time, they can look back
- 17 at that card and, you know, remember what is important 18 to them.
- 19 And staff has been attending several
- 20 trainings throughout the year. So far Alec and I have
- 21 attended the Government Social Media Training, and we
- 22 have some great takeaways from there just to help us in
- 23 our efforts. I am wrapping up a civic leadership
- 24 academy that I went to for Flinn Brown, which they are
- 25 having a convention, and they have asked me to talk

- So with that, I'm happy to answer any
- 2 questions, if there are more, from the commissioners.
- 3 CHAIRMAN KIMBLE: Okay. Thank you.
- 4 Any questions from the commissioners?
- 5 COMMISSIONER CHAN: I just have a comment,
- 6 and I'm sorry because I know I've -- you had so much
- 7 good information to tell us. And I kept interrupting
- 8 and asking questions, but I just have to say -- and I
- 9 think we all say this quite a bit, but I am so
- 10 impressed with the depth and breadth of the Voter
- 11 Education Program that you have developed and the
- 12 synergy that we have here at the Commission. And I
- $\mbox{\bf 13}\,$ just -- it makes me emotional. You know, I mean, I
- 14 just -- I really am so proud of the work you are doing.
- 15 And, I guess, maybe pride shouldn't be the thing
- because I'm not doing it myself, but I'm just so impressed. And I think the work you're doing is so
- **18** important, and so thank you.
- 19 MS. ROBERTS: Mr. Chairman, Commissioner
- 20 Chan, thank you for that feedback, and I would say that
- 21 the commissioners absolutely have a strong leadership
- 22 and influence in the development of our plan. We've
- 23 heard from every commissioner individually about things
- 24 that are important to them that we've executed on. And
- 25 I'm really happy to say that now, having a published

10:17:06-10:18:14 Page 42 10:19:25-10:20:34 Page 44

- 1 comic book author, will help lend to our creativity for
- 2 our communications plan. And so we are continuing to
- 3 look at how we can improve our team and our methods.
- 4 So thank you.
- COMMISSIONER PATON: And I just have a
- 6 statement about the -- just during the previous
- 7 election, and I had told you about don't do the short
- 8 radio commercials because you can't understand
- 9 everything they're saying. They just talk really fast.
- 10 And so, like, 30 -- 30-second ones instead of, like,
- **11** 15.
- 12 MS. ROBERTS: Thank you.
- CHAIRMAN KIMBLE: I have one comment. You 13
- 14 talked about doing the -- on National Voter
- 15 Registration Day, you're doing something with ASU. You
- 16 talked about a number of things up here, which is
- 17
- Do you have anything for high schools or at 18
- 19 the University of Arizona that you're going to be doing
- 20 in Pima County?
- 21 MS. ROBERTS: Mr. Chairman, Commissioners,
- 22 we have, on our website -- we have a webpage dedicated
- 23 to student outreach, and we post on there that if you
- 24 are a high school teacher or, you know, a professor, to
- 25 contact our office because these are the things that we

- 1 debates there and even come out and talk to the
- 2 students and the classes, which we did a few meetings
- 3 on-site. We were able to bring them some swag for the
- 4 students and some informational items, but we can
- 5 definitely look at exploring that more and having that
- direct outreach on the ground in Pima County.
- CHAIRMAN KIMBLE: Yeah. I think Pima
- 8 Community College would welcome the same kinds of
- 9 things you're doing up here with community colleges,
- and while it's great that they can look on the website
- 11 and reach out to you, I don't know that a lot of them
- 12 know to look on the website and reach out to you.
- MS. ROBERTS: And Pima County is a great 13
- 14 idea -- or Pima Community College is a great idea
- because they have historically served as a location for
- our debates. So we do have that relationship with
- them, and we can reach out to them and see if there's
- an opportunity for staff to come down there and address
- some of the students and their classes.
- CHAIRMAN KIMBLE: Okay. 20
- 21 COMMISSIONER PATON: Maybe, like, the
- 22 political science majors or the -- you know, the
- 23 chairman of the department or something at both U of A
- 24 and Pima College, I would think.
- MR. COLLINS: Commissioner Kimble, can you 25

10:18:15-10:19:23 Page 43 10:20:35-10:21:39 Page 45

- 1 can do. We can come out to your students and talk. We
- 2 can come out to your universities and talk. And so our
- 3 goal is -- now that we have our additional team member
- 4 is to -- one of Avery's focus will be to do more
- 5 outreach on our end in contacting them.
- What we've been doing in the past is -- and
- 7 it's worked out really well because folks tend to come
- 8 to us, which is great. Last year we had a lot of
- 9 community colleges reach out to us, and maybe it's 10 during Constitution week and they want Clean Elections
- 11 to come out. Gila Ridge High School in Yuma County
- 12 wanted us to come out and talk to every single one of
- 13 their classes all day long.
- And so we can -- and our partnership that 14
- 15 we've done with ASU is just, kind of -- it's developed
- 16 over the years in that we've focused on being solely at
- 17 ASU on National Voter Registration Day. We don't
- 18 really have the staff to break apart on that one day to
- 19 handle multiple events, but we can definitely look at
- 20 more on-the-ground outreach in Pima County
- 21 specifically. We can look at contacting their school
- 22 districts.
- 23 When we had our debates, we did work with
- 24 Commissioner Paton -- and you were involved in that, as
- 25 well -- in having meetings with them to host our

- 1 guarantee that if we go on campus and speak that we
- **2** won't be arrested?
- CHAIRMAN KIMBLE: Be careful. 3
- MS. ROBERTS: Mr. Chairman, Commissioners, 4
- 5 thank you for the feedback.
- CHAIRMAN KIMBLE: Okay. Thank you, Gina.
- 7 Thank you very much. And I apologize for interrupting
- you, thinking you were done.
- 9 You are done now?
- 10 MS. ROBERTS: I'm done. Yes.
- 11 CHAIRMAN KIMBLE: Okay.
- Item V, discussion and possible action on 12
- legal advice related to Proposition 306. The
- Commission may go -- vote to go into executive session,
- which will not be open to the public, for the purpose
- of obtaining legal advice on any item listed on the
- 17 agenda.
- 18 Tom?
- 19 MR. COLLINS: Yeah. Commissioners, without
- getting into too fine a point on it, we're -- you know,
- Prop 306 has been in place since whatever date the
- (inaudible) was signed. We -- you know, we did some
- more preliminary conversations with staff. The
- 24 legislature, kind of, interrupted that, but that having
- 25 been said, there are issues with respect to Prop 306

10:21:43-10:22:24 Page 46 11:08:13-11:10:05 Page 48

- 1 that we've been working through. And although -- and,
- 2 basically, I recommend that we go into executive
- 3 session to try to -- to discuss and get -- receive
- 4 legal advice about some of the issues that the
- 5 referendum, as written, raises.
- 6 COMMISSIONER CHAN: Mr. Chairman?
- 7 CHAIRMAN KIMBLE: Okay. Commissioner Chan.
- 8 COMMISSIONER CHAN: I would move that we go
- 9 into executive session for the purpose as stated by
- 10 Tom.
- 11 CHAIRMAN KIMBLE: Is there a second?
- 12 COMMISSIONER PATON: Second.
- 13 CHAIRMAN KIMBLE: All those in favor of
- 14 going into executive session say aye.
- **15** (Chorus of ayes.)
- 16 CHAIRMAN KIMBLE: Anyone opposed?
- 17 (No response.)
- 18 CHAIRMAN KIMBLE: Okay. We'll go into
- 19 executive session.
- 20 (Whereupon, the Commission goes into
- 21 executive session at 10:22 a.m.)
- 22 (The following section of the meeting is in
- 23 executive session and bound under separate cover.)
- 24 ///
- 25 ///

1 As we told you at the reason to believe a

- 2 violation may have occurred stage, we think that under
- 3 the Arizona Case Committee for Justice in Fairness, as
- 4 well as under the Commission's statutory role under
- 5 16-958, 16-941(D), that they do, in fact, qualify as
- 6 express advocacy, given their timing to the campaign,
- 7 their dependency on the election as a -- as a basis for
- 8 the action and -- and the portrayal of the candidates,
- 9 all of which is consistent with both, we think, CJF
- 10 and, frankly, WRTL, but more importantly CJF, which is
- 11 the Arizona controlling case.
- As you can see, Mr. La Sota, who represents
- 13 U.S. Term Limits, and I have agreed to let him submit
- 14 his legal brief on the reason to believe as his
- 15 supplement here because the issues overlap.
- As far as what I think might not be
- 17 relevant, but might be exculpatory, you know, I did
- 18 note in my memo that USTL has, at least nominally,
- 19 continued to have a presence in Arizona at the
- 20 legislature. That doesn't necessarily discount -- and
- 21 I don't think it does discount mailers during the
- 22 election process, but it, at least, acknowledges that
- 23 this was part of -- at least looks like it was part of
- 24 a longer process. But when it comes to the election
- 25 process, you know, those mailers were too tight, too

11:06:17-11:08:06 Page 47 11:10:10-11:12:08 Page 49

- 1 *****
- 2 (End of executive session. Public meeting
- 3 resumes at 11:06 a.m.)
- 4 CHAIRMAN KIMBLE: Okay. We are back,
- 5 finally.
- 6 Item VI, discussion and possible action of
- 7 whether there's probable cause to believe a violation
- 8 occurred in MUR 18-14 U.S. Term Limits, Inc.
- **9** Tom?
- 10 MR. COLLINS: Commissioners, we're here
- 11 today on this matter to determine whether or not there
- 12 is probable cause to believe that the respondent here,
- 13 which is U.S. Term Limits, Incorporated, a nonprofit
- 14 corporation based in Washington, failed to file two
- 15 specific reports related to legislative candidates in
- 16 District 24.
- As a -- as a preface, I want to mention
- 18 that the courts have been working to get to the bottom
- 19 of this process. There are other potential mailings
- 20 that we are still exploring, which is why the memo
- 21 maintains that the investigation remains open. We
- 22 think that if you look at the language used and the way
- 23 that the mailers were set up -- and if you look at
- 24 those, they're at page -- they're at page 13 and
- 25 page 18 and 19 of your materials.

- 1 close and had the wrong -- you know, characterized the
- 2 positions of the candidates, all the checkboxes that
- 3 are in 16-901.01(B)(2), which is laid out on page 5 of
- 4 my memo, which is page 5 of your materials, as well.
- 5 In fact, USTL conceded all of the elements,
- 6 except for is this express advocacy, in their -- in
- 7 their initial response. So I think, given all of that,
- 8 it's -- it's clear to me that there is probable cause
- 9 to believe that, at least with respect to those two
- 10 mailers, there is probable cause to believe that the --
- 11 that the Act was violated.12 I think that -- a couple of other points I
- 13 wanted to make, sort of -- they're footnote points, but
- 14 they're important. One of the issues that came up and
- 15 it's in -- we have complaints from -- and responses
- 16 from the complainant, who's represented by Andy Gaona
- 17 about, well, one of the persons, again, for whom the
- 18 mailer was sent wasn't even in office. WRTL, when it's
- 19 talking about what constitutes genuine issue advocacy,
- 20 as opposed to electioneering, specifically uses the
- 21 phrase "public officials."
- So the -- and this is the footnote at
- 23 page 7 of your materials. And so it's not clear to me,
- 24 although respondents argue that the fact that the
- 25 mailer on behalf of Mr. Ferrell was simply urging him

11:12:12-11:13:12 Page 50 | 11:14:42-11:15:09 Page 52

- 1 to take a position, that position was contingent on him
- 2 winning an election. And he was not a public official
- 3 who would have been subject to what WRTL calls
- 4 run-of-the-mill or ordinary issue advocacy. Now, if
- 5 WRTL has expanded on that, that's really not our issue
- 6 because we have case law in Arizona on this point,
- 7 anyways, with the CJF case.
- 8 COMMISSIONER CHAN: Mr. Chairman and Tom,
- 9 could I just ask, you know, you mentioned that the
- 10 definition of expressly advocates and that there's
- 11 probable cause to believe Elements 1 through 3 are
- 12 established and Element 4 is, you know, that, in
- 13 context, these mailers, in this example, can have no
- 14 reasonable meaning other than to advocate the election
- 15 or defeat of the candidates and there are certain
- 16 factors.
- 17 MR. COLLINS: Right.
- 18 COMMISSIONER CHAN: Could you, kind of, go
- 19 over how that applies to these mailers for us?
- 20 MR. COLLINS: Sure, sure. Absolutely. So
- 21 I first want to talk about some of the things that the
- 22 respondents are correct about.
- 23 COMMISSIONER CHAN: Okay.
- MR. COLLINS: The respondents are correct
- 25 that if they -- you know, that -- you know, obviously,

- 1 CHAIRMAN KIMBLE: Can I stop you for a
- 2 minute? Can you get closer to the microphone? I think
- 3 people are having trouble hearing.
- 4 MR. COLLINS: Okay. I'm sorry.
- 5 CHAIRMAN KIMBLE: And why are you even
- 6 standing there? Why aren't you sitting here? I was
- 7 very confused.
- 8 MR. COLLINS: Just because -- just for --
- **9** CHAIRMAN KIMBLE: Dramatic thing?
- MR. COLLINS: -- appearance. Well, not
- 11 dramatic --
- 12 COMMISSIONER CHAN: I like it that he's
- 13 presenting to us so we can look him in the eyes.
- MR. COLLINS: It's because -- it's because
- 15 of the ex parte issues and why you have Ms. Williams in
- 16 here.
- 17 CHAIRMAN KIMBLE: Okay.
- 18 MR. COLLINS: And I just want -- the
- 19 appearances to all be appropriate.
- 20 COMMISSIONER CHAN: And, Mr. Chairman and
- 21 Tom, can I just -- because I asked about Number 4,
- 22 which is the --
- 23 MR. COLLINS: Right.
- 24 COMMISSIONER CHAN: -- you know, as
- 25 evidenced by factors such as the presentation of the

11:13:19-11:14:42 Page 51 11:15:11-11:16:03 Page 53

- 1 if this was a classic issue of advocacy, we wouldn't be
- 2 here. They're also correct in noting that their
- 3 mailers don't have what we call magic words, which are
- 4 taken care of in another section of 16-901, which are
- 5 the vote for, vote against, elect, support, endorse,
- 6 cast your ballot, so-and-so 20, so-and-so 18 and, you
- 7 know, vote against.
- 8 All those magic words are laid out on page
- 9 6, and they're correct that none of those magic words
- 10 appear in this thing. However -- and this is where I
- 11 think things become problematic with the respondent's
- 12 response. They conceded that their -- that these
- 13 mailers were, in fact, designed to reflect thanks to
- 14 the candidate and to reinforce the policy position on
- 15 Wayward candidates.
- Now, they claim these purposes are not
- 17 related to winning an election, but I think that a
- 18 communication that is admittedly designed to set up a
- 19 situation where you're thanking someone in the middle
- 20 of a campaign and then using it to, potentially -- you
- 21 know, as further campaign totter, it's very hard for me
- 22 to accept the fact that the definition of winning an
- 23 election is so narrow because we know magic words isn't
- 24 the thing. In other words, his logic comes back to we
- 25 didn't use --

- 1 candidates, and I note that in one of the mailers on
- 2 pages 18 and 19, the statement in the mailer is that --
- 3 it's apparently a quote by Mark Twain, which I have
- 4 never heard, but politicians and diapers must be
- 5 changed often and for the same reason, which I think --
- 6 I mean, you cannot interpret that in anything but a
- 7 very unfavorable light.
- 8 MR. COLLINS: Right.
- 9 COMMISSIONER CHAN: So, you know, you're
- 10 talking about the magic words, and I think obviously,
- 11 the magic words worked when people used "vote for" or
- 12 "elect" because -- until they were trying to get around
- 13 the magic words and began using things like comparing
- 14 people to a baby's dirty diapers.
- 15 MR. COLLINS: Sure.
- 16 COMMISSIONER CHAN: So, I mean, that's,
- 17 kind of, what I was trying to get at is if we have 1
- 18 through 3, you know, what are we seeing here that's in
- 19 Number 4 that we can hang a hat on if we want to make a
- 20 decision on this?
- MR. COLLINS: If I didn't highlight that
- 22 sufficiently in the memo --
- 23 COMMISSIONER CHAN: No, I think you --
- MR. COLLINS: Okay. But I just want to --
- 25 let's go through the actual document.

11:16:05-11:17:27 Page 54 | 11:19:12-11:20:35 Page 56

- 1 COMMISSIONER CHAN: Okay.
- 2 MR. COLLINS: On page 15, we start with
- 3 Marcus Ferrell and President Obama agree. Again, we've
- 4 had cases where -- we've had cases where disagreement
- 5 with -- juxtaposition with President Obama itself has
- 6 been one of the factors that we've considered.
- 7 In this particular case, this is a
- 8 democratic-dominated district, and associating
- 9 Mr. Ferrell, who's not in office, with President Obama,
- 10 you know, is designed to trigger a specific thing. In
- 11 other words, it's not -- and it's not about anything --
- 12 about term limits. You know, the call to action is
- 13 arguably thank you for protecting our democracy, but
- 14 this also says that Marcus Ferrell will support
- 15 legislation for term limits on the members of Congress,
- 16 which reflects on specifically what his platform is.
- 17 COMMISSIONER PATON: And?
- 18 MR. COLLINS: What?
- 19 CHAIRMAN KIMBLE: Commissioner Paton?
- 20 COMMISSIONER PATON: And then on page 19,
- 21 it says Ken Clark -- and then in all caps -- voted
- 22 against.
- 23 MR. COLLINS: Right.
- 24 COMMISSIONER PATON: I mean --
- MR. COLLINS: So when you take that

- 1 And I think that if you take these in
- 2 actual context, the thing that's not reasonable is to
- 3 read these as classic issue advertisements based on
- 4 their timing, the juxtaposition of the records, and
- 5 the -- I mean, and just to cite, but not quote, CJF,
- 6 you know, which involved an ad that said -- that
- 7 criticized Tom Horne as superintendent while he was
- 8 running for AG: Advertisement unambiguously about a
- 9 candidate for the office run immediately before the
- 10 election but criticizing prior actions did expressly
- 11 advocate defeat.
- So certainly, with respect to Ms. Clark,
- 13 that is CJF. With respect to Mr. Ferrell, well, it as
- 14 sure as heck is not WRTL because he's not a public
- 15 official. And I think, in context, you know, he's
- 16 going to vote for term limits is -- you know, it's not
- 17 criticizing prior actions, but it's promising voters
- 18 further actions. And I don't see those two sides of
- 19 the coin being -- being distinguishable enough to
- 20 determine that it's reasonable.
- 21 So, in other words, my conclusion is
- 22 that -- that the -- you know, since the question is no
- 23 other reasonable meaning, the first -- that presumes
- 24 that it's not electioneering, first. U.S. Term Limits
- 25 comes back and says, well, this isn't electioneering,

11:17:31-11:19:10 Page 55 | 11:20:41-11:22:12 Page 57

- 1 highlighting of the two candidates' records together
- 2 with the lack of a legislative session and the -- you
- 3 know, the issues that are at hand, they're clearly
- 4 trying to -- they mailed these out in a manner that
- 5 there are two sides of a pair. And both sides, if you
- 6 read them together, clearly they're attempting to get
- 7 people to reflect favorably on Mr. Ferrell and reflect
- 8 negatively on Mr. Clark.
- 9 I think that the -- in the -- in the memo,
- 10 we outline that -- that -- we wrapped that up by saying
- 11 they're both expressly driven by the electoral process
- 12 and holding candidates accountable to it. I think
- 13 that's a safe and fair reading of the documents you
- 14 have in front of you and, therefore -- and this is a
- 15 test -- they're functionally urging voters to vote for
- 16 or against the candidates. And that's the CJF test.
- 17 And I -- and, as I say, I think that to
- 18 suggest that, you know, this, quote/unquote, wasn't --
- 19 this communication had nothing to do with,
- 20 quote/unquote, winning an election boiled down to --
- 21 boils down to, unless it has magic words, it's not. I
- 22 mean, there's no -- you know, there's generally no --
- 23 you know, you have to establish that there is no other24 meaning that is reasonable, other than as an
- 25 electioneering communication.

- 1 in large part, because maybe we didn't intend it to be
- 2 or maybe we thought we were within the law or maybe we
- 3 just -- if it was election-related, it wasn't directed
- 4 at winning an election.
- 5 But that's a pretty cramped -- for anybody
- 6 who sees mailers, that's a very cramped view of what
- 7 winning an election means because, you know, I think
- 8 everybody who engages, it's just a very -- it's just
- 9 not -- there's not anything in 16-901 -- 16-901.01 or
- 10 the Committee for Justice in Fairness that suggests
- 11 that you can get away -- you can narrow the scope of
- 12 the election question quite so arbitrarily; therefore,13 the response is that thing that's unreasonable or, you
- 14 know, that I don't think all -- I don't think that, you
- 15 know -- you know, reasonable people would have to, you
- 16 know, not be able to disagree with that.
- I don't think that's true; whereas, our
- 18 interpretation is, I think -- the interpretation
- 19 proposed by staff, I should say, is much more honest to
- 20 the context rule issues that we face on a regular basis
- 21 with respect to these kind of skirting the
- 22 electioneering reports.
- And the other thing -- let me, folks, just
- 24 for the -- just for the record, is we're not talking
- 25 about going after donors of the U.S. Term Limits. You

11:22:16-11:23:24 Page 58 11:25:17-11:26:42 Page 60

- 1 know, the U.S. Term Limits has been around for 30
- 2 years. They're -- you know, the reason we don't have
- 3 Term Limits in the congressional level is because U.S.
- 4 Term Limits lost a case in the supreme court. That was
- 5 close to 30 years ago. I mean, this is an established
- 6 group.
- So, you know, I just don't -- you know, I
- 8 just don't -- I mean, I'm not sure how purposeful this
- 9 was by them, but -- if they were getting advice in
- 10 D.C., as opposed to Arizona. There's all kinds of ways
- 11 this could have happened, but the point is we're not
- 12 trying to delve into anything other than mailers and
- 13 the cost of mailers and the timing of mailers. We're
- 14 not interested in, you know, who funds CJ --
- 15 COMMISSIONER CHAN: Term Limits.
- MR. COLLINS: -- Term Limits. I mean, 16
- 17 we're just -- that's just not even on the table.
- CHAIRMAN KIMBLE: So, Mr. Collins, can you
- 19 explain to me why is it Mr. La Sota opted not to
- 20 discuss this?
- 21 COMMISSIONER CHAN: I was just going to ask
- **22** that.
- 23 MR. COLLINS: Well, you know, it's
- 24 complicated. We have been working on a -- I think I
- 25 can say this without a problem. We've been working on

- 1 either.
- CHAIRMAN KIMBLE: We might as well talk
- 3 about it now.
- 4 MR. COLLINS: Okay. So -- so what I --
- 5 what I propose we do is if three of you -- and we need
- 6 three people for this -- agree that there's probable
- cause to believe, at least on the two mailers we're
- looking at in this case, I would -- I would recommend
- 9 two things. Number 1, you'll notice I did not make a
- 10 penalty recommendation on this yet.
- So I would recommend and I would move, for 11
- 12 lack of a better way of putting it, for if you were to
- 13 find that an immediate stay of the order. So the order
- 14 is in place, but we stay the order for a month. We
- don't -- and we -- and then we deal at the end of --
- next month we deal with any penalties or, potentially,
- any resolution short of that. I recommend that because
- this has been on the agenda now for three months
- running, and I would like to make progress without
- jeopardizing the opportunity to resolve this in a way
- 21 that can satisfy, I think, all of the public's interest
- 22 and still be comfortable for you.
- And I think that's possible, I really do,
- 24 but that's -- but, on the other hand, I'm not -- you
- 25 know, my judgment bringing this before you today was,

11:23:27-11:25:13 Page 59 11:26:45-11:27:44 Page 61

- 1 a conciliation, as we always do. Those conversations
- 2 have not come to fruition yet, although we are getting
- 3 to where we need to get. It's just taking a long time.
- 4 I've expressed to Mr. La Sota -- if I can -- sorry. I
- 5 need -- you know, I have lawyers, too.
- I would say this. We're working with
- 7 Ms. La Sota.
- CHAIRMAN KIMBLE: Okay. 8
- MR. COLLINS: I think Mr. La Sota is not
- 10 here because he's waiting -- he's trying to get -- I
- 11 can't speak for him, but given what we've been doing, I
- 12 think maybe he doesn't think it's necessary. I
- 13 informed him this morning that I intended to go forward
- 14 with this, pending whatever else we're able to work
- 15 out. He has not requested any stay from -- with
- 16 respect to me or Paula or anybody. I don't think we've 17 heard from him, other than my conversations around the
- **18** efforts to resolve the matter.
- 19 MS. THOMAS: No, sir.
- 20 MR. COLLINS: So -- and I have some
- 21 specific -- I have a specific request if we do -- if
- 22 you were to conclude there was probable cause to
- 23 believe that relates to the timing of that and working
- 24 that out, and I don't know if you would like to know
- 25 that now or after you might have voted. I'm open to

- 1 having put this on the agenda three times, we need to
- 2 put some -- some -- something out there to say, look,
- 3 we're moving forward. We'll do the -- if we stay, you
- 4 know, we get a little time, but then he -- then,
- 5 presumably, everyone will recognize that we have --
- we're serious. We've taken that step.
- CHAIRMAN KIMBLE: So if you negotiate with
- 8 him and if something comes of this, you would come back
- 9 with a specific recommended amount.
- MR. COLLINS: Oh, yeah, absolutely. 10
- 11 CHAIRMAN KIMBLE: Okay.
- MR. COLLINS: Absolutely. 12
- CHAIRMAN KIMBLE: One other question I have
- 14 is you said there were -- you are looking at other
- 15 mailers.
- MR. COLLINS: Uh-huh. 16
- CHAIRMAN KIMBLE: But in your memo you say, 17
- 18 I recommend the Commission find probable cause that the
- 19 respondent violated the Act in regards to the mailers
- 20 addressed in the complaint initiating this matter.
- MR. COLLINS: Yeah. 21
- CHAIRMAN KIMBLE: So what's going to happen 22
- 23 to the other mailers?
- 24 MR. COLLINS: Well, the other mailers --
- CHAIRMAN KIMBLE: Would this be something 25

11:27:45-11:29:04 Page 62 11:30:18-11:31:05 Page 64

- 1 that would be overlooked as part of a settlement
- 2 agreement to get right to it?
- 3 MR. COLLINS: That would be my goal.
- 4 Otherwise -- otherwise, I mean, without getting too
- 5 deeply into the procedural things and things I don't
- 6 want to scare anybody about but, you know, otherwise,
- 7 we get into -- we have not issued a subpoena to USTL,
- 8 for example. So far all the information we've gotten
- **9** has been voluntarily disclosed. And I'd like to
- 10 maintain that relationship as much as possible, but if
- 11 we get to a place where we feel like we're getting, you
- 12 know, real assurance, as opposed to lawyers juggling
- 13 their schedules and all this other stuff, you know, I
- 14 mean, we -- that may -- that's going to be the option,
- 15 but I can tell you that it is clear there were other
- 16 mailers.
- U.S. -- you know, that's absolutely clear.
- 18 In fact, I received two of them myself not related to
- 19 the two candidates here. So, essentially, out of the
- 20 reasonable cause and compliance order, we said, you
- 21 know, give us everything -- give us everything. Give
- 22 us everything you mailed is what we said in the
- 23 compliance order, and we did not receive that -- we
- 24 didn't receive really anything as a result of the
- 25 compliance order, although we have continued to --

- 1 I'll ask our attorney -- sorry -- to do that, as well
- 2 as stay any final determination? Would it be --
- 3 MS. WILLIAMS: I'd probably do two.
- 4 COMMISSIONER CHAN: Two? Okay. And so the
- 5 first one would be about whether or not there's
- 6 probable cause.
- 7 MS. WILLIAMS: Yes.
- 8 COMMISSIONER CHAN: And assuming we all
- 9 agree that there was, which maybe we don't, then I
- 10 would say, perhaps, move to stay the final
- 11 determination until next month to give the executive
- 12 director --
- 13 MS. WILLIAMS: Correct.
- 14 COMMISSIONER CHAN: -- an opportunity to
- **15** finalize with the respondent.
- 16 MS. WILLIAMS: Yes. That would be my
- 17 advice and guidance to do that.
- 18 COMMISSIONER CHAN: Okay. Thank you.
- 19 COMMISSIONER PATON: I have a question.
- 20 CHAIRMAN KIMBLE: Thank you.
- 21 Commissioner Paton?
- 22 COMMISSIONER PATON: So what do we have to
- 23 do to compel them to give us the other fliers?
- MR. COLLINS: You know, without getting too
- 25 far into what's still, sort of, on the investigative

11:29:06-11:30:13 Page 63 11:31:09-11:32:55 Page 65

- 1 because he would have to come into compliance.
- Right? But we have continued to work with
- 3 Mr. La Sota on an amicable resolution, and that's part
- 4 of the reason we haven't broken out subpoenas and all
- 5 the other stuff.
- 6 CHAIRMAN KIMBLE: Okay. And I don't know
- 7 if this is proper to say. There's enough lawyers here
- 8 who, I think, would stop me if it isn't, but it seems
- 9 to me that if there is a resolution and a financial
- 10 penalty agreed to, that there should be some thought
- 11 that this penalty may only apply to these mailers, but
- 12 you did other stuff, too, that we know about.
- 13 MR. COLLINS: Yeah.
- 14 CHAIRMAN KIMBLE: And that there ought to
- 15 be some way to take that into account even if it's not
- 16 specifically enumerated.
- 17 MR. COLLINS: That's our --
- 18 CHAIRMAN KIMBLE: And maybe you don't need
- 19 to respond to that but --
- 20 COMMISSIONER CHAN: Mr. Chairman?
- 21 CHAIRMAN KIMBLE: Commissioner Chan.
- 22 COMMISSIONER CHAN: If I were going to make
- 23 a motion to -- for the Commission to find that there's
- 24 probable cause to believe a violation occurred in this
- 25 case, would I do -- could I just do a joint motion?

- 1 side, we have had enough information from them to
- ${f 2}$ set -- to understand how many unreported mailers there
- 3 were and what the value of those mailers were. Any
- 4 conciliation to be acceptable to me would identify --
- 5 right now I have Mailer 1, Mailer 2, Mailer 3 -- would6 identify on whose behalf or against whom those mailers
- 7 were done. And that's plain from the communications
- 8 that -- I mean, that's just -- that's -- that's -- if
- 9 you look through all of our conciliations, that's a --
- 10 always been a requirement.
- So we -- we -- like I say, we're trying to
- 12 avoid a subpoena if only because a subpoena drags you
- 13 guys back into it and creates, I think, a potential for
- 14 unnecessary drama. I think that -- I think that --
- 15 however, I think that communicating to USTL that the
- 16 commissioners want to make sure we get that is pretty
- 17 compelling because what it would suggest is, look, if
- 18 we do do a subpoena, the commissioners or, you know, at
- 19 least some commissioners would back us up, I assume,
- 20 but I'm not speaking for you.
- 21 COMMISSIONER PATON: So we don't have all
- 22 the information.
- MR. COLLINS: Right. We have a lot of
- 24 information. We don't have all of it. We don't have
- 25 the completion.

11:32:55-11:34:07 Page 66 11:35:15-11:35:56 Page 68

- COMMISSIONER PATON: Then it puts into your
- 2 mind what are they hiding, you know.
- CHAIRMAN KIMBLE: I totally agree with
- 4 Commissioner Paton. You know, I'm not opposed to
- 5 drama. I think we ought to get a complete agreement
- 6 with them --
- MR. COLLINS: Yeah.
- CHAIRMAN KIMBLE: -- for all the things 8
- 9 they did that didn't comply with our -- with our rules.
- MR. COLLINS: That's definitely the goal.
- 11 Well, let me -- let me ask you this. I guess, the
- 12 other thing I have not asked for specific authorization
- 13 for -- and I'm not sure I have to, but I'd like to, I
- 14 guess, a third request or -- a third request -- we need
- 15 a taller thing for me. The third request --
- 16 CHAIRMAN KIMBLE: Or a shorter executive
- 17 director.
- MR. COLLINS: Well, that's -- you know, is
- 19 it legal to put a height requirement on there? The --
- 20 I can think of some five-foot-six guys who would love
- 21 this job. Not as much as I love it, though.
- I'm certainly -- look. Let me put it this
- 23 way. I would make a motion that the Commission
- 24 authorize me to issue subpoenas, if necessary, to
- 25 compel the production of documents. I mean, that's a

- MS. WILLIAMS: For the violations that are
- 2 cited in the director's memo.
- COMMISSIONER CHAN: Thank you. I'll
- 4 clarify my motion. I'll make a motion to determine --
- 5 find that there's probable cause to believe a violation
- 6 occurred as determined in the executive director's
- 7 memo.
- 8 MS. WILLIAMS: Okay. And with respect to
- 9 the two mailers that are at issue today.
- COMMISSIONER CHAN: And with respect to the
- 11 two mailers that are issued and identified in that memo
- 12 in MUR 18-14 U.S. Term Limits.
- MS. WILLIAMS: And then the second was?
- CHAIRMAN KIMBLE: And then, Commissioner 14
- 15 Paton, do you agree to that?
- COMMISSIONER PATON: Yes. 16
- CHAIRMAN KIMBLE: Okay. 17
- 18 MS. WILLIAMS: Thank you.
- CHAIRMAN KIMBLE: So there's been a motion 19
- 20 and a second.
- 21 All those in favor say aye.
- 22 (Chorus of ayes.)
- 23 CHAIRMAN KIMBLE: Anyone opposed?
- 24 (No response.)
- 25 CHAIRMAN KIMBLE: It passes three to

11:34:10-11:35:12 Page 67 11:35:59-11:36:43 Page 69

- 1 third motion, but I don't think there's anything in
- 2 the -- I don't think -- now, he can come back to you
- 3 and say quash this subpoena under the rules, but I
- 4 don't believe there's anything that prevents you from
- 5 authorizing me to issue subpoenas.
- And sometimes we'd ask you to do that at
- 7 the reason-to-believe stage of that. So just to fully
- 8 equip me having to go in and dealing with that, I'm
- 9 perfectly happy to move and request that you, as a
- 10 third vote, authorize me to subpoena that information
- 11 about the remaining mailers.
- 12 CHAIRMAN KIMBLE: Okay. Any other comments
- 13 from commissioners? Questions? Anything?
- COMMISSIONER CHAN: Mr. Chairman. 14
- 15 CHAIRMAN KIMBLE: Commissioner Chan.
- COMMISSIONER CHAN: At this time, I'd like 16
- 17 to make a motion to -- that there is probable cause to
- 18 believe a violation occurred in MUR 18-14 U.S. Term
- 19 Limits, Inc.
- 20 CHAIRMAN KIMBLE: Is there a second?
- COMMISSIONER PATON: Second. 21
- 22 CHAIRMAN KIMBLE: Any discussion?
- 23 MS. WILLIAMS: Just for clarification --
- 24 I'm sorry, Commissioner Kimble and Commissioners.
- 25 CHAIRMAN KIMBLE: Sure.

- 1 nothing.
- COMMISSIONER CHAN: Mr. Chairman, I have
- 3 another motion to stay the final action on our approval
- 4 of that finding of the violation until next month to
- 5 give the executive director time to continue working on
- 6 his conciliation attempts with the respondent.
- CHAIRMAN KIMBLE: Okay.
- MS. WILLIAMS: So you want to stay the 8
- **9** issuance?
- 10 COMMISSIONER CHAN: Stay the issuance of
- **11** the --
- MR. COLLINS: Of the probable cause order. 12
- COMMISSIONER CHAN: -- probable cause 13
- 14 order.
- 15 COMMISSIONER PATON: Second.
- CHAIRMAN KIMBLE: Okay. It's been moved
- 17 and seconded that we are authorizing a one-month stay
- **18** in the order.
- 19 All those in favor say aye.
- 20 (Chorus of ayes.)
- CHAIRMAN KIMBLE: Anyone opposed? 21
- 22 (No response.)
- 23 CHAIRMAN KIMBLE: It's approved three to
- 24 nothing.
- Commissioner Chan? 25
