Letter from the Citizens Clean Elections Commission

Dear Arizona Voter:

The Arizona General Election is on **November 3, 2020**.

Your household is receiving this Voter Education Guide because you or another resident is registered to vote. This guide was created by the Arizona Citizens Clean Elections Commission to provide voters with nonpartisan, unbiased information about the General Election, how to participate and ensure your ballot is counted. It includes information from the candidates that are running for statewide and legislative office. In this guide, you will find information on:

- How to Register to Vote
- Ways to Vote - Ballot By Mail, Early Voting & Election Day
- Accepted ID at the Polls
- County Contact Information
- Candidates for Statewide and Legislative Offices

Our experience tells us voters cast a ballot when they understand how the election impacts them directly. We hope this Voter Education Guide helps you to identify your connection to this election and have an informed vote. Important decisions are made on every ballot and your participation in Arizona's political process strengthens our democracy. Thank you for your participation.

Respectfully yours,

Galen D. Paton

Why am I receiving this?

Your household is receiving this Voter Education Guide because you or another resident is registered to vote. Households may receive multiple voter guides for different legislative districts if you share a mailing address with another registered voter.

Why should I read this Voter Education Guide?

This guide contains statements directly from the candidates for statewide and legislative office. This is an opportunity for voters to hear directly from candidates, not third parties, about their views. This guide also contains information on:

- How to Register to Vote
- Accepted ID at the Polls
- Ways to Vote
- County Contact Information

Who sent this?

This guide is created by the Arizona Citizens Clean Elections Commission (Clean Elections). Clean Elections is a state government agency created by voters in 1998. **Voters mandated that Clean Elections create this Voter Education Guide and mail it to households prior to the General Election.**

What is Clean Elections?

Clean Elections is the state's non-partisan voter education agency, founded in 1998 after Arizona voters passed the Citizens Clean Elections Act (A.R.S. Title 16, Chapter 6, Article 2) to root out corruption and promote confidence and participation in our political process.

1. **Voter Education:** We provide voters with non-partisan election information, tools and resources so they can vote informed.
2. **Clean Campaign Funding:** We provide campaign funding to candidates who run for state offices in Arizona, who agree not to accept special interest money.
3. **Enforcement:** We conduct audits of candidates campaign finance reports and investigate complaints to ensure funding is used appropriately.

How is Clean Elections funded?

The Citizens Clean Elections Fund, created by voters, receives revenues from: a 10% surcharge imposed on all civil and criminal fines and penalties, qualifying contributions from registered Arizona voters to participating candidates, and civil penalties assessed against violators.

Funding for Clean Elections does not come from tax payer money from the state general fund.

Who are the Commissioners?

The Commission consists of 5 members, no more than 2 of the same political party and of the same county. The Governor and the highest-ranking official holding a statewide office, who is not a member of the same political party as the Governor, alternate in appointing Commissioners.

ABOUT THE GENERAL ELECTION

What is the General Election?

The November 3 General Election is a regular election where voters determine who is elected to office, which statewide propositions will become law and which judges and justices will be retained.

Who can vote in a General Election?

All registered voters can vote in the General Election.

Why is voting in the General Election important?

Voting in a General Election is important because it allows voters to select the candidate they wish to represent them in office.

As this year is a presidential election year, voters will determine who the President of the United States of America is for the next four years. A U.S. Senate seat is also open for a partial term ending in January 2023, along with 9 congressional seats with terms ending in January 2023.

Statewide offices have a term of four years, so the elected Corporation Commissioner candidates will be in office until January 2025. Legislative offices have a term of two years, so the elected state senate and house of representatives candidates will be in office until January 2023.

Likewise, the General Election allows voters the opportunity to decide whether judges and justices of the Arizona Supreme Court and certain lower courts should be retained or replaced.

Finally, voters have an opportunity to approve or reject laws proposed by the legislature and by voters themselves.

VOTER REGISTRATION

Voters must be registered by Monday, October 5, 2020 to vote in the General Election. Not sure if you're already registered? Check online at azcleanelections.gov/am-i-registered-to-vote.

Ways to Register

Online:

Visit servicearizona.com. You must have a valid Arizona driver license or identification card to use this service. You will be emailed a confirmation after you complete the registration process.

Paper Form:

Voter registration forms are available at county recorder offices, motor vehicle division (MVD) offices, most libraries, city clerk offices and public assistance agencies.

To download a paper form or for more information on the registration process, including the qualifications to register to vote, please visit:

azcleanelections.gov/register-to-vote

Voter Registration Card:

Your county recorder will mail you a voter registration card 4-6 weeks after you register. Voters are encouraged to verify that the information on their card is correct. Please contact your county recorder with any questions, or to request a replacement registration card.

Your registration card may be used as a form of ID at the polls. See page 15 for other forms of acceptable ID at the polls.

HOW DO I VOTE?

Vote Early by Mail

Ballots will go out in the mail on October 7th to voters that are:

- On the Permanent Early Voting List (PEVL)
- Have requested a one-time early ballot

Voters can mail their voted ballots back by October 27th or drop them off at:

- Designated ballot drop boxes (if available)
- Any early voting location in their county
- The county recorder or elections office
- Any voting location on Election Day in their county (you do not need to wait in line)

Voted ballots must be received no later than 7:00 p.m. on November 3, 2020 (Election Day).

Vote Early in Person

- Voters may vote early in person at any early voting site in their county.
- Early voting will begin on October 7th.
- Voters must bring their ID. See page 15 for a list of accepted ID.

Vote on Election Day

- All voting locations will be open from 6:00 a.m. to 7:00 p.m. on Election Day.
- Visit azcleanelections.gov/where-do-i-vote to find your voting location.
- Voters must bring their ID. See page 15 for a list of accepted ID.

VOTER ASSISTANCE

Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA)

The Uniformed and Overseas Citizens Absentee Voting Act (UOCAVA) ensures that U.S. citizens who are service members, their eligible family members, and overseas citizens can vote in their home states. This guide has been mailed to every Arizona Military and Overseas voter.

Resources for UOCAVA voters:

1. Secretary of State's online system: Used to register to vote, request an early ballot and return a voted ballot.
azsos.gov/elections/voting-election/military-and-overseas-voters
2. Federal Post Card Application (FPCA): Used to register to vote, request an early ballot or update your voter information. fvap.gov/arizona
3. Federal Write-In Absentee Ballot (FWAB): Used as an emergency back-up ballot and to register to vote. fvap.gov/arizona

Voters with a Disability

The Help America Vote Act (HAVA) requires every polling place to be accessible and have available (and set up for use) accessible voting equipment that may be used by any voter. Additional assistance may be available, such as curbside voting, braille and large print ballots. Voters can contact their County Elections Office for additional information.

Alternative Formats & Language

Voters can contact Clean Elections to request a larger print version of this guide, or to request an alternative format.

This guide is printed in Spanish to assist local jurisdictions in complying with federal law (Section 203 of the Voting Rights Act (VRA)). For more information about federal law, please contact the United States Department of Justice Civil Rights Division, Voting Section at 800-253-3931 or [**voting.section@usdoj.gov**](mailto:voting.section@usdoj.gov).

WHAT ID SHOULD I BRING TO THE POLLS?

When you arrive to vote at the polls, either during early voting or on Election Day, you will announce your name and place of residence to the election official and present one form of identification from List #1 or two different forms of identification from List #2 or 3.

List #1 Sufficient photo ID including name and address (One Required)

- Valid Arizona driver license
- Valid Arizona non-operating identification card
- Tribal enrollment card or other form of tribal identification
- Valid United States federal, state or local government issued identification

List #2 Sufficient ID without a photograph that bears the name and address (Two Required)

- Utility bill of the elector that is dated within 90 days of the date of the election. A utility bill may be for electric, gas, water, solid waste, sewer, telephone, cellular phone or cable television
- Bank or credit union statement that is dated within 90 days of the date of the election
- Valid Arizona Vehicle Registration
- Indian census card

- Property tax statement of the elector's residence
- Tribal enrollment card or other form of tribal identification
- Arizona vehicle insurance card
- Recorder's Certificate
- Valid United States federal, state or local government issued identification, including a voter registration card issued by the County Recorder
- Any mailing to the elector marked "Official Election Material"

List #3 Mix & Match from Lists #1 & #2 (Two Required)

- U.S. Passport without address and one valid item from List 2
- U.S. Military identification without address and one valid item from List 2
- Any valid photo identification from List 1 in which the address does not reasonably match the precinct register accompanied by a non-photo identification from List 2 in which the address does reasonably match the precinct register

Members of federally-recognized tribes are not required to have an address or photo on their tribal identification in order to cast a provisional ballot.

HOW TO USE THIS GUIDE

Which candidates are in the guide?

- Every statewide and legislative candidate that has their name printed on the general election ballot is listed in this guide, per the Clean Elections Act.

Not all of the candidates on my ballot are in this guide. Why are federal, county and other local candidates not included?

- Clean Elections is a state agency, and the Clean Elections Act calls for **statewide and legislative** candidates to be printed in this guide. Information on federal, county and local candidates may be found on the Arizona Citizens Clean Elections Commission website:
www.azcleanelections.gov/arizona-elections/find-my-candidates

What information is listed about the candidates?

The candidate's name, party affiliation, campaign funding type and website are provided. Campaign funding type is listed as either traditional or participating. A traditional candidate funds their campaign through private donations. A participating candidate funds their campaign through participation in the Clean Elections Clean Funding program.

Each candidate had the opportunity to submit a 200-word statement. The statements were reproduced as submitted and were not edited for spelling, grammar or punctuation. Non-substantive editing may have occurred for layout purposes only. These statements represent the opinions of the authors and have not been checked for accuracy of content.

Definition of Offices to be Elected

Corporation Commissioner (Vote for not more than 3):

The Arizona Corporation Commission has five members, each elected to four-year terms. The Commission regulates the rates, business practices, health and safety of many utilities. It also regulates corporations, securities, railroads and pipelines.

State Senator (Vote for not more than 1):

The Arizona State Senate is the upper house of the Legislature, made up of 30 Senators, one from each of Arizona's 30 legislative districts. The term of office is for two years. The Senate can draft, introduce and vote on legislation. Along with the House, the Senate approves the state's annual budget. The Senate can enact bills that are referred to voters for approval, and can place constitutional amendments on the ballot.

State House of Representative (Vote for not more than 2):

The Arizona State House of Representatives is the lower house of the Legislature, made up of 60 Representatives, two from each of Arizona's 30 legislative districts. The term of office is for two years. The House can draft, introduce and vote on legislation. Along with the Senate, the House approves the state's annual budget. The House can enact bills that are referred to voters for approval, and can place constitutional amendments on the ballot.

For more information on office responsibilities, including judicial, federal, and local offices, please visit azcleaselections.gov/civics.

Candidates for Corporation Commissioner

Lea Márquez Peterson

As your Commissioner, I've fought for you. Since joining the Commission, my top priority has been keeping rates affordable while providing reliable utilities. I understand that families and small businesses are struggling during these uncertain times. That is why I championed over \$40 million in refunds to customers and pushed for plan flexibility for Arizonans who are suffering financial hardships due to COVID-19. I also supported efforts to stop disconnecting customers during the hot summer months and the COVID-19 pandemic to protect seniors and our most vulnerable. What else have I done in just over a year on the Commission? I've fought to hold utilities accountable because I know they work for us and not the other way around. In addition, I supported the Commission's Code of Ethics to ensure that all commissioners are working for the best interest of Arizonans and to eliminate corruption and influence from the utility industry. Lastly, I am the only candidate with a plan to support expanded broadband access for students and families, especially in low income and rural communities. I am not a career politician. I'm a mother, small business owner and public servant fighting for affordable utility rates and economic prosperity. I would be honored to have your vote.

William "Bill" Mundell

Party: Democratic

Campaign Funding: Participating

Website: mundell2020.com

I want to return to the Commission so I can join Commissioner Sandra Kennedy, the Chair of my campaign, in fighting the corruption that has resulted in unjustified rate increases and the crushing of rooftop solar. Whether you are a Republican, Democrat, or Independent, you should be concerned by the coziness between the current Commissioners and the utilities they regulate. When I return to the Commission, this undue influence by government created monopolies will end. APS/Pinnacle West spent millions against me in 2016. Why? Because as a Commissioner (1999-2009), I opposed their unjustified rate increases and their attempts to stop rooftop solar. And I will do so again. When I was a Commissioner in 2006, I coauthored the current renewable energy requirement: REST Rules. As a result, Arizona was a leader in solar energy. That requirement needs to be greatly increased. Arizona should be the Solar Capital of the World! I want to bring back integrity, fairness, and transparency to the Commission so it again works for regular people rather than powerful utilities and their political insiders and lobbyists. I ask for your vote so I can protect consumers from unjustified rate increases, stop corruption, and increase solar energy.

Candidates for Corporation Commissioner

James "Jim" O'Connor

Party: Republican

Campaign Funding: Participating

Website: jimoconnoraz.com

Jim brings a unique, needed skill-set currently absent at the ACC. Jim's 42 years' experience in finance with responsibility for regulatory

compliance, investment portfolio management, and enterprise leadership, makes him the only candidate with that expertise.

Jim O'Connor will protect Arizona citizens who are utility consumers from unfeasible ideas that would cause utility rates to skyrocket, resulting in undue hardships on many of our citizens. Jim will fight unsound regulations, crack down on financial crime, uphold the Arizona State Constitution and protect Arizona families and their finances. Jim has a long history of public service volunteering for leadership positions in the Republican party. Further Jim served for years on bi-law committees for AZ GOP, MCRC and Legislative District 23 in Scottsdale. He served as a member of the Electoral College in 2016. Jim has also served for 12 years on the Board of Grace Line Ministries, a non-profit Christian mentoring organization. He enjoyed four years of enrichment studies at Phoenix Seminary and is a partner at Pinnacle Forum in Phoenix. Jim's wisdom, integrity, and experience make him the right man for this job. Website:

Candidates for Corporation Commissioner

Eric Sloan

Party: Republican

Campaign Funding: Participating

Website: EricSloan.com

Eric is running for the Corporation Commission to defend our families and everyday Arizonans from increased utility rates. Eric supports lowering rates, creating consumer protections, and getting a fair deal for all Arizonans. He believes the role of a Commissioner is to protect Arizonans. Commissioners should always do what is in the best interest of Arizonans. Eric will fight against unfunded mandates and out of control subsidies. Eric supports affordable renewables, solar and carbon free energy sources. Eric is fighting to eliminate peak rates which result in a 140% increase in the cost of electricity to Arizona families between the hours of 3-8pm. Eric will also bring his business and public policy background to make sure Arizona businesses are being taken care of. Eric supports reducing fees to start a business in Arizona and creating a streamlined process to create and expand businesses in Arizona. As a Commissioner Eric will focus on helping Arizona businesses grow and expand in Arizona. Taking care of our economy is crucial to making sure that Arizona is the best state in the union to live, work and raise a family. Find out more about ERIC SLOAN please go to EricSloan.com

The mission of the Arizona Corporation Commission is, "to power Arizona's future." The ACC is responsible for growing Arizona's economy, ensuring safe, reliable, and affordable utility services, enforcing an ethical securities marketplace, and modernizing a responsive government agency. ACC Commissioners establish policy, sit in judgment, and advocate on behalf of Arizona residents. Arizona has been my home since 1957. I've raised two sons, earned a B.A. and M.Ed from Arizona State University in Education, and served on the Cave Creek Town Council. My environmental commitments include board membership on The Black Mountain Conservancy, advocating for the Spur Cross Ranch Conservation Area, as well as, the McDowell Sonoran Preserve, and volunteering with the U.S. Forest Service. During my 40+ years, as an educator, I worked with the local teacher's union on behalf of educational staff and with families from a variety of cultural and socioeconomic backgrounds. My responsibility, as an ACC Commissioner, is to represent the residents of Arizona. My role is to focus on the ACC's Constitutional oversight responsibilities; this includes engaging in decisions for renewable energy solutions to ensure a healthy environment. Together, we must elect individuals who are committed to building a sustainable future for Arizona.

Candidates for Corporation Commissioner

Anna Tovar

Party: Democratic

Campaign Funding: Participating

Website: tovarforarizona.com

As a legislator, Anna earned a reputation as a leader who fought for her constituents. Anna is a two-time cancer survivor and recipient of a lifesaving organ transplant. Because of her experience, Anna made it her mission as a state legislator to restore funding for nearly 100 patients on the transplant list – and she succeeded. In 2013, she won election to the State Senate and in 2016, Anna was the first woman elected to be Tolleson’s Mayor, where she continues delivering results for her hometown. Regardless of her role, the one question Anna always asks herself before making any decision is: will it be good for constituents and the future of our state? It’s why she is now running for the Arizona Corporation Commission. She believes that far too often, many of the Corporation Commissioners have forgotten about who they were elected to serve: the people of Arizona. Anna wants to restore transparency and integrity to the Corporation Commission, and she will fight to protect consumers and promote renewable energy so we have a strong and sustainable future. She is asking for your vote so she can be a voice for all Arizonans.

“Legislation Should Be About Good Policy and Not About Politics” Living in the Prescott Area most of my life, it’s my honor to have served LD1

in the House and currently as the President of the Arizona Senate. I am the owner of a small highway construction company for 35 years, past Prescott City Councilwoman and Chino Valley Town Mayor. I have introduced bills ranging from expansion of JTED Education; eliminating business regulations; worker comp fraud; water harvesting; Yarnell Hotshot State Park; highway infrastructure; reducing government waste and overreach. This legislation has resulted in over 40 legislative awards including Az. Chamber of Commerce Legislator of the Year; Az Capitol Times Legislator of the Year in Public Policy; Champion Az League of Cities & Towns; Golden Apple Award and Hero of the Taxpayer. I will continue to fight for the citizens of Arizona; our rural communities; water issues; education funding; our ranching and Ag industries and ensuring a balanced budget with sound investing policies. I appreciate the trust and confidence you have place in me and ask for your continued support and vote.

For ten years I served in the Arizona Legislature, where I won numerous awards from conservative, pro-family, pro-2ndAmendment, and pro-taxpayer groups. I was a top-ranked conservative who said NO to the big-spending establishment. Then I returned to the private sector where I have enjoyed playing with my grand-kids and working in the community. With two open seats in the House, I was approached by a great number of people who wanted a real conservative choice, someone they could count on to do the right thing. They asked me to run again and I agreed because I can feel our great State drifting to the left, thanks to an increasingly aggressive Democratic party, and some Republicans who would rather work with the left than fight them. Liberals want to increase our taxes and take our freedoms – I won't let that happen. You get two votes for State Representative and I'd be honored if you would cast one of them for me. You have lots of choices, but only ONE with an actual record of fighting for secure borders, low taxes, the Constitution, and YOU! God bless our President and the United States of America!

I'm a proud Trump Republican who believes in secure borders (which means a real wall!), a strong economy, low taxes, safe neighborhoods, and defending liberty. I'm pro-gun, pro-Constitution, pro-life, pro-school choice, and pro-Arizona. My story is the typical American dream. I'm a LEGAL immigrant who was rescued by America at a young age, I taught myself English, worked my way through college, then went to work for Northrop Corporation, helping to keep our country safe by working on programs like the F-20 and F-18 fighters. Nearly twenty years ago my wife and I fled increasingly socialist California and settled in Arizona, where we have raised our family, started a business, and got involved with our wonderful community. We instilled in our kids the values of education, work ethic, and national pride. My son graduated from the University of Portland and my daughter is a Midshipman at the U.S. Naval Academy at Annapolis. With the nest empty, I've answered the call to give back as your State Representative. If you want a rock-solid conservative who will take his oath to defend our laws and our Constitution and mean it, then I ask for one of your two votes. Thank you!

“Southern Arizona is a beautiful place to live,” says Rosanna Gabaldón, “I bring Experience, Integrity and Effective Leadership to my public service. It is an honor to take ideas from Southern Arizona to the State Senate because that is what Arizona needs; a little common sense and straight from the heart. Serving at the State since 2012, I am known for my work with the local stakeholders, school boards, and business partners to bring together successful opportunities for growth and economic development. I believe in creating opportunities and prosperity by supporting and encouraging public education and business development efforts. I will continue to work diligently to protect Arizona’s unique environment and to protect our most vulnerable. Most importantly, I serve my community by volunteering my time and skills for various boards and organizations. Together we have successfully brought the collective energy and leadership necessary to shape the future of our State by advocating for public education, economic development, and water sustainability.”

Andrea Dalessandro was a career educator for over 25 years. Her second career was as a CPA/Tax Accountant. Since 2008 she has run for the legislature to fight against the systemic defunding of public education. She serves as the Ranking Member of the Senate Education (K-12) Committee where she fights for Charter School reform and against the expansion of vouchers. She has been recognized for her support of Community Health Centers and coverage for children, fighting against hospitals charging exorbitant fees for things not covered by insurance and higher costs for Medicare recipients with pre-existing conditions when changing Medigap providers. Andrea's work on the Senate Judiciary Committee has focused on voter protection advocacy. Senator Dalessandro was one of only four legislators to receive an A+ on the Sierra Club's Report Card in 2019. She is the State Lead for the National Caucus of Environmental Legislators and she recognizes that climate change is a real threat. Andrea Dalessandro's eight years of experience and proven leadership in the House and Senate will serve her and her constituents well when the Democrats take control of the House. This woman's place is in the House where her strong progressive voice will fight for you.

My name is Daniel Hernandez Jr. and I am your Democratic State Representative covering Southeast Pima County and Santa Cruz County. I

have been an effective lawmaker fighting for our progressive values. I led the coalition to repeal the anti-LGBTQ "No Promo Homo" law. I also worked to stop guns in our schools. I've held my Republican colleague to task on anti-woman, anti-worker, and anti-democracy legislation. I fought for and was able to secure over \$3 million in urgently needed funds to keep the doors open of the Santa Cruz Valley Regional Hospital in Green Valley during the current crisis. I also fought and was able to secure \$1 million for the Holy Cross Hospital in Nogales. In 2019 I was able to secure \$20 million for school counselors and social workers at our public schools. I was the Women's Healthcare Champion for 2019 for the American College of Obstetricians and Gynecologists. I was also awarded the Barbara Jordan Progressive Leadership Award for his work in Arizona from the People for the American Way. I want to continue being your voice at the capitol and hope I can count on your vote to keep up the fight!

As an elected representative, it is one's duty to: protect your constitutional rights, represent local district interests, and to scrutinize the work of government for accountability as part of checks and balance. A representative can also draft, introduce and vote on legislation. It is NOT a representative's sole duty to raise revenue through taxes or seek federal subsidies that indebt our state. However, some do because it is easier than finding solutions to problems such as education funding, employment availability, healthcare, poverty and hunger. For too long, representatives have believed their duty is to introduce legislation and make more rules and regulations which restrict your freedoms and create debt. It's not a contest of who passes the most legislation or who gets the most community awards. Representatives are defenders of your civil rights and guardians of constitutional rights for every American. As a Conservative and Constitutional Republican, I will defend the right of every child to have school choice, for Americans to freely practice their choice of religion and follow their convictions. I support our veterans, law enforcement and strong border control. I support fair trade and immigration policies that keep families safe and together.

I am Senator Sally Ann Gonzales. It's been an honor to serve my LD3 constituents for the past 10 years. My mission has been to advocate and protect our most vulnerable citizens; our children and elders. Now more than ever will this be most crucial, as our country and state go through these uncertain times and then start the recovery from the Covid-19 pandemic. I will continue to work to provide a safety-net for all our citizens impacted by Covid-19, in areas of health, employment loss and the disruption of our children's education. Fulling funding our public schools while improving the working conditions for our dedicated teachers is a must. I am also committed to expanding vocational opportunities and upgrading our workforce by funding and supporting programs like JTED. It is essential that our three universities/community colleges be recognized, treated and funded as engines of economic development in Arizona. In closing, clean air and water are essential to the well-being of our citizenry therefore, Arizona must have strong laws to ensure the protection and improvement of our environment. To further my work on these causes, I humbly ask for your continued support on November 3, 2020.

Hi! I'm Andrés Cano, your current State Representative. I'm a 28-year-old progressive Democrat, and a first-generation college graduate who was raised by a single mom. I ran for office because I was tired of Arizona making headlines for all the wrong reasons. For example: our state is last in K-12 spending, we spend more money sending people to prison annually than on our entire university system combined, housing isn't affordable, and our environment is more at risk than ever before. While Governor Ducey and my GOP colleagues refuse to accept responsibility for the mess we're in, I won't sit silent. I'm not done holding them accountable-- and that's why I'm running for re-election. As we recover from COVID-19, we must embrace an Arizona that lifts up working families and small businesses. With your support, I'll continue advocating for high-paying jobs, a strong economy, increased teacher pay and classroom spending, criminal justice reform, infrastructure repairs, and expanded health care. I humbly ask for your vote to be re-elected as your State Representative. Learn more at AndresforArizona.com. My personal cell is 520-301-6162. Since 2013, I have been honored to represent State Legislative District 4. During my time at the legislature, my priorities have focused on

Arizona's critical water issues and water management, increased funding for public education and access to affordable health care. Now, with the COVID-19 pandemic and the uncertainty it has created, I believe we need to focus on:

- The health and safety of our community, essential workers, students and families using science based methods.
- Creating a small business grant fund to restart/support small businesses recovering from COVID ramifications.
- Investing in broadband and addressing the digital divide in rural areas and tribal communities.
- Adequate and sustainable funding for public education, a safe learning environment, student access to technology, and interventions for special education and struggling students so that nobody is left behind.
- Investing in critical Arizona infrastructure and working families.
- Closing tax loopholes and eliminating unnecessary tax breaks to corporations.
- Criminal justice reform.
- Continued efforts to address the critical water issues facing Arizona and water management,
- Continued support for agriculture which is a pillar of our economy and essential to feed our people, our state, our nation and, in fact, the world.

Charlene started her career in public service opening Congressman Ed Pastor's Yuma office, and later serving in Congressman Raul Grijalva and Governor Janet Napolitano's offices. She also served for 12 years on the Yuma Union High School Board. Since her 2014 election to the Arizona House of Representatives, Charlene's been one of the legislature's strongest advocates for public education, frequently pushing for more teacher and classroom funding from her position on the appropriations committee and as the House Democratic Caucus Leader. Her leadership was integral to the Drought Contingency Plan agreement in 2019, bringing states, tribal nations, farmers, and other stakeholders together to ensure a sustainable water supply for Arizona. Charlene has also championed quality healthcare by promoting affordable drug prices and opposing junk insurance plans. She's sponsored gun safety legislation to address the shooting crisis. Additionally, she's prioritized protecting our environment and addressing climate change for future generations. As a response to the COVID-19 pandemic, Charlene led the Democratic Caucus effort for better unemployment protections and paid sick leave for workers. Charlene hopes to earn your support in her re-election to represent your voice at the Arizona Legislature. Please vote for Charlene Fernandez for Arizona House of Representatives!

I'm Joel John, candidate for the Arizona House of Representatives in Legislative District 4. District 4 needs a representative who will prioritize your interests, someone with deep roots in the district. Our economy is powered by both small businesses and agriculture. We have unique education needs and hardworking people. It should be easier to run a small business and produce crops in our state. I will work to eliminate unnecessary roadblocks so our district's economy can grow. Our kids are top priority. I grew up attending our public schools in District 4, my kids attend public schools, and I'm a former public school teacher. We should have the best schools in the state right here in District 4. I will give you a voice in your child's education by returning more control to the local school districts where it belongs. Finally, I will protect our constitutional freedoms. I believe in our right to defend ourselves, the right to life, free speech, and religious freedom. As a husband, father of four, fourth generation Arizonan from a farming family, and CEO of a small agricultural irrigation business, I'm uniquely qualified to represent you. I look forward to serving you.

With 30+ years of experience in education, rising from teacher to superintendent to construction supervisor to consultant, I have much to

contribute to Arizona's educational crisis. Having a Doctorate in Education - Curriculum and Instruction; along with a Master of Science, Construction Management; a Master of Arts, Supervision and Administration; and Bachelor of Arts, Vocational Education means that I can relate to the struggles of the unskilled worker or the college graduate, the administrator wrestling a budget or the electrician wrestling with new city codes; the management of people and the management of materials. With a lifetime of experience, now is the time to capitalize on my experience and credentials to benefit the community. My top priorities are education; quality of life such as democratic participation, access to health care, a safe-clean environment, living wage jobs, affordable housing; reducing mass incarceration so that Arizona is Number One in Education not Incarceration. I bring my most important values of honesty and integrity to the issues in my district: water policy, roads and infrastructure, and stable employment. I currently serve as the Ranking Democrat on the Land and agriculture Committee; also, a member of the Education, State and International Affairs Committees.

As bad as our Federal Government has been, our Republican lead State Government has been the opposite – we've been cutting taxes, balancing our budgets, building up a rainy-day fund, growing jobs, looking after our military bases and veterans, and increasing school spending and teacher pay. Up until a few months ago Arizona was a national leader in job growth and population growth because people wanted to get out of failing states like New York and California and come to a great run state like Arizona. Of course, it helps that we are the #1 state for gun rights, the #1 pro-life state, and one of the top states for regulatory freedom. Now we face a long road back, thanks to the Wuhan Virus, but I am confident that what made Arizona a success before will help us lead the American comeback. With your continued support, I will continue working hard to deliver more success for our district and state. Thank you in advance for your vote and please let me know how I can better serve you. I moved to Kingman Arizona to open my first dental practice in 1993. I continue to maintain my license to practice while I serve the state. I have been a State Representative since 2015. The first four years in office, I was Vice Chair of Health and Human Services. My second term I Chaired the sub committee Appropriations of Health and Human Services. For the last two years I Was Chairman of the House Appropriation Committee. During my 27 years as a dentist in Az. I have experienced increase regulation and restrictions and in 2015 decided I wanted to be part of the solution to reduce undo burdens on small businesses. I have actively supported and sponsored legislation to achieve my goal as well as reduce taxes. I was voted the most fiscal conservative republican in 2019 by the Republican Party. The economic progress of our state and district is also very important to me. Water, infrastructure and maintaining viability in my district have been on the forefront of my legislative career. By staying connected with my constituents and community leaders, I have maintained the pulse on my district and their needs.

I am running as an Independent because dysfunctional and divisive party politics are not solving Arizona's problems. Good ideas on issues such as teacher pay, water adequacy, job creation, and economic revival don't come from just one party or perspective. A respected and effective Independent will be uniquely positioned to support good legislation no matter which side of the aisle it comes from. As a small business owner with 15 years in local elected office, I have built trusted relationships with a wide range of individuals and organizations. My "big tent" approach has earned me the support of the Professional Fire Fighters of Arizona, Arizona Education Association, Arizona Technology Council, and many regional leaders. The Arizona legislature needs people with practical experience solving real problems at the local level. I bring a record of leadership in forest restoration, education, water resources, and small business development. Too many legislators are bought and paid for by dirty money from outside interests. I take no corporate PAC or party money and will answer to taxpayers -- not money and power. If you want politics done differently in Arizona, send someone different to do it. Together let's build an Independent bridge across the partisan divide.

The Rim country needs a strong advocate at the legislature where our concerns as rural Arizonans are easily lost in the shuffle. I'm proud to have served you in the state legislature and hope that my hard work has earned me your continued support. I love being able to have effected positive change for our district and our state. The hard work has paid off as more and more companies choose Arizona as the place to relocate. I have enjoyed working to secure additional funding for our local community colleges; taking care of our veterans; helping our first responders; funding our transportation/infrastructure needs. I served as Chair. of Land, Agriculture, Rural Affairs committee; Vice-Chairman of Energy, Environment Natural Resources; Chairman of Rural Caucus. The role of the government is not to create jobs, rather to facilitate a business environment in which job creation may flourish. To that end, we should consider reducing the burden of unnecessary regulations on business and ensure a well-educated and prepared workforce inventory for building a strong state economy coupled with the conservation of our quality of life in Arizona. My family has lived in Northern Arizona for four generations. My grandfather moved his family to Flagstaff in the 1940s to work as a lumberjack. I still live here with my daughter in the house he built. I first ran for office because the local government wasn't listening to the people they represented, and for the last 12 years I've had the great pleasure of public service. I've seen people come together to support each other, to support our schools, churches, and institutions, and to create home-grown solutions to local issues. Together, we brought a Veteran's Home to Flagstaff, helped incubate small businesses, funded after school care, and expanded library hours. I've seen education funding in Arizona fall to 49th place. I've seen small business owners fight obstacles to bring their dreams to fruition. I've seen the legislature pass legislation that prevents communities from solving their own problems. This is why I'm running for the Arizona State House. Our families deserve quality schools. Our small businesses need support to help them grow. Our cities and towns need the freedom to make their own decisions. Together we can preserve the spirit and character of rural Arizona—because we, too, are Arizona!

Arizona native, lifelong Democrat and a veteran. 116 years ago, my great-grandfathers met with President Theodore Roosevelt to annex the western part of the Navajo Nation onto the reservation. That leadership planted seeds of collaboration that grew family connections, sharing the Navajo language, which culminated in the experimental use of the Navajo language to ultimately win WWII. Utilizing the G.I. Bill, I attended Northern Arizona University, earning both a BA and MA degree in History and Educational Psychology. I am the Senator for Arizona's Legislative District 7 and a former House Representative (2013-2014).? My bipartisan accomplishments include passage of Arizona's Native American Day, a recognized state holiday, passage of the Affordable Healthcare Act, passage of state aviation funding for tribal airports and negotiating in the teacher pay increase legislation of 2018. I have the knowledge, experience and leadership skills to restore and increase public education funding, advocate for affordable health care, address racial justice, policing reform and protecting Arizona's most vulnerable populations. This election is a critical for rural Arizona. Each voter must ask themselves: "Who will best represent me in the state senate?" T.J. Shope has a distinguished record of standing up for the people he represents. T.J. Shope knows education very well as a nearly 12-year local school board member, so he fought for AND DELIVERED increased teacher pay and pay increases for the support staff who make the schools run while the teachers teach! T.J. Shope strongly believes that rural communities must have healthcare that is affordable and available, so he has fought to keep rural hospitals open which is even more important in the COVID19 crisis. T.J. Shope also fought for policies that helped bring desperately needed jobs to our area such as Lucid & Nikola Motors. For many years T.J. Shope has been a leading advocate for safe neighborhoods and has worked to provide law enforcement with the tools and the funding they need to get the job done. Your vote for T.J. Shope for State Senate will ensure that we keep an honest leader who is a real friend of the people and unafraid to fight for you! More information available at www.RealLeadershipAZ.com.

It's just my second term but I'm keeping my promises and delivering for the people. I'm a strong voice for rural Arizona, from rapidly growing areas like San Tan Valley to the smaller towns and communities that are often forgotten by other legislators. I'm protecting taxpayers, keeping our budget balanced, increasing school funding/teacher pay, and improving our water and transportation infrastructure, notably accelerating the completion of Highway 24 and developing the North/South corridor through Pinal County. All without raising taxes. As the only rancher in the Legislature, I'm involved in issues dealing with ranching, agriculture, and water. Fighting for what's right made me a target of ugly lies and attacks, but I won't be scared off. I've won awards and recognition from pro-family and pro-taxpayer groups because of my record, and I'm one of the most effective legislators when it comes to getting real work done and bills passed -- like repealing the MVD fee. There are too many politicians at the State Capitol and not enough of us regular folks who do the jobs that make Arizona work. On behalf of my awesome wife Diana and our amazing kids, thank you for your support and continued trust!

I worked most of my career in rural, under served communities like the ones I hope to represent. My patients were migrants who worked the field or pregnant teens who were scared and needed support. In emergency rooms I saw patients who could not afford their insulin nor see a dentist. I saw how hard working people struggled to afford and access the care they needed. After I retired I knew, that as a state legislator, I could still make a difference in the lives of people in my district and state. Arizona needs legislators who understand the complex world of healthcare and can speak with authority, make pragmatic decisions and craft laws that will benefit children, families and people in need. Government should serve the people ,not just big business or give special interest tax breaks. I will work for fully funded public education, charter school reform, job training programs, a living wage for everyone, equal rights,and access to healthcare everyone needs. I believe in ethics and accountability. I have always lived by this code of conduct. I will work for you and your family.

It has been my privilege to represent you in the Arizona State Legislature. I have lived in Arizona my entire life and have operated a farm and small business for many years. My wife is an educator. My son was born and raised here; the grandchildren live here too. In meetings with thousands of ordinary people in our district, they have told me about their concerns, and I take them very seriously. Three issues have repeated come up - education, jobs, and public safety. I have made working on these issues my number one priority at the legislature. I will continue to work to make our communities safe through adequate police and fire protection, continue my efforts to improve educational opportunities for all and to get better teacher pay and more resources into the classroom. I have received a lot of recognition for playing an important role in putting policies in place that attract jobs to rural Arizona. I will continue to work for policies to create more and better jobs in our district. You have my word that I will always put you and your family first in the State Legislature. I would be honored to receive your vote.

As a two-term Legislative District 9 Arizona State Representative and current Arizona State Senator in the minority party, Victoria Steele knows how to “work across the aisle” to get things done for Arizona. Victoria co-authored a bill creating a task force to investigate missing and murdered Indigenous women and girls with a signing ceremony in the Historic Capitol building. Out of the 300-plus bills signed into law, eight were Democratic-sponsored bills and one was Victoria’s bill to help sexual assault victims get needed restraining orders. It passed unanimously. As a member of the Senate Water and Agriculture Committee, she was involved in passing the Drought Contingency Plan by the deadline. Victoria helped to pass a Republican bill giving the survivors of child rape until age 30 to sue in civil court, also giving those victims that were time-barred and past the statute of limitations dates a 1-year window. Now, she is asking Arizona voters to re-elect her to the Arizona Senate to continue to work to continue the work that still needs to be done and a dependable voice for those without one. In these times more than ever, Arizonans need the experienced, steady, Steele Resolve that Victoria brings.

As a physician and surgeon as well as retired medical school professor, I believe policy makers must use science and data when creating policies promoting health and safety and mitigating the damage of COVID-19 on Arizona's economy. As a state legislator I believe it is the state's responsibility to ensure the core values of equality, opportunity (including equality of opportunity), and safety are reflected in its actions. During my tenure at the legislature I have worked to support appropriate funding for public schools. I will continue to make appropriate funding and support for public schools a priority if re-elected in 2020. I also stand for a woman's right to make her own healthcare decisions, responsible gun safety legislation, access to quality healthcare, the ability of cities and towns to self-govern without undue preemption from the state, protection of our environment and natural resources, ensuring that exercising the right to vote is not restricted, and supporting infrastructure in Arizona (roads/highways/railways, technology growth, water conservation, as well as K-12 education and our Universities). I believe that by supporting and growing Arizona infrastructure, small businesses will prosper, and corporations will expand in Arizona creating job growth and a robust economy.

Brendan Lyons is an energetic and results driven candidate. Over the past decade, he's earned a positive reputation as a community leader and has developed a track record of winning quality of life improvements for Arizona. His journey into public service began when he fulfilled his childhood dream of becoming a firefighter. As a public safety advocate, he became concerned about distracted driving after responding to far too many crashes. In 2012, he launched "LOOK! Save A Life" in Southern Arizona, which fosters an environment of safety for all who utilize our public roads. A year later, he became a statistic of the very message he was advocating; struck from behind by a distracted motorist while bicycling. As he recovered, he threw himself into fighting for tougher laws against distracted driving, putting pressure on local jurisdictions throughout the state to adopt policies to make our roads safer. In April 2019, Governor Ducey signed Arizona's Hands-Free bill into law. Brendan holds a Masters in Public Administration focusing in Collaborative Governance. Southern Arizona deserves a brilliant future and Brendan Lyons will continue to be a results-driven leader who works across party lines to deliver on issues that we ALL care about.

When I ran for the House in 2016, I promised to be the voice of the people. I believe that the Legislature should work for the people and should fund the People's To-Do List: education, infrastructure, healthcare, and security—and not the corporate wish list. If we want high-quality public education and good-paying jobs, we must invest in future generations. As a member of the Ways and Means Committee, I am a strong voice against fiscal irresponsibility and continued corporate tax giveaways, while Arizona families struggle with housing, food, and financial insecurity. Long before the world was rocked by the novel Coronavirus, far too many Arizona children were living in poverty and suffering from the worst rate of Adverse Childhood Experiences (ACEs) in the nation. In my two terms, I helped negotiate the Arizona Opioid Epidemic Act, pushed for millions of dollars in COVID-19 funding, and fought for expanded access to affordable medical, dental and mental health care. I am a strong supporter of worker rights, unions, and the ERA. I am a Progressive Democrat and Clean Elections candidate. I don't take big money donations from corporations, special interest groups, or wealthy donors. I am your voice, not theirs.

My name is Mabelle Gummere and I humbly ask for your vote for House of Representatives in LD10. Tucson is my home, where I raised my son, sold homes to families, and then built and ran a small business. I work hard, solve problems, and know the meaning of value in our lives. Our children's education is a quagmire that is ridiculous and unacceptable. The value of owning a home is simply unquestionable. Government regulations should never bind our teachers and parents or our ability to build and own a home – and right now they do. Police and Military must be fully funded for our safety. I am running because I love Tucson and I love people and will always be available to talk and listen to you. I remember one of the happiest days of my mother's life was the day she received her citizenship. Her belief that anything is possible with hard work and dedication inspired me to become anything I wanted to be. I want to be your LD10 Representative and am asking for your vote. Taking the oath to represent you, as a first generation American, will be one of the happiest days in my life!

Serving the public is Stephanie Stahl Hamilton's calling and vocation. As the wife of a public middle school teacher and mom of three children, education has always been a top priority. She has spent her personal and professional life advocating for the needs of children in her community. Stephanie served on several TUSD committees, organized parents when her kids' school was on the closure list and was hired as Regional Lead for Save Our Schools in 2018. Through it all, she saw how the legislature has failed Arizona families, especially our most vulnerable populations and decided to run for office to create change. Born in Flagstaff, Stephanie spent her childhood years growing up on Navajo Tribal Lands. Tucson has been her home since 2003. As an ordained minister in the Presbyterian Church she spent 6 years working as the Executive Director of Montlure Presbyterian Church camp. Stephanie knows how to help constituents access the services they need and overcome the challenges they face. With an eye to the future, she is committed to putting in place policies that create opportunities for Arizona kids and families and safeguarding resources so that generations beyond will have what they need to succeed.

While serving our communities as a congressional staffer, JoAnna saw the struggles people continue to face. We deserve an Arizona where everyone can succeed, regardless of zip code – with access to quality public education, high-paying jobs, and affordable healthcare. With COVID-19, we need to follow the data for reopening our state safely and support our essential workers, small businesses, and those hit hardest by the pandemic. Our schools need more funding so that our educators have the resources they need to ensure that our children succeed. Folks need access to affordable healthcare, especially during a pandemic, and everyday Arizonans shouldn't be paying more in taxes. Instead, we need to stop giving tax breaks to corporations so that everyone pays their fair share. No one will fight harder for you than JoAnna. She understands the issues because she's lived them. JoAnna fought her way out of poverty, fought to protect our Constitutional rights, and she stands ready to fight for the people of Arizona.

It has been my privilege to serve Legislative District 11 for 6-years as the senior State Representative. I have kept the promises I've made to constituents concerning personal freedom, economic security, a debt-free future, safe streets and schools, and increased funding for quality education. My voting record shows consistent support for private property rights, school choice, parental authority, limited government regulation, increased education spending and payment of debt built up over the years before I entered office. This will be my 4th and final term as a State Representative, a commitment I made on the first day of my service, which was to live by statutory term-limits. If I am chosen once again to represent you, I will continue my work to protect your life, liberty and the pursuit of happiness. I will continue to pursue funding mechanisms that support quality education, infrastructure repairs, and improvements, and emergency services for law enforcement, fire protection, and emergency medical services. In conclusion, I will continue to protect the voting franchise of every Arizonan from suppression and nullification; I'll seek ways and means that will improve the job-creator environment and tax policy that leaves more income in constituent's possession.

My name is Felipe R Perez, MD. I have been serving patients in Arizona as a board certified family medicine physician for more than 11 years.

I'm running for office for the same reason that I became a doctor, I want to help people live long and healthy lives. I have seen the benefits of good healthcare. However, I have also seen our healthcare system fail so many of us. Just as important, I'm concerned about the failure of our current state representatives to protect the public and healthcare workers during the pandemic. But it doesn't have to be that way. As a physician, father, and neighbor working at the frontlines of healthcare, I'm speaking up because we need new representation that understands the needs of Arizona. If you think healthcare is important and envision better healthcare that is affordable and accessible to everyone, then vote for Perez, Felipe R for State Representative, the most qualified candidate to represent your healthcare needs in our state legislature. As your representative, I'll bring my expertise and proven record for independent, pragmatic, and sustainable solutions to Arizona's healthcare. Let's make Arizona stronger and elect a doctor to the house. Best Regards, Felipe R Perez, MD, FAAFP

Bret Roberts was elected in 2018 to represent us in the Arizona House of Representatives. During his first term, he has already established himself as a principled conservative who always stands up for us. He has taken the lead in cracking down on sanctuary cities in Arizona with legislation holding cities and towns legally liable for the damages caused by their sanctuary policies. Bret has also been a strong advocate for taxpayers and has supported efforts to reduce the burden that taxes place on Arizona families and small business. In his first term as a freshman he took on more responsibility than most by sitting on four standing committees. He is the Vice Chair of Regulatory Affairs and a member of the Judiciary, Commerce and Appropriations committees. In addition to being a member of the quarterly Joint Legislative Budget Committee. Between sessions his work was not finished as he accepted the responsibility of sitting on two interim/ADHOC committees. Bret is committed to advancing common sense conservative policies that strengthen our economy, protect small business, and bring good jobs to our state. Thank you for your trust, support, and opportunity to serve you. I ran for office as a business owner, and concerned citizen, promising to limit government and protect our Constitutional rights. I have a proven record of keeping those promises. I'm a top-ranked conservative in the Legislature and have been awarded Small Business Legislator of the Year, Hero of the Taxpayer, #1 for Constitutional Voting by the American Conservative Union, Free Market Champion, Top Regulatory Reformer, Guardian of Small Business, A rating by NRA, recognized for defending life, religious freedom, and Friend of the Family. I worked hard to pass a structurally balanced budget, improve our credit rating and business climate, dramatically boost K-12 funding and teacher pay. I passed legislation to eliminate politicians' pensions and to shrink government. Limiting government and protecting taxpayers means saying "No" to special interests who want to spend your money and take away your rights. This is an important election for Arizona. Lynsey was born in Port-au-Prince, Haiti. She believes that immigrants are part of the fabric of America. Specifically, Haiti has a long history with the U.S., dating back to the Revolutionary war, where Haiti fought alongside America to help it gain its independence. We are living in unprecedented times. Now more than ever we need a pragmatic leader who is not short sighted, but understands how to mitigate damages and have a balanced approach to legislation. Though women outnumber men in our district they have yet to be represented. We need leaders that look like our mothers, wives, and daughters so that their voices no longer remain silent and the issues unique to them are treated with dignity. The pandemic has placed a spotlight on the areas where our state is most vulnerable. Our schools more than ever must have the support that it needs to meet the needs of our students. Whether online, in-person or both; every child deserves a quality education no matter their zip code. I'm honored to serve you in the Arizona House where I've championed pro-taxpayer and pro-family issues and won awards for my work and voting record. Working with Warren Petersen and Eddie Farnsworth, we functioned extremely well as a team, protecting taxpayers, supporting Arizona families, fighting for secure borders and ensuring a stable, friendly business environment that has brought more jobs and growth to Arizona than virtually any other state. Eddie is returning to the private sector and Jake Hoffman has stepped up as the third member of our conservative team. Jake has an outstanding conservative record and will be a true champion of freedom. We have a contested primary, but this race is easy to figure out. All three candidates claim to be conservative. Only Hoffman and Grantham have proven records of casting conservative votes or working for conservative issues. Getting Arizona's economy back to where we were before the Wuhan virus will require a focus on what works – so elect the team you can trust to get the job done. It continues to be my honor to serve as your State Senator. I'm proud of how well Arizona was doing before the virus shut us down and I'm working hard to get us back on our feet. Arizona's economy and job market are recovering faster than most other states because we built a strong pro-growth economy. My conservative record is pro-taxpayer, pro-family, pro-life, and pro-Constitution. My focus continues to be limiting the size of our government while ensuring that what it must do, it does as well as possible. My family owns and operates a dairy farm in Buckeye and our 4th generation Arizona roots are deep in the soil. I'm grateful for the support of so many in our district, both in Maricopa and Yuma County. God has truly blessed our country and our state, but it's our responsibility to protect them both. Arizona is a national leader in job growth, school choice, educational improvement, and regulatory freedom. There are those who want to turn Arizona into California, so I will remain vigilant and steadfast to protect us from those bad ideas and dangerous policies. My experience, values, integrity, and commitment to serve make me exactly what LD13 and Arizona needs right now. As your Representative, I will work to improve our education system, make healthcare accessible and create economic opportunities for all Arizonans. I currently serve on the Agua Fria UHSD Board. Adequate funding is the single greatest problem facing our 49th ranked public schools. Arizona needs fully funded public schools to prepare students entering the 21st Century workforce. Post-secondary education needs to be affordable and accessible. In Arizona, 7 out of 10 jobs require post-secondary education. Whether it is college, technical school, or an apprenticeship we must help educate and prepare students to establish the economy we desire. COVID-19 highlighted how vital “essential workers” are to our economy. We must make healthcare a right for all and pay all workers enough to live with dignity on one job. I invite you, hard working people of Legislative District 13, to join me in building a better future together for all of us! It would be my honor to serve you as your State Representative!

I'm proud to be your State Senator, and never forget why I first ran for office, or who I truly work for. I ran to put an end to the liberal

establishment picking our representatives, and to make sure rural Arizona would have a strong voice to stand up to the Maricopa County special interest groups that can dominate at the Capitol. As your State Representative I was named Champion of the Taxpayer, Friend of the Family, earned an A+ from the NRA, turned our state's budget deficit into a surplus, increased education funding by billions, and helped turn Arizona into the #1 pro-life state, #1 pro-2ndAmendment state, and #1 pro-school choice state in the country, all while cutting regulations and growing jobs! Your values are my values! I was ultimately elected Speaker of the House, giving Southern and rural Arizona real influence, and making myself a target of the liberals in the media. Today, as the Senate Appropriations Chairman, that influence continues, and my mission is the same – to give you, our district, and Arizona my very best! I ask for your vote and thank you for the trust you have shown in me through the years. God bless!

I am running for Arizona State Senate legislative district 14 because I believe that democracy is best served by a vigorous discussion of the issues facing our state government. For too long opposing viewpoints are routinely ignored by our state elected officials. A strong multi-party system helps ensure that those in power are held accountable by the voters. Arizona must invest in public education that guarantees ALL students outstanding schools, build a modern infrastructure; stop tax breaks to special interests; allow local governments to govern; support economic fairness; champion diversity and inclusion, create an environment for sustained economic growth that provides good jobs and good pay checks for workers in rural Arizona while protecting our precious natural resources and environment; protect a women's right to choose; and ensure access to affordable comprehensive healthcare for all. I will work hard as your state representative to be a voice for southeastern Arizona counties of Cochise, Greenlee, Graham and Pima. I pledge to listen to everyone, respecting those that do not agree with me; representing all of you, ethically, honestly, effectively and professionally. Republicans have controlled the state legislature for over three decades. It is time for new leadership in southeastern Arizona.

I am an ardent supporter of public education and an advocate for a sustainable state education budget that adequately provides the needs of professional educators and the children they serve. Support for this education begins at birth, with early childhood development being a key component to successful schooling. I also believe that the education of adults is vital to the success of our community. This includes supporting Veterans and their issues at a local level, and acknowledging their sacrifice and importance as citizens. Good social programs are important to the success of any community, and in a country as rich as ours, no person should be living in poverty or fear, especially a child or senior. The social well-being of people in a community is intrinsically connected to a physically healthy environment, and a responsibility to the Earth that provides us resources. Therefore, I also believe that economic growth must be balanced by environmental awareness especially in an area such as ours that is dependent upon a finite source of water. I have every intention of doing my best to address these and other issues that focus on the worth of individuals and community.

Legislative District 14 needs a strong voice at the capital for rural Arizona. I have the leadership skills and experience to continue to be that voice.

JOB and Economic Stability of our state and local communities is high priority! I believe in LIMITED GOVERNMENT, LOWER TAXES, PERSONAL RESPONSIBILITY and in the FREE ENTERPRISE SYSTEM. I believe we have a duty and responsibility to SECURE OUR BORDERS, and enforce our laws to protect the citizens of Arizona. Border Security IS National Security. Other important issues include the PROTECTION OF PRIVATE PROPERTY and WATER RIGHTS... and in EDUCATION EXCELLENCE ensuring taxpayer dollars make it to the classroom to help students and teachers improve academic achievement. I will continue to fight for VETERANS ISSUES. I am PRO-BUSINESS, PRO-TAXPAYER, PRO-FAMILY, and PRO-CONSTITUTION. I am a successful businesswoman. I am a member of the Arizona Cattle Growers, Arizona Farm Bureau and am a Life Member of the NRA. As a recipient of Legislator of the Year from the Rural Health Association and other similar Awards from NFIB (National Federation of Independent Business) and Arizona March of Dimes I will continue to WORK FOR YOU! Hello people and neighbors of Southern Arizona. I want to acknowledge the urgency of these times we are all living through due to the effects of a global health crisis. Non of us is untouched, either because of the loss of a loved one the loss of a job or the loss of our everyday routines and relationships. Life is quite uncertain. But I feel we are a strong and resourceful people and we will be able to rebuild again, hopefully in a more caring and cooperative way. Now is our time to realize these ideals. The first order of the day is ensuring people are able to meet the basic necessities of life, supporting and urging our federal and state officials to enact measures that address these needs. We are the tax payers, we employ them, it is our money, we should be the first beneficiaries. The next thing is controlling this pandemic, which requires national leadership and local leadership. We know what needs to be done, stop the deadly denial. Once these things happen we can start rebuilding and creating a kinder, more compassionate and productive society. LETS GET OUT THE VOTE IT MATTERS!

It has been my honor to serve and represent Legislative District 14 for the past four years—the last two in leadership as Majority Whip. I remain a rural minded, plain spoken, conservative Republican who would be honored to receive your vote for the next two years. My focus continues to be the stability and productivity of rural Arizona. An education system among the best in the Nation; expansion of local entrepreneurs and expanding local businesses; supporting an environment that encourages jobs in Southeastern Arizona. Preserve a higher quality of life by securing our borders, stopping illegal immigration, properly utilizing and protecting our natural resources, and the preservation of the Constitutional freedoms that made our Country so great. Raised in an entrepreneur family I learned at an early age the value of free enterprise. Growing up in family businesses including restaurant, resort, retail, real estate, logging, farming, ranching, and the equine industries I worked with many sectors of the public. This afforded me an understanding how to effectively represent the district as we address and work through issues. I ask for and very much appreciate your support and vote to continue the work to strengthen rural Arizona. Thank you!

Arizona is my home. Both my husband, Joe, and I grew up and and raised our three daughters here in Phoenix. Now they're raising their families here in this great state. As your Senator I have worked to restrain the growth of government and the burdensome regulations unaccountable bureaucracies can impose upon Arizona families - stifling job creation, throttling state revenues and undermining our basic liberties. Funding the State's priorities – education, public safety and infrastructure – while achieving a structurally balanced budget is basic good government - but it is imperative that funding be outcome-driven and accountable. I remain committed to ensuring the billions spent each year yield the outcomes we want to see in Arizona – a better educated workforce, safer families, less recidivism and more connection to the communities in which individuals can thrive. That is why I have prioritized expanding health care options and empowering parents to choose the health care and education they believe is best for their children - while protecting the lives of the most vulnerable. It is why I have consistently supported border security and your Constitutional right to bear arms. My hope is to continue to serve you in the Arizona Senate.

Throughout my career I have advocated for and prioritized students. I have dedicated my life to teaching our next generation of leaders and supporting them as they move from the classroom to the boardroom. That perspective and experience is missing at our capitol. As the mother of three school-age children, I see the drain in our education budget impacting students and teachers. As a university educator, I see the stress and hardship now associated with earning a college degree. Our public universities and community colleges used to receive much more funding from our state. In fact, our state constitution mandates that higher education be, 'as nearly free as possible'. We can do that and increase our K-12 funding by closing special interest sales tax loopholes. Additionally, we need everyday citizens to fight back against the corruption and special interests that have invaded our capitol. When our legislators stop working for us, we need to start electing new legislators. We have enabled the majority to write legislation which directly impacts their own business interests while deprioritizing the needs of everyday Arizonans. The majority party governs like it is beholden to large corporations, not the people it is sworn to serve.

What an amazing state we live in! Breathtaking beauty, affordability and economic growth are all reasons why I choose to live in Arizona with my wife and three boys. I'm a pro-life pro-freedom conservative that will stand up for limited government, individual liberties and pro-growth policies. I love this state and I know this district well. I grew up here! I attended public schools in PVUSD from Kindergarten to Senior year, GO HUSKIES! We must demand high quality, high performing schools and ensure every parent can choose the best school for their child. I went back to school while working to get my Masters Degree in Public Administration at GCU. In addition to education I also value service. I served eight years as an Army Officer, leading a team of Soldiers in Afghanistan as a Captain in 2008. My professional experience consists of management in retail, healthcare, non-profit and government sectors. All of those experiences culminated in me running my own business, a local junk hauling and recycling company called Junk King. Above all I want to protect and grow this great state. If elected I will keep a mentality of servant leadership at the heart of everything I do.

His ancestors instilled in him the importance of commitment, loyalty, and hard work. It was Justin's time on his family's farms that showed him the importance of having a pro-business environment for the economy to thrive. He got his start in politics/government in 2004. From there, he served in state policy and grassroots positions in Oklahoma, immersing himself in how state laws impact us on a daily basis. Later, because of the amazing career and economic opportunities offered here, Justin decided to make Arizona his home. He served at the Arizona House of Representatives as a policy advisor for the Republican caucus where he learned the needs and priorities of Arizonans across the state. Justin holds a BS in Political Science and a Master of Public Administration from Arizona State University. Justin intends to bring principled, conservative, visionary leadership to Arizona's House to protect and extend Arizona's bright future!

Thank you for allowing me to represent you in the State House. With David Farnsworth leaving the State Senate, I was asked to run to ensure we'd have a solid conservative in that seat. I agreed to do so and will continue my work for you in the Senate. As always, I'll focus on balanced budgets and policies that protect and create jobs, strengthen education and improve results, protect our 2nd Amendment rights, defend the Constitution, protect the unborn, fight for border security, advocate for veterans, and more. And while these issues matter a great deal, the most important part of my job will be championing those of you who need someone in government to care, to listen, and to act. Arizona had one of the top economies in the country before the virus shut down, and we have one of the strongest recoveries because we made Arizona a great place to live and work. As liberals flee high-tax high-regulation states like California, an increasing number are settling here in Arizona. The liberal media loves to complain about our conservative policies, but the people of America vote with their feet, and they're moving to Arizona for good reasons!

As a first-generation American, I have an immense love for our country. I cherish the freedoms, opportunities, and quality of life our great country and Arizona offers. After attending graduate school at ASU, I started a small business in Chandler and I know that small businesses are the backbone of our economy. I'm going to use my community and business experience to help reduce red tape for local businesses and create quality, good-paying jobs that strengthen our communities. A vibrant economy is essential for our bright future. The love of my life is a teacher in public schools. I know how hard teachers work, using their own time and money. Our kids, our teachers deserve our utmost attention and respect. We need to fund our schools sufficiently and must pay our teachers well. As an Arizonan, I believe all of us should have access to a great education, to a great healthcare system, and to thriving communities. Living in Chandler, owning my own small business, and now running for office—this is my American dream. I am excited, motivated, and ready to work for you. I would be honored to have your vote for the State Senate.

As your legislator I've written laws that helped create jobs, supported our small businesses by cutting bureaucratic red tape, protected health coverage for Arizonans with preexisting conditions, directed more money into our kids' classrooms, created the Teacher Academy at our universities, helped employees get wages rightfully owed, protected survivors of domestic violence and sexual abuse, confronted the opioid epidemic, shielded seniors from financial exploitation, promoted veteran-friendly college campuses, and increased savings for the state's rainy-day fund (proving crucial during this pandemic). For these accomplishments I've won Guardian of Small Business, Champion of the Taxpayer, Friend of the Family, Open Government Leader awards and more. I even had the honor of being elected Arizona Speaker of the House, where I crafted fiscally responsible budgets and personally sponsored the largest education investment in state history, dramatically boosting teacher pay 20%. Now we face historic health and economic challenges that require someone with the right experience and a track record of success to navigate. That's why I need your vote. Let me continue using my diverse background, which includes husband (to a registered nurse), father, professor and small business owner, with master's degrees in business and public administration, to keep delivering you results.

Arizona's an amazing state but the things that make us successful are under attack. Jennifer Pawlik ran as an independent but voted in lockstep with Democratic leadership AGAINST higher education funding, AGAINST higher teacher pay, and AGAINST the policies that make Arizona one of America's strongest state economies. Why elect Jeff Weninger to vote for good bills and Pawlik to go and cancel his vote out? I'll work with Jeff to protect school choice, teacher pay increases, and strong K-12 support. I'll advocate for secure borders, enforcement of our laws, and safe neighborhoods. I'll focus on safely and fully reopening our economy, attracting jobs, and opposing Democrat efforts to defund our police. And I'll protect your 2nd Amendment right to protect your family. As a servant leader for the last several decades, I'm committed to you and I'll work tirelessly to get the job done! I'm a wife and mother, blessed with three great kids. I've worked in real estate for the last 15 years and served in a variety of community and industry positions. Jennifer supports high-quality early childhood education, funding career and technical programs, and making college affordable. These are all things to build a well-prepared workforce to attract and retain businesses to Arizona and boost the economy. Arizonans should have access to affordable, quality healthcare and mental health services. No one should have to choose between healthcare, food, and shelter. Arizona's children deserve to learn in a safe environment that can be created through respectful discussions about guns and school safety. She does not want to take guns away from law-abiding citizens who use them for hunting, recreation or protecting their families. I am to proud to represent District 18 in the State Senate. I grew up in our community and am a product of our Kyrene and Tempe Union public schools. During my time in the Senate, I've focused primarily on restoring education funding and working across party lines to govern in a bipartisan way for our community, and I have the record to prove it. I have supported pay raises for our teachers, supported laws to help our small business community, and passed multiple bills into law to increase mental health support in our schools. I have been named the most bipartisan member of the State Senate, and will always work across party lines to get things done. Our campaign has been *unanimously* endorsed by small business groups representing our community, our firefighters and public safety officers, education groups, and our health care frontline workers. While I have a proven record of bipartisan leadership and putting our community first, my opponent is a conspiracy theorist who supports the QAnon conspiracy theory, is anti-vaccines, and has called COVID-19 "planned" and a "plandemic." I'm running for State Senate because so many people have been frustrated at our current State Senator's insistence on doing things the

"Democrat" way when what we need is someone who will vote for good bills and ideas regardless of who came up with them or what party they belong to. He ran as an independent and moderate and turned out to be just another liberal partisan. My issues are simple – improve education by ensuring proper funding and insisting on results. Let parents decide where their kids can go to school and give them lots of options. Support our law enforcement and first responders to keep us safe. Work with the federal government to win the fight against illegal immigration. Legal immigration is great and we all know people who did things the right way, but illegal immigration needs to end. Block efforts to raise our taxes or expand the size of government. I'm a Mom, a concerned citizen, and someone who is stepping up because common sense needs a champion in the State Legislature. During this pandemic, we are worried about our children and their education, our jobs, grandparents, essential workers' health, and our favorite local businesses. I hear you, and as your State Representative, I am working to help. Vision: With an innovative spirit, we can create a brighter tomorrow by prioritizing what matters, today: • Good jobs and good health go together. We cannot solve one without the other. • Great schools • Clean air, water and a healthy environment Past legislators cut education funding in the last recession, and it has never been restored! Our budget must be balanced, but not on the backs of our children and teachers. Not again. Experience and skills: As a computer systems analyst and your State Representative, I have built consensus and developed sensible solutions. I always prioritize seeking out your views and expertise in creating a successful path forward. I have: • Formed a Neighbors Council that passed Jake's Law • Established family caregiver grants that help seniors • Served on the Kyrene School Board '05-'08 • Experience in large businesses and running my own small business I will apply my business analytical skills and team-building experience to form a collaborative plan for our brighter tomorrow.

One doesn't need a crystal ball to see the future of our state and cities if the electorate continues its leftward trend. To see that voting blue will be followed with crying the blues, one can simply look at the "largely peaceful protests": havoc zones of marxist-led organization BLM assisted by Antifa and sundry amateur rioters burning, vandalizing, looting, assaulting, and generally causing havoc in Democrat strongholds Seattle, Portland, Chicago, etc., enjoying immunity, crowned with the spectacle of a couple defending their home--abandoned by police--only to be arrested and have guns confiscated later when it was safe for the police to arrive. As with Democrat embarrassments like slavery and Jim Crow, they would like to blame all police, Republicans--anyone but themselves. See through the moderate sounding and appearing candidates in this race who are obsessed with "progressing" us into what events of this year have showcased are the fruits of socialist, anti-life, anti-chastity and anti-religious-freedom Democrat ideology. I'm a teacher as my day job, so no one is surprised that I work hard on education issues – but I'm equally passionate about protecting our first responders and other critical priorities like child welfare. We recently completed increasing teacher pay 20% as promised, even as nearly every Democrat in the legislature voted No on it. We increased Education funding by billions (while again the Democrats voted NO), and we built up Arizona's Rainy Day Fund to one billion dollars to be ready for an economic crisis. Now we're leading the nation in our economic recovery from the virus shutdown because we did what was necessary before anyone even knew a crisis was coming. Shawanna has proven herself worthy of re-election by standing for the principles of limited government, free enterprise, individual liberty, and fiscal responsibility. I encourage you to support her return to Arizona Legislature."~ US Senator Jon Kyl As your legislator, I successfully spearheaded one of Governor Ducey's legislative priorities—dedicating a day to civics education; collaborated with the Attorney General on consumer protection laws; helped obtain grants for nonprofits who assist victims of human trafficking; supported the final two installments of the 20 by 2020 promise to fund teacher salaries; helped pass a responsible budget reflecting our new fiscal realities; and worked across the aisle on criminal justice reforms. I will continue to fight to keep small businesses alive. Many Arizonans have lost their jobs, homes and economic livelihoods. I am committed to helping Arizona's economy regain its footing by putting people back to work so we can thrive again. As Arizona begins to recover from the Covid-19 virus and the damage it did to our economy, I'm working hard to protect the taxpayers, maintain a balanced budget, protect our schools, and keep Arizona's economy one of the strongest in the country. We were better positioned than most states to deal with this crisis because we have been responsible with our spending, we built up a \$1 Billion Rainy Day Fund, and have taken steps to support an improved and expanded health care industry here in Arizona. In addition to getting Arizona back on its feet, I continue to keep my campaign promises – including supporting law enforcement and first responders to keep our neighborhoods safe, increasing K-12 spending and boosting teacher pay (it was tough to do because EVERY House Democrat voted NO), and protecting our Constitutional rights. I've been awarded the Liberty Award, Friend of the Family Award and Hero of the Taxpayer Award. My wife and I love the West Valley and Arizona. It is my honor to serve you and ask for your vote so that I can continue to work hard on your behalf, listen to your concerns, and do my best for Arizona. Thank you!

Now more than ever we need leaders who are working together to rebuild a strong, safe Arizona. I've spent my life in our district listening and working together to get things done as a mom, community leader, co-founder of Theater Works, and teacher for 27 years at Greenway and Cactus High Schools. Now, as a candidate to represent us, I share my neighbors' priorities. We want smart investments in our schools, including career training, so that every student gets a great education; and affordable, quality healthcare for Arizonans of all ages. No one should have to go bankrupt because they get sick. I never imagined I'd run for the State House, but our legislators aren't listening. They've prioritized tax breaks for special interests that put the burden on the rest of us, created a critical teacher shortage, and voted against protecting people with pre-existing conditions. A healthy, educated workforce is the foundation for a strong economy and the good-paying jobs and opportunities we need right now. I've earned the support of teachers, students, nurses, doctors, labor groups, business owners, and others because they know I will work together responsibly so that every Arizonan gets their chance to thrive.

In these uncertain times, our district needs steady, tested leadership. It's been an honor to serve as your State Senator and be elected by my colleagues as Senate Majority Leader. During this time, I have prioritized education, giving teachers and parents more say over the educational process and choices. I have championed policies that promote economic growth and public safety. I've worked on issues important to my constituents, such as honoring our Veterans by renaming a bridge to Veterans Bridge, championing the Caregiver Grant Program for our Seniors, and providing PTSD treatment for our First Responders. Because of my work I've been awarded the Legislative Spirit of Community Leadership award, Champion of the Taxpayer and Friend of the Family, because of my commitment to the taxpayers and families of my district. Please visit VoteRickGray.com for more information and don't hesitate to contact me with questions, or if I can be of service to you. Like you, my wife Lisa and I love Arizona, especially the West Valley, and are blessed to call this home. I ask for your vote and plan to continue working to make Arizona the best place to have a business, raise a family, vacation, and retire.

I am an independent thinker who puts people over politics. I answer to the people in my district, not to outside special interests. I am a well-established community leader with a reputation for inclusive and effective leadership and creative problem solving. I am known as a steadfast champion for public education, and I use my energy to support the military, economic and workforce development, and access to affordable health care. My retired businessman husband and I have two successful, adult daughters. I help care for my mother, who lives in a nearby senior community. My experience as a teacher, school board member, and non-profit leader has equipped me to lead during challenging times and to make difficult decisions to ensure people are protected and investments are strategic and smart. I am often described as hard-working and "practically everywhere." That's because I am dedicated to serving our community wherever I can help. My innovative thinking will help Arizona emerge from our current crisis, rebuild our economy, and become a better place for all of us. I will work across the aisle and across Arizona to ensure a brighter future for the citizens of our beloved state.

I've only been in the Legislature for two terms, but so far so good. I said I'd insist on a real balanced budget and that's what Arizona has. I said I'd work to lower taxes, limit the size of government, and reduce regulations, and that's what I've done. I said I'd make education funding a priority and we passed historic increases that dramatically increased K-12 funding (while EVERY House Democrat voted NO). I led the fight to protect Sun City homeowners against efforts to impose an HOA along with onerous fees and costs. Today, we're getting Arizona back on its feet after the virus shutdown and Arizona is a national leader in the recovery. Boosting our health care system and safely getting our businesses and schools back to full operations are my priorities. You get TWO votes for State Representative so please vote for Payne AND Pingerelli. Our opponent Kathy Knecht holds extreme partisan views and is campaigning against my record of increased school funding and teacher pay. We need solutions, not hardcore partisans posing as independent thinkers. I'm an Arizona native and Navy veteran. I've been married over 30 years with four children and eight grandchildren. Thank you!

Arizona's continuing prosperity relies on a foundation of opportunity and high-quality education, both of which require safe and secure working environments. I support law enforcement and real border security and I'll oppose any attempts to defund our police. I support tax and regulatory reforms that will spur renewed economic growth, add high-paying jobs and help Arizona recover from the impact of COVID-19. I support K-12 education and reforms that make academic achievement for ALL students the top priority and strengthen parental school choice. And I support career and vocational training to keep pace with workforce technological advancements. In contrast, our opponent Kathy Knecht, campaigns for higher taxes, and opposes school choice and options that empower parents and students. With thirty years of clinical and biotechnology experience I know quality healthcare is essential, and I'll support reforms that empower consumers by increasing access while lowering costs. These are the principles guiding me if elected State Representative. I've been married 32 years and have two daughters. You get TWO votes, so please vote Pingerelli AND Payne. Elect a team that will work together for better schools and healthcare and a stronger economy. Thank you!

As your State Senator I've put taxpayers and families first. I advocate for secure borders and an end to illegal immigration. I have a 100% pro-life and pro-2nd Amendment record. I've earned the "Friend of the Family" and the "Hero of the Taxpayer" awards and have led on education funding and teacher pay increases. The Wuhan virus knocked our economy down for a while, but Arizona is already one of the nation's fastest recovering states because we had built such a strong economic environment. Our state was among the best prepared, with a \$1 Billion Rainy Day Fund, a low tax and regulatory burden, and a pro-growth environment that keeps government out of the way and lets the free market do its thing. Getting our schools and businesses safely and fully reopened is our top priority. I've opposed special interests and voted NO on bad bills that had powerful friends, but I'm happy to do so. I work for you and will keep my commitment to limited government and conservative values. I'm running as a team with Ben Toma and Frank Carroll and am glad to work with such outstanding and hard-working partners. We ask for your vote!

IF NOT, then please vote Wendy Garcia for a better future. I want to represent you at the Arizona Capitol because the politicians are not listening to the voters like us. The incumbents pay more attention to money than people. Nothing demonstrates this failure of Arizona’s incumbents more than the corona virus pandemic, and their tragic response to it. As I write this candidate statement our state economy – and the national economy – is in spasms caused by the public health crisis of Covid-19. By the time you read this, I hope a more “normal” daily life will have resumed and that you and your loved ones are well. This economic disruption brought into high relief the inequities of the previous status quo - in housing, health care, and education to name just a few. It is not news that there is inequality – what is news is that it is now so much more clearly seen. And what is now seen will not be unseen. Clearly, I am not a politician. I’m an Arizonan who recognizes our individual well-being is woven tightly with our collective well-being. Favoritism and special interests have starved our schools, fragmented our health care system, filled our prisons, and left too many behind and without a path forward. As a teacher my students learned about the five “Cs” that defined Arizona’s economic history – cattle, cotton, copper, citrus and climate. As your Representative I will honor that history by making sure our political future is defined by the three “Cs” of competence, character, and compassion.

I'm a husband, father, small-business owner, and committed conservative. I spent a term on the Peoria City Council because I disliked how the special interests ran the city at the expense of the people who lived there. I've brought that same focus to the State House. We have cut taxes, balanced the budget, increased classroom funding and teacher pay, reduced regulations, and we had one of the strongest economies and job markets in the nation until the virus hit. Fortunately, we had built a \$1 Billion Rainy Day Fund to help us with these sorts of crisis and our state is designed for growth, so our focus is now on Arizona's comeback! I have a 100% pro-Constitution voting record and, as the father of five girls, am absolutely committed to protecting our 2nd Amendment rights. I'm running as a team because we have a proven record of working well as a team to protect taxpayers, limit the size of government, and protect our liberties. Let's work together to protect Arizona; let's get back to record growth and prosperity for both residents and local businesses.

My family moved to Scottsdale when I was ten years old. I attended the University of Arizona on a scholarship, finishing with a Bachelor's in Political Science from ASU. I worked at my father's furniture shop while taking business courses, eventually moving to California to pursue my MBA from UCLA. THAT'S WHEN I GOT THE CALL. Like many families, our business was hit hard by the Great Recession. My family needed me to come home to help out. I took a leadership role in our business which meant making some hard choices. It turns out they were the right ones and the business is stronger today. The responsibility I felt to my family's business is the same responsibility I feel to my state. Arizona is bottom five in the nation in education spending. Career politicians face ethics investigations. This isn't what we voted for! THAT'S WHY I'M RUNNING FOR ARIZONA STATE SENATE. Because we deserve better. Because we all know we live in an amazing state and it's time for that to be reflected in the numbers. Because we deserve a leader with vision. Dear friends, I'm running for my second term in the Arizona House of Representatives. We are in the middle of an unprecedented crisis, and many of our citizens face incredible hardship and uncertainty. As a practicing Emergency Physician, I have witnessed first-hand the effects of this virus on our population. As your current State Representative, I have heard from our constituents about economic devastation, from jobs lost to businesses shuttered. Despite all this, I am inspired and amazed by how Arizonans have pulled together, acted responsibly and shown compassion and kindness to one another. We will get through this together, and my sincere hope is that it will bring out the best in us. Our situation demands even more from our elected officials, and so I pledge to continue working hard to listen and to advocate for all of you. As we enter session next year, we will be tasked with guiding Arizona through difficult times and choices, and I hope to make you proud with my efforts. Thank you again for your support and consideration. Please be safe and healthy, Amish Shah, MD

I love Mesa and I love Arizona. But our elected Republican leaders are failing us. It's time for change. Let's take Arizona to where we want it to be, not keep it where it's been. Enough is enough. Education: our education system is fundamentally flawed. Our teachers are paid 47th out of 50 states for public K-12 schools. Your hard-earned dollars go into the pocketbooks of private companies rather than to our youth. Environment: We must invest in renewable resources ensuring Arizona leads the transition from fossil fuels. We can profit from our resources while ensuring future generations inherit a sustainable economy and ecosystem. Equality: All people are created equal. Black Lives Matter. Women are equal to men. All races, colors, and creeds should be paid equally and have access to the same resources. Join me and my thousands of followers who believe we must work across party lines to find solutions for 2020 and beyond. Make sure to review and vote your entire ballot. My parents, brother and sister all escaped from South Korea in 1978. The former South Korean govt tried for many years to see us returned and face the death penalty. That corrupt government finally gave up and I went from an asylum seeker, to a permanent resident, and later a US citizen. I know what freedom means and the hope and opportunity it can give anybody willing to work. As I became accustomed to the United States I worked hard and graduated from college. I then met my wife and was blessed with 2 boys. Now grown, one works here in the valley and one is serving in the US Army. I stand for freedom, liberty and justice. As your Senator, I am running for reelection to end the political and economic inequalities that push many Arizonans to work too hard to provide a better future for our families. For eight years as your public servant in the Arizona Legislature, I have fought to restore integrity and accountability in state government. Having grown up in poverty with a single mother, I know firsthand that individual success coincides with shared investment in education, infrastructure, health, economic stability, housing, and safety. These systems are especially crucial in times of crisis as demonstrated by the COVID-19 pandemic. We are at a critical moment. Arizona is on the verge of becoming a majority-minority state and yet our Latino youth continue to fall behind at devastatingly high rates. By not addressing the educational achievement gap, we are facing one of the gravest threats to our future. As the Chair of the Latino Caucus for four years, I have worked to tackle this head-on. However, the number one barrier to progress for all is the influence of big money in elections. That's why I am running with Rep. I am a 911 paramedic who has been on the frontlines of the COVID-19 crisis. Five years ago when I began working in emergency medical services, I knew the risks I would face, but never did I imagine that I'd be witness to a rapidly crumbling and overexerted healthcare system where too many lives would be lost needlessly, and where our Governor would openly portray us as expendable. In addition to being a first responder, I have served as a union shop steward, grassroots organizer, campaign manager, and the first Latina Chair of the District 26 Democrats. The ideas that compelled me to run have only grown more important in this tumultuous time. More than ever we must ensure everyone has equal access to healthcare. We must expand the rights of workers. We must strengthen our education system. And we must defend our democracy. I am running alongside Rep. Athena Salman and Sen. Juan Mendez as a part of your Clean Elections Team because we know sweeping changes must occur for all of us to succeed. District 26 is the last district to elect three Clean Legislators to the state capitol. We ask that you vote for all three.

The Loughrige family has been in Tempe since 1933. Bill retired as a Senior Special Agent for the US Customs Service after 35 years in Law

Enforcement. After retirement he has operated a PI Process Serving and Security Guard service. Active in the community, Bill is currently President of the Tempe Sunrise Kiwanis and the Walker Fire Protection Association near Prescott, AZ. A wage earner all his life, and part of a large active family, he believes a strong family is important. Freedom from governmental restrictions allows success and a strong culture. There is a place for regulation, but they should be aimed to allow growth. Government restrictions have made keeping a nuclear family together difficult and at the same time made access to help so restrictive that many people just give up and sometimes even end up on the street. Bill's platform is independent living and security for seniors and children. We need to know our children and seniors are safe and secure in their life and possessions. We need government to shore up partnerships with private organizations to provide food, shelter and safety for those that need it.

It has been an honor to serve as your State Representative and House Democratic Whip. I was born and raised in Arizona to a first generation American family from Mexico, Germany and Palestine, and graduated magna cum laude from Arizona State University with degrees in Economics and Political Science. My deep appreciation for our constitutional rights and cultural diversity inspired a lifetime of defending our most vulnerable people including forcing the prisons to supply feminine hygiene products to women behind bars, standing strong with educators during #RedForEd as an alumna of our public schools, and now fighting for the health, safety and lives of frontline workers and our communities during the tragic COVID-19 pandemic. My advocacy resulted in the Arizona Republic including me in their Top 10 Newsmakers in 2019 and the City of Tempe's MLK Diversity Award. I am running for re-election as a publicly-funded Clean Elections Candidate through direct support from voters like you. As the Ranking Member on the Elections Committee, I've seen our democracy attacked by traditional politicians backed by outside dirty money. I am honored to run alongside Sen. Juan Mendez and Melody Hernandez as your Millennial Clean Elections Team. Please vote for all three.

My name is Marcus Sifuentes, and I am a Clean Elections candidate for the Arizona House of Representatives in Legislative District 26. I am a husband, a father to four daughters, a US Navy veteran, and a field engineer in the semi-conductor industry. I am running for office to protect working people and the economy, strengthen the trust and respect between citizens and law enforcement, and to protect the family unit and the values that we hold dear. I have never been a politician, but I am stepping into the world of politics now because we all know how critical this election is to the future of our state and our nation as a whole. I ask for your vote in November, and in exchange I offer you a representative who will always listen to the needs of his constituents. I will always work my hardest to defend small business and the American worker at the state capitol. Together we can keep Arizona a great place to live and work for us and for future generations. Continued Service, Marcus Sifuentes

Arizona has been home to me and my family for 5 generations. I am committed to working hard to see Arizona thrive and to leave it a better State for my family and yours. As the AZ House of Representatives Democratic Leader, I lead the fight for increased funding for Arizona's school teachers and students, I secured 10 million dollars for opioid addiction treatment for the uninsured, led the fight against special interest tax breaks, voted to protect Kidscare, workers rights, women's access to healthcare, and instate tuition for DACA students. I fought against dark money buying our elections, voter suppression and discriminatory legislation aimed at LGBTQ and immigrant communities. My strong record of legislative experience and leadership has earned me endorsements by teachers, labor, firefighters, nurses, women's groups, public safety, child advocates, human rights and environmental groups. They know I will continue to be an outspoken fighter for a better quality of life for all Arizonans. I have been honored to represent the families and communities of LD27. I will continue to work with integrity and determination speaking out and taking the lead on issues that impact our communities. I would be honored to have your vote.

Fairness, caring, and kindness matter. Please vote for me because, I want to create opportunities for those who live in our district regardless of labels economic status or backgrounds. I am a true Arizonian born and raised on the southside in a multi-cultural home. Rios has shown poor leadership motioning and voting to end the senate session on May 26th. This hurt small businesses, families with childcare needs, and failed to sponsor legislation to help with the COVID-19 pandemic. I will never vote to end the senate session when our community and state is in crisis. I will never support defunding the police when thousands of homes, cars, businesses, and people have been assaulted or murdered in OUR District! I support school choice, charter schools, homeschooling, driving your kids to another district and will protect your right to send your child to the school you choose. My opponent does not support school choice. Criminal justice reform, homelessness, animal cruelty and reducing the cost of college education are important. When elected, I will sponsor legislation limiting any future governor's emergency powers regardless of political party without concurrence of the house and senate. learn more at www.garlandaz.com read social justice pledge.

State Representative Reginald Bolding was elected by our community (South Phx, Laveen, Tempe, Guadalupe) in 2014, 2016, and 2018.

Bolding was also elected to serve in Democratic Leadership by his colleagues and now serves as the House Democratic Whip. Growing up in poverty as a child, Reginald was inspired to make change to provide better opportunities for our youth. He turned down a full-ride law school scholarship to become a teacher in South Phoenix. There he helped his students make tremendous growth in the classroom. He currently uses this experience to fight for our kids at the legislature as the Ranking Member of the House Education Committee. At the Capitol, Bolding has been one of the most vocal and successful democratic legislators passing bills that effect our community. Reginald is the sponsor of a law that provides free state IDs for all homeless veterans. He believes in healthcare access and has sponsored legislation that lowers the cost of medication for seniors. He has led the fight against predatory lenders, voter suppression, and bailouts/tax cuts for irresponsible corporations. Reginald's biggest accomplishment is being a husband and father of two adorable girls. Vote for experience and leadership, vote Reginald Bolding!

I am running Clean, because our district deserves a voice focused on you and independent of special interests. As a Latina American born to immigrant parents, raised in the Southside, I am a Teacher, Mariachi, Community Organizer, Mother, and Wife. Being educated in South Phoenix, Tempe and Guadalupe, I now hold a Masters in Public Administration from GCU and a Bachelors in Multilingual and Multicultural Education from ASU. Since beginning my career in the Southside, I have taught nationally and internationally at public, private, and charter schools. Advocating at our state capitol for Criminal Justice Reform, I saw first-hand our incumbents decline to pass this meaningful legislation they tell us they support. Rather than consider themselves Essential Workers, they ended the legislative session early yet ironically proceeded to campaign fearlessly. I will give the Southside voice in the House Majority, fulfill promises, and be your Essential Worker. I will fight for - and actually pass - prison reform focused on rehabilitation and family reunification. I will strengthen community trust in law enforcement and make our neighborhoods safer. I will fight for educational equality through expanding school choice. I am pro-life and will give our children the opportunities and the protection they deserve.

I am proud of my record during my first term in the State House of Representatives. I have kept my promise to fight for our working families and supported; full funding for our public schools, access to affordable healthcare, good paying jobs and real criminal justice reform. I have faced many challenges during my first term in office and I have done my best to make sure my constituents know that I am available to help them whenever they need me. I have done my best to ensure my constituents know I will do the work necessary to help improve their lives. I have done my best to send a clear message to everyone that the people of LD27 have a fighter in their corner and we will not be ignored or overlooked. I have done my best to carry our community's values into the hallways, committee hearing rooms and on to the floor of Arizona House of Representatives. I humbly ask that you give me your permission to keep working on your behalf and that you re-elect me as your State Representative.

For the past ten years, I have led effectively and independently on issues important to LD28 voters.

I know how to write bills and how the processes work. I've built great relationships on both sides of the aisle by being true to my word. I'm driven every day to make a difference for ALL Arizonans, regardless of their politics. I fight for what I believe is right, not what is politically expedient. My focus during COVID is safely reopening our schools and our care facilities, restoring essential human connections. I have successfully fought for increased education funding, affordable healthcare insurance, safe neighborhoods, and strong small businesses. I sponsored legislation providing breast and cervical cancer care to uninsured women that has resulted in lifesaving treatment to over 500 women. I've led reforms turning Arizona's broken child welfare system into a national model. I extended Prop 301 when it was branded impossible. I sponsored Jake's Law, groundbreaking legislation expanding access to behavioral health care. Our district wants problem-solving, not partisanship. I believe representing LD28 is not about being a politician, it's about being a policymaker. On November 3rd, I urge you to vote for leadership representation for LD28. Vote for Kate.

While my experiences as a mother, foster mother, and teacher pushed me to run for State Senate, my primary motivation for running is my belief that Arizona needs change. For too long, Arizona has suffered under one-party rule: Our legislature never restored pre-recession funding to K-12 public schools and our class sizes remain among the nation's highest; access to quality, affordable healthcare has been reduced, not expanded; and the COVID-19 epidemic has taken too many lives and livelihoods. As Arizona Teacher of the Year, I had the opportunity to travel the state, seeing first-hand the challenging issues our public schools and communities face – these issues are directly connected to the decisions our legislature makes. My election will mean a more balanced Senate. Good ideas from both sides of the aisle will have a fair hearing, benefitting all Arizonans. I will work to provide access to opportunities for education, healthcare and quality jobs for our state. In 2018, I ran for this seat and fell 267 votes short, out of over 90,000 votes cast. I'm the walking billboard for the truism that "every vote counts," so please vote! Let's move our state forward and ensure Arizona's future is bright.

Hello Neighbors! I am unique among the candidates seeking this office in that I am a U.S. Navy veteran, a veteran of almost 20 years service with the Arizona Department of Corrections, and a supporter of President Trump. I especially support: Criminal Justice Reform I advocate a fundamental reform to our criminal justice system to stop sending non-violent offenders to prison. My plan would impose fines and restitution on non-violent and fiscal offenders and reserve prison time for violent offenders. I do not want to change the use of incarceration for persons who commit violent crimes. Prisons should separate violent people from the rest of us. Land Reform Seventy-four percent of the land area of Arizona is held by the Federal Government. Title to this land was supposed to be transferred to Arizona on statehood, but this was never done. The tenure of President Trump is our chance to make this happen, if someone introduces the appropriate legislation. Please visit my website: <http://www.VoteKenBowers.com> I need your vote! God Bless America!

We are all concerned about COVID-19 and Arizona's severely flawed response. This crisis shines a spotlight on failures to prioritize vital systems and programs needed to help people stay safe and restore our economy. While we remain among the lowest in education funding nationally, we are also among the lowest in public health investment. As the ranking member of the House Health and Human Services Committee, I have consistently fought for improved programs, more oversight and transparency from the State Department of Health Services, and better coordination from the Governor's office. As schools reopen, it is imperative that parents understand options and communities know safety always comes first. As your State Representative, my priorities continue to be funding public education, increasing access to affordable, quality healthcare, and investing in economic opportunities and infrastructure. This past session, I introduced bills that would have doubled the number of children eligible for insurance through KidsCare, allowed individuals the option to buy more affordable health insurance through our Medicaid program, and required all Arizona insurers to issue policies with comprehensive protections, including coverage for people with preexisting health conditions. This election is critical. Be sure your family and friends all vote!

As an entrepreneur, I know that just talking won't solve problems – we need leaders who can bring people together to get things done. I founded Jumpstart with a group of friends out of my college dorm room. Later I started Acelero Learning with a group of colleagues I still work with today. Both organizations are focused on helping low-income preschoolers get the support they need to enter kindergarten ready to succeed. I am so proud that they directly impact the lives of tens of thousands of young children every day. I ran for the State House of Representatives in 2018 to bring that problem-solving perspective down to the Capitol. Since I got elected, I have worked with Democrats and Republicans to get things done to move the state forward. I've tackled everything from doubling the funding for teachers to get their STEM certification to making sure our seniors in LD28 can play BINGO in their community rooms. If you agree with my common-sense approach to getting things done, I am asking for your vote for State Representative for LD28. I promise I always will listen to your concerns and try to find solutions.

I am seeking my 4th term as your State Representative. I have been successful in getting legislation passed. A constituent request for “Baby Changing Tables”, resulted in me championing “Adult Changing Tables”, because a family member with a disability deserves the respect, dignity and most importantly, the privacy to be changed, because a dirty restroom floor is unacceptable. Recently the COVID-19 pandemic, showed why we need a leader who will continually fight for paid time off, sick leave, paid FMLA, livable wages and most importantly, safety in the workplace. The pandemic has many in our communities worried about bills, mortgages and most importantly, affordable healthcare. Many already live in this crisis day to day without a pandemic, because many in our communities are struggling to keep the lights on and put food on the table. Affordable housing is becoming non-existent because many are struggling to put a roof over their heads. My covenant is to represent YOU, not big businesses or corporations. I am a Progressive Democrat who will continue to fight for you, which is why I am asking you to support and vote for a proven effective leader in 2020.

Born in Guanajuato, Mexico in 1987, along with his parents immigrated to the United States when he was three years of age. From a very young age, Representative Chávez saw the lack of resources within education and healthcare. His involvement was key to numerous movements including the protests against anti-immigrant law, SB1070, signed by former Governor Jan Brewer in 2010. His compassion for the immigrant community lead to him championing other issues such as education, healthcare, and economic development. During his first term, Representative Chávez has proven to be a structural member of the Arizona State Legislature. Not only has he been willing to work across the aisle in a bipartisan manner for the benefit of his constituency, he has been able to stop hurtful legislation from going through the legislative process. Representative Chávez serves as Ranking Member of the Commerce, Land and Agriculture, and Technology Committees, Co-founder of the Arizona Legislative LGBTQ Caucus, Co-Chair of the Arizona Legislative Latino Caucus and Vice President for Membership of the National Hispanic Caucus of State Legislators.

Otoniel "Tony" Navarrete was born and raised in Arizona to immigrant parents. He currently serves as State Senator for Arizona's 30th district and sits on various committees ranging from Commerce, Health and Human Services, Higher Education and Workforce Development,. Tony was raised in West Phoenix in a home built by his late grandfather. He attended the Isaac School District, Carl Hayden Community High School, and undergraduate degree from Arizona State University. At an early age, Tony was inspired to promote social justice, including breaking the cycles of poverty through community development at the nonprofit Neighborhood Ministries. Following years of community involvement and working closely with formally adjudicated young adults, he moved to New York to work on housing and jobs related issues, an experience he brought back home to Arizona after learning his mother was diagnosed with breast cancer. Today, she remains in remission. Tony remains committed to working with leaders throughout Arizona, while actively fighting to advance comprehensive immigration reform and policies that strengthen families, including increasing civic participation. Since being elected to Arizona's legislature in 2016, Tony has sponsored/cosponsored over 100 bills focusing on strengthening education, expanding access to voting, promoting small businesses, and reforming our justice system.
