Campaign Contributions and Expenses, A.R.S., Title 16, Chapter 6, Article 1

§16-901.01 Limitations on Certain Unreported Expenditures and Contributions

- A.** For the purposes of this chapter, “expressly advocates” means:
1. Conveying a communication containing a phrase such as “vote for,” “elect,” “reelect,” “support,” “endorse,” “cast your ballot for,” “(name of candidate) in (year),” “(name of candidate) for (office),” “vote against,” “defeat,” “reject” or a campaign slogan or words that in context can have no reasonable meaning other than to advocate the election or defeat of one or more clearly identified candidates, or
 2. Making a general public communication, such as in a broadcast medium, newspaper, magazine, billboard or direct mailer referring to one or more clearly identified candidates and targeted to the electorate of that candidate(s) that in context can have no reasonable meaning other than to advocate the election or defeat of the candidate(s), as evidenced by factors such as the presentation of the candidate(s) in a favorable or unfavorable light, the targeting, placement or timing of the communication or the inclusion of statements of the candidate(s) or opponents.
- B.** A communication within the scope of subsection A, paragraph 2 shall not be considered as one that expressly advocates merely because it presents information about the voting record or position on a campaign issue of three or more candidates, so long as it is not made in coordination with a candidate, political party, agent of the candidate or party or a person who is coordinating with a candidate or candidate's agent.

Citizens Clean Elections Act, A.R.S., Title 16, Chapter 6, Article 2

§16-940 Findings and Declarations.

- A.** The people of Arizona declare our intent to create a clean elections system that will improve the integrity of Arizona state government by diminishing the influence of special-interest money, will encourage citizen participation in the political process, and will promote freedom of speech under the U.S. and Arizona Constitutions. Campaigns will become more issue-oriented and less negative because there will be no need to challenge the sources of campaign money.
- B.** The people of Arizona find that our current election-financing system:
1. Allows Arizona elected officials to accept large campaign contributions from private interests over which they have governmental jurisdiction;
 2. Gives incumbents an unhealthy advantage over challengers;
 3. Hinders communication to voters by many qualified candidates;
 4. Effectively suppresses the voices and influence of the vast majority of Arizona citizens in favor of a small number of wealthy special interests;
 5. Undermines public confidence in the integrity of public officials;
 6. Costs average taxpayers millions of dollars in the form of subsidies and special privileges for campaign contributors;
 7. Drives up the cost of running for state office, discouraging otherwise qualified candidates who lack personal wealth or access to special-interest funding; and
 8. Requires that elected officials spend too much of their time raising funds rather than representing the public.

§16-941 Limits on Spending and Contributions for Political Campaigns

- A.** Notwithstanding any law to the contrary, a participating candidate:
1. Shall not accept any contributions, other than a limited number of five-dollar qualifying contributions as specified in section 16-946 and early contributions as specified in section 16-945, except in the emergency situation specified in section 16-954, subsection F.
 2. Shall not make expenditures of more than a total of five hundred dollars of the candidate's personal monies for a candidate for the legislature or more than one thousand dollars for a candidate for statewide office.
 3. Shall not make expenditures in the primary election period in excess of the adjusted primary election spending limit.
 4. Shall not make expenditures in the general election period in excess of the adjusted general election spending limit.
 5. Shall comply with section 16-948 regarding campaign accounts and section 16-953 regarding returning unused monies to the citizens clean elections fund described in this article.
- B.** Notwithstanding any law to the contrary, a nonparticipating candidate shall not accept contributions in excess of an amount that is twenty per cent less than the limits specified in section 16-905, subsections A through E, as adjusted by the secretary of state pursuant to section 16-905, subsection H. Any violation of this subsection shall be subject to the civil penalties and procedures set forth in section 16-905, subsections J through M and section 16-924.
- C.** Notwithstanding any law to the contrary, a candidate, whether participating or nonparticipating:
1. If specified in a written agreement signed by the candidate and one or more opposing candidates and filed with the citizens clean elections commission, shall not make any expenditure in the primary or general election period exceeding an agreed-upon amount lower than spending limits otherwise applicable by statute.
 2. Shall continue to be bound by all other applicable election and campaign finance statutes and rules, with the exception of those provisions in express or clear conflict with this article.
- D.** Notwithstanding any law to the contrary, any person who makes independent expenditures related to a particular office cumulatively exceeding five hundred dollars in an election cycle, with the exception of any expenditure listed in section 16-920 and any independent expenditure by an organization arising from a communication directly to the organization's members, shareholders, employees, affiliated persons and subscribers, shall file reports with the secretary of state in accordance with section 16-958 so indicating, identifying the office and the candidate or group of candidates whose election or defeat is being advocated and stating whether the person is advocating election or advocating defeat.

§16-942 Civil Penalties and Forfeiture of Office.

- A.** The civil penalty for a violation of any contribution or expenditure limit in section 16-941 by or on behalf of a participating candidate shall be ten times the amount by which the expenditures or contributions exceed the applicable limit.
- B.** In addition to any other penalties imposed by law, the civil penalty for a violation by or on behalf of any candidate of any reporting requirement imposed by this chapter shall be one hundred dollars per day for candidates for the legislature and three hundred dollars per day for candidates for statewide office. The penalty imposed by this

subsection shall be doubled if the amount not reported for a particular election cycle exceeds ten percent of the adjusted primary or general election spending limit. No penalty imposed pursuant to this subsection shall exceed twice the amount of expenditures or contributions not reported. The candidate and the candidate's campaign account shall be jointly and severally responsible for any penalty imposed pursuant to this subsection.

- C. Any campaign finance report filed indicating a violation of section 16-941, subsections A or B or section 16-941, subsection C, paragraph 1 involving an amount in excess of ten percent of the sum of the adjusted primary election spending limit and the adjusted general election spending limit for a particular candidate shall result in disqualification of a candidate or forfeiture of office.
- D. Any participating candidate adjudged to have committed a knowing violation of section 16-941, subsection A or subsection C, paragraph 1 shall repay from the candidate's personal monies to the fund all monies expended from the candidate's campaign account and shall turn over the candidate's campaign account to the fund.
- E. All civil penalties collected pursuant to this article shall be deposited into the fund.

§16-943 Criminal Violations and Penalties.

- A. A candidate, or any other person acting on behalf of a candidate, who knowingly violates section 16-941 is guilty of a class 1 misdemeanor.
- B. Any person who knowingly pays anything of value or any compensation for a qualifying contribution as defined in section 16-946 is guilty of a class 1 misdemeanor.
- C. Any person who knowingly provides false or incomplete information on a report filed under section 16-958 is guilty of a class 1 misdemeanor.

§16-944 Repealed

§16-945 Limits on Early Contributions.

- A. A participating candidate may accept early contributions only from individuals and only during the exploratory period and the qualifying period, subject to the following limitations:
 - 1. Notwithstanding any law to the contrary, no contributor shall give, and no participating candidate shall accept, contributions from a contributor exceeding one hundred dollars during an election cycle.
 - 2. Notwithstanding any law to the contrary, early contributions to a participating candidate from all sources for an election cycle shall not exceed, for a candidate for governor, forty thousand dollars or, for other candidates, ten per cent of the sum of the original primary election spending limit and the original general election spending limit.
 - 3. Qualifying contributions specified in section 16-946 shall not be included in determining whether the limits in this subsection have been exceeded.
- B. Early contributions specified in subsection A of this section and the candidate's personal monies specified in section 16-941, subsection A, paragraph 2 may be spent only during the exploratory period and the qualifying period. Any early contributions not spent by the end of the qualifying period shall be paid to the fund.
- C. If a participating candidate has a debt from an election campaign in this state during a previous election cycle in which the candidate was not a participating candidate, then, during the exploratory period only, the candidate may accept, in addition to early contributions specified in subsection A of this section, contributions subject to the limitations in section 16-941, subsection B, or may exceed the limit on personal monies

in section 16-941, subsection A, paragraph 2, provided that such contributions and monies are used solely to retire such debt.

§16-946 Qualifying Contributions.

- A. During the qualifying period, a participating candidate may collect qualifying contributions, which shall be paid to the fund.
- B. To qualify as a qualifying contribution, a contribution must be:
 - 1. Made by a qualified elector as defined in section 16-121, who at the time of the contribution is registered in the electoral district of the office the candidate is seeking and who has not given another qualifying contribution to that candidate during that election cycle.
 - 2. Made by a person who is not given anything of value in exchange for the qualifying contribution.
 - 3. In the sum of five dollars, exactly.
 - 4. Received unsolicited during the qualifying period or solicited during the qualifying period by a person who is not employed or retained by the candidate and who is not compensated to collect contributions by the candidate or on behalf of the candidate.
 - 5. If made by check or money order, made payable to the candidate's campaign committee, or if in cash, deposited in the candidate's campaign committee's account.
 - 6. Accompanied by a three-part reporting slip that includes the printed name, registration address and signature of the contributor, the name of the candidate for whom the contribution is made, the date, and the printed name and signature of the solicitor. An electronic signature as defined in section 41-351 is deemed to comply with this paragraph.
- C. A copy of the reporting slip shall be given as a receipt to the contributor, and another copy shall be retained by the candidate's campaign committee. Delivery of an original reporting slip to the secretary of state shall excuse the candidate from disclosure of these contributions on campaign finance reports filed under article 1 of this chapter.

§16-947 Certification as a participating candidate.

- A. A candidate who wishes to be certified as a participating candidate shall file, before the end of the qualifying period, an application with the secretary of state, in a form specified by the citizens clean elections commission.
- B. The application shall identify the candidate, the office that the candidate plans to seek and the candidate's party, if any, and shall contain the candidate's signature, under oath, certifying that:
 - 1. The candidate has complied with the restrictions of section 16-941, subsection A during the election cycle to date.
 - 2. The candidate's campaign committee and exploratory committee have filed all campaign finance reports required under article 1 of this chapter during the election cycle to date and that they are complete and accurate.
 - 3. The candidate will comply with the requirements of section 16-941, subsection A during the remainder of the election cycle and, specifically, will not accept private contributions.
- C. The commission shall act on the application within one week. Unless, within that time, the commission denies an application and provides written reasons that all or part of a certification in subsection B of this section is incomplete or untrue, the candidate shall be certified as a participating candidate. If the commission denies an application for failure to file all complete and accurate campaign finance reports or failure to make the

certification in subsection B, paragraph 3 of this section, the candidate may reapply within two weeks of the commission's decision by filing complete and accurate campaign finance reports and another sworn certification.

- D. A candidate shall be denied certification if that candidate was removed from office by the commission or if the candidate is delinquent in payment of a debt to the commission. If the debt is paid in full or if the candidate is current on a payment agreement with the commission, the candidate may apply for certification as a participating candidate and is eligible to be certified if otherwise qualified by law.

§16-948 Controls on Participating Candidates' Campaign Accounts.

- A. A participating candidate shall conduct all financial activity through a single campaign account of the candidate's campaign committee. A participating candidate shall not make any deposits into the campaign account other than those permitted under sections 16-945 or 16-946.
- B. A candidate may designate other persons with authority to withdraw funds from the candidate's campaign account. The candidate and any person so designated shall sign a joint statement under oath promising to comply with the requirements of this title.
- C. The candidate or a person authorized under subsection B of this section shall pay monies from a participating candidate's campaign account directly to the person providing goods or services to the campaign and shall identify, on a report filed pursuant to article 1 of this chapter, the full name and street address of the person and the nature of the goods and services and compensation for which payment has been made. Notwithstanding the previous sentence, a campaign committee may establish one or more petty cash accounts, which in aggregate shall not exceed one thousand dollars at any time. No single expenditure shall be made from a petty cash account exceeding one hundred dollars.
- D. Monies in a participating candidate's campaign account shall not be used to pay fines or civil penalties, for costs or legal fees related to representation before the commission, or for defense of any enforcement action under this chapter. Nothing in this subsection shall prevent a participating candidate from having a legal defense fund.

§16-949 Caps on Spending From Citizens Clean Elections Fund

- A. The commission shall not spend, on all costs incurred under this article during a particular calendar year, more than five dollars times the number of Arizona resident personal income tax returns filed during the previous calendar year. The commission may exceed this limit during a calendar year, provided that it is offset by an equal reduction of the limit during another calendar year during the same four-year period beginning January 1 immediately after a gubernatorial election.
- B. The commission may use up to ten per cent of the amount specified in subsection A of this section for reasonable and necessary expenses of administration and enforcement, including the activities specified in section 16-956, subsection A, paragraphs 3 through 7 and subsections B and C. Any portion of the ten per cent not used for this purpose shall remain in the fund.
- C. The commission may apply up to ten per cent of the amount specified in subsection A of this section for reasonable and necessary expenses associated with public education regarding participation as a candidate or a contributor, or regarding the functions, purpose and technical aspects of the act. Reasonable and necessary expenditures made pursuant to section 16-956 are not included in this subsection.
- D. The commission may spend monies in the fund for the reasonable and necessary expenses to implement the act but shall not use monies in the fund to promote the

benefits of the clean elections act. Expenditures made pursuant to subsection C of this section or in section 16-956, subsection A are deemed not to constitute promoting the benefits of the clean elections act. Expenditures pursuant to this subsection shall not be included in the limits prescribed in subsection C of this section.

- E. The state treasurer shall administer a citizens clean elections fund from which costs incurred under this article shall be paid. The auditor general shall review the monies in, payments into and expenditures from the fund no less often than every four years.

§16-950 Qualification for Clean Elections Funding

- A. A candidate who has made an application for certification may also apply, in accordance with subsection B of this section, to receive funds from the citizens clean elections fund, instead of receiving private contributions.
- B. To receive any clean elections funding, the candidate must present to the secretary of state no later than one week after the end of the qualifying period a list of names of persons who have made qualifying contributions pursuant to section 16-946 on behalf of the candidate. The list shall be divided by county. At the same time, the candidate must tender to the secretary of state the original reporting slips identified in section 16-946, subsection C for persons on the list and an amount equal to the sum of the qualifying contributions collected. The secretary of state shall deposit the amount into the fund.
- C. The secretary of state shall select at random a sample of five per cent of the number of nonduplicative names on the list for a candidate for a statewide office and twenty per cent of the number of nonduplicative names on the list for a candidate for legislative office and shall forward facsimiles of the selected reporting slips to the county recorders for the counties of the addresses specified in the selected slips. Within ten days, the county recorders shall provide a report to the secretary of state identifying as disqualified any slips that are unsigned or undated or that the recorder is unable to verify as matching a person who is registered to vote in the electoral district of the office the candidate is seeking on the date specified on the slip. The secretary of state shall multiply the number of slips not disqualified by twenty for statewide candidates, and shall multiply the number of slips not disqualified by five for legislative candidates, and if the result is greater than one hundred ten per cent of the quantity required, shall approve the candidate for funds, and if the result is less than one hundred ten per cent of the quantity required, the secretary of state shall forward facsimiles of all of the slips to the county recorders for verification, and the county recorders shall check all slips in accordance with the process above. A county recorder shall not check slips already verified. A county recorder shall report verified totals daily to the secretary of state until a determination is made that a sufficient number of verified slips has been submitted. If a sufficient number of verified slips has been submitted to one or more county recorders, the county recorders may stop the verification process.
- D. To qualify for clean elections funding, a candidate must have been approved as a participating candidate pursuant to section 16-947 and have obtained the following number¹ of qualifying contributions:
 - 1. For a candidate for legislature, two hundred.
 - 2. For candidate for mine inspector, five hundred.
 - 3. For a candidate for treasurer, superintendent of public instruction, or corporation commission, one thousand five hundred.

4. For a candidate for Secretary of State or attorney general, two thousand five hundred.
 5. For a candidate for governor, four thousand.
- E. To qualify for clean elections funding, a candidate must have met the requirements of this section and either be an independent candidate or meet the following standards:
1. To qualify for funding for a party primary election, a candidate must have properly filed nominating papers and nominating petitions with signatures pursuant to chapter 3, articles 2 and 3 of this title in the primary of a political organization entitled to continued representation on the official ballot in accordance with section 16-804.
 2. To qualify for clean elections funding for a general election, a candidate must be a party nominee of such a political organization.

§16-951 Clean Elections Funding.

- A. At the beginning of the primary election period, the commission shall pay from the fund to the campaign account of each candidate who qualifies for clean elections funding:
1. For a candidate who qualifies for clean elections funding for a party primary election, an amount equal to the original primary election spending limit;
 2. For an independent candidate who qualifies for clean elections funding, an amount equal to seventy percent of the sum of the original primary election spending limit and the original general election spending limit; or
 3. For a qualified participating candidate who is unopposed for an office in that candidate's primary, in the primary of any other party, and by any opposing independent candidate, an amount equal to five dollars times the number of qualifying contributions for that candidate certified by the commission.
- B. At any time after the first day of January of an election year, any candidate who has met the requirements of section 16-950 may sign and cause to be filed a nomination paper in the form specified by section 16-311, subsection A, with a nominating petition and signatures, instead of filing such papers after the earliest time set for filing specified by that subsection. Upon such filing and verification of the signatures, the commission shall pay the amount specified in subsection A of this section immediately, rather than waiting for the beginning of the primary election period.
- C. At the beginning of the general election period, the commission shall pay from the fund to the campaign account of each candidate who qualifies for clean elections funding for the general election, except those candidates identified in subsection A, paragraph 2 or subsection D of this section, an amount equal to the original general election spending limit.
- D. At the beginning of the general election period, the commission shall pay from the fund to the campaign account of a qualified participating candidate who has not received funds pursuant to subsection A, paragraph 3 of this section and who is unopposed by any other party nominee or any opposing independent candidate an amount equal to five dollars times the number of qualifying contributions for that candidate certified by the commission.
- E. The special original general election spending limit, for a candidate who has received funds pursuant to subsection A, paragraphs 2 or 3 or subsection D of this section, shall be equal to the amount that the commission is obligated to pay to that candidate.

§16-952 One-Party-Dominant Legislative District

Upon applying for clean elections funding pursuant to section 16-950, a participating candidate for the legislature in a one-party-dominant legislative district who is qualified for clean elections funding for the party primary election of the dominant party may choose to reallocate a portion of funds from the general election period to the primary election period. At the beginning of the primary election period, the commission shall pay from the fund to the campaign account of a participating candidate who makes this choice an extra amount equal to fifty per cent of the original primary election spending limit, and the original primary election spending limit for the candidate who makes this choice shall be increased by the extra amount. If a participating candidate who makes this choice becomes qualified for clean elections funding for the general election, the amount the candidate receives at the beginning of the general election period shall be reduced by the extra amount received at the beginning of the primary election period, and the original general election spending limit for that candidate shall be reduced by the extra amount. For the purpose of this subsection, a one-party-dominant legislative district is a district in which the number of registered voters registered in the party with the highest number of registered voters exceeds the number of registered voters registered to each of the other parties by an amount at least as high as ten per cent of the total number of voters registered in the district. The status of a district as a one-party-dominant legislative district shall be determined as of the beginning of the qualifying period.

§16-953. Return of monies to the citizens clean elections fund

- A.** At the end of the primary election period, a participating candidate who has received monies pursuant to section 16-951, subsection A, paragraph 1 shall return to the fund all monies in the candidate's campaign account above an amount sufficient to pay any unpaid bills for expenditures made during the primary election period and for goods or services directed to the primary election.
- B.** At the end of the general election period, a participating candidate shall return to the fund all monies in the candidate's campaign account above an amount sufficient to pay any unpaid bills for expenditures made before the general election and for goods or services directed to the general election.
- C.** A participating candidate shall pay all uncontested and unpaid bills referenced in this section no later than thirty days after the primary or general election. A participating candidate shall make monthly reports to the commission concerning the status of the dispute over any contested bills. Any monies in a candidate's campaign account after payment of bills shall be returned promptly to the fund.
- D.** If a participating candidate is replaced pursuant to section 16-343, and the replacement candidate files an oath with the secretary of state certifying to section 16-947, subsection B, paragraph 3, the campaign account of the participating candidate shall be transferred to the replacement candidate and the commission shall certify the replacement candidate as a participating candidate without requiring compliance with section 16-950 or the remainder of section 16-947. If the replacement candidate does not file such an oath, the campaign account shall be liquidated and all remaining monies returned to the fund.
- E.** If a participating candidate who has received monies pursuant to section 16-951, subsection A, paragraph 1 does not qualify for the ballot for the primary election, the participating candidate shall:

1. Return to the fund all monies in the candidate's campaign account above the amount sufficient to pay any unpaid bills for expenditures made before the date the candidate failed to qualify for the primary ballot.
2. Return to the commission, within fourteen days, all remaining assets purchased with public funds in that election cycle, including all political signs. The disqualified participating candidate is not required to return political signs purchased in a previous election cycle.
3. Repay any monies paid to a family member unless the participating candidate demonstrates that the payment made was for goods or services actually provided before disqualification of the candidate and the payment was for fair market value. For the purposes of this paragraph, "family member" means a parent, grandparent, spouse, child or sibling of the candidate or a parent or spouse of any of those persons.

§16-954 Disposition of Excess Monies.

 3. Make expenditures of personal monies of no more than the amounts prescribed in A.R.S. § 16-941(A)(2) for legislative candidates and for statewide office candidates;
 4. Conduct all campaign activity through a single campaign account. A participating candidate shall only deposit early contributions, qualifying contributions and Clean Elections funds into the candidate's current campaign account. The campaign account shall not be used for any non-direct campaign purpose as provided in Article 7 of these rules;
 5. Attend a Commission sponsored candidate training class within 60 days of being certified or within 60 days of the beginning of the qualifying period if the candidate is certified before the beginning of the qualifying period. If the candidate is unable to attend a training class, the candidate shall:

 - b. The candidate shall sign and send to the Commission a statement certifying that he or she has received and reviewed the Commission training materials; and
 6. Limit campaign expenditures. Prior to qualifying for Clean Elections funding, a candidate shall not incur debt, or make an expenditure in excess of the amount of cash on hand. Upon approval for funding by the Secretary of State, a candidate may incur debt, or make expenditures, not to exceed the sum of the cash on hand and the applicable spending limit.
- E.** Loans. A participating candidate may accept an individual contribution as a loan or may loan his or her campaign committee personal monies during the exploratory and qualifying periods only. The total sum of the contribution received or personal funds and loans shall not exceed the expenditure limits set forth in A.R.S. § 16-941(A)(1) and (2). If the loan is to be repaid, the loans shall be repaid promptly upon receipt of Clean Elections funds if the participating candidate qualifies for Clean Elections funding. R2-20-105. Certification for Funding

- A.** After a candidate is certified as a participating candidate, pursuant to A.R.S. § 16-947, in accordance with the procedure set forth in R2-20-104, that candidate may collect qualifying contributions only during the qualifying period.

- B.** A participating candidate must submit to the Secretary of State, a list of names of persons who made qualifying contributions, an application for funding prescribed by the Secretary of State, the minimum number of original reporting slips, and an amount equal to the sum of the qualifying contributions collected pursuant to A.R.S. § 16-950 no later than one week after the end of the qualifying period. Any and all expenses associated with obtaining the qualifying contributions, including credit card processing fees must be paid for from the candidate's early contributions or personal monies. A candidate may develop his or her own three-part reporting slip for qualifying contributions, or one that is photocopied or computer reproduced, if the form substantially complies with the form prescribed by the Commission⁴. The candidate must comply with the Act and ensure that the original qualifying slip is tendered to the Secretary of State, a copy remains with the candidate, and that a copy is given to the contributor.
- C.** A candidate may accept electronic \$5 qualifying contributions for the elected office sought by the candidate. The Secretary of State's secured internet portal must be used to collect electronic \$5 qualifying. A \$5 contribution must accompany every \$5 qualifying contribution form and must be submitted via the Secretary of State's portal using a private electronic payment service, specified by the Secretary of State's Office, bank account, credit or debit card. A non-refundable transaction fee may be assessed on electronic \$5 qualifying contribution transactions. The transaction fee is not a contribution to the candidate's campaign and is paid by the contributor. If excess funds are accumulated by the candidate's campaign based on the transaction fee then all excess funds must be given to the Commission and must be entered into the candidate's campaign finance report in a manner that indicates the transaction fees have been accumulated and transferred.
- D.** A solicitor who seeks signatures and qualifying contributions on behalf of a participating candidate shall provide his or her residential address, typed or printed name and signature on each reporting slip. The solicitor shall also sign a sworn statement on the contribution slip avowing that the contributor signed the slip, that the contributor contributed the \$5, that based on information and belief, the contributor's name and address are correctly stated and that each contributor is a qualified elector of this state. Nothing in this rule shall prohibit the use of direct mail or the Internet to obtain qualifying contributions as long as an original signature is provided on the qualifying contribution form. The candidate may sign the qualifying contribution form as the solicitor and is accountable for all of the responsibilities of a solicitor. For qualifying contributions received in accordance with subsection C of this section, the residential address and signature of the solicitor is not required.
- E.** The Secretary of State has the authority to approve or deny a candidate for Clean Elections funding, pursuant to A.R.S. § 16-950(C) based upon the verification of the qualifying contribution forms by the appropriate county recorder. The county recorder shall disqualify any qualifying contribution forms that are:
1. Unsigned by the contributor;
 2. Undated; or
 3. That the recorder is unable to verify as matching signature of a person who is registered to vote, on the date specified inside the electoral district the candidate is seeking.

⁴ A.R.S. § 39-103(A) requires public forms to conform to standard letter size of eight and one-half by eleven inches

- F. The Secretary of State will notify the candidate and the Commission regarding the approval or denial of Clean Elections funds. A candidate who is denied Clean Elections funding after all of the slips are verified is eligible to submit supplemental qualifying contribution forms for one additional opportunity to be approved for funding pursuant to subsection (G) of this rule.
- G. The amount equal to the sum of the qualifying contributions collected and tendered to the Secretary of State pursuant to A.R.S. § 16-950(B) will be deposited into the fund, and the amount tendered will not be returned to a candidate if a candidate is denied Clean Elections funding.
- H. In accordance with the procedure set forth at A.R.S. § 16-950(C), if the Secretary of State determines that the result of the five percent random sample is less than 110 percent of the slips needed to qualify for funding, then the Secretary of State shall send all of the slips for verification. If the county recorder has verified all of the candidate's signature slips and there is an insufficient number of valid qualifying contribution slips to qualify the candidate for funding, the candidate may make only one supplemental filing of additional qualifying contribution slips and qualifying contributions to the Secretary of State if all of the following apply:
 - 1. The candidate files at least the minimum number of additional slips needed to qualify for funding;
 - 2. The slips are not receipts for duplicate contributions from individuals who have previously contributed to that candidate; and
 - 3. The period for filing qualifying contributions slips has not expired.
- I. The Secretary of State shall forward facsimiles of all of the supplemental qualifying contribution slips to the appropriate county recorders for the county of the contributors' addresses as shown on the contribution slips. The county recorder shall verify all of the supplemental slips within 10 business days after receipt of the facsimiles and shall provide a report to the Secretary of State identifying as disqualified any slips that are unsigned by the contributor or undated or that the recorder is unable to verify as matching the signature of a person who is registered to vote, on the date specified on the slip, inside the electoral district of the office the candidate is seeking. On receipt of the report of the county recorder on all supplemental slips, the Secretary of State shall calculate the candidate's total number of valid qualifying contribution slips and shall approve or deny the candidate for funds.

R2-20-106. Distribution of Funds to Certified Candidates

- A. Before the initial disbursement of funds, the Commission shall review the candidate's funding application and all relevant facts and circumstances and:
 - 1. Verify that the number of signatures on the candidate's nominating petitions equals or exceeds the number required pursuant to A.R.S. § 16-322 as follows:
 - a. If the application is submitted before the March 1 voter registration list is determined, the Commission shall verify that the number of signatures on the candidate's nominating petitions equals or exceeds 115 percent of the number required pursuant to A.R.S. § 16-322 based on the prior election voter registration list as determined by the Secretary of State; or
 - b. If the application is submitted after the current year March 1 voter registration list is determined the Commission shall verify that the number of signatures on the candidate's nominating petitions is equal to or greater than the number required pursuant to A.R.S. § 16-322.
 - 2. Determine that the required number of qualifying contributions have been received and paid to the Secretary of State for deposit in the Fund; and

3. Determine whether the candidate is opposed in the election.
- B.** In making the determinations described in subsection (A)(3), the Commission shall consider all relevant facts and circumstances, and it shall not be bound by election formalities such as the filing of nominating petitions by others in determining whether an applicant is opposed. Among other evidence the Commission may consider is the existence of exploratory committees or filings made to organize campaign committees of opponents and other like indicia.
- C.** The Commission may review and affirm or change its determination that the candidate is or is not opposed until the ballot for the election is established.
- D.** Within seven days after a primary election and before the Secretary of State completes the canvass, the Commission shall disburse funds for general election campaigns to the participating candidates who received the greatest number of votes at each primary election, provided that the candidate with the highest number of votes out of the total number of votes, has at least two percentage points greater than the candidate with the next highest votes based on the unofficial results as of that date. In a legislative race for the Arizona House of Representatives, the Commission shall disburse funds for general election campaigns to participating candidates with the highest or second highest number of votes cast, provided such candidate received votes totaling at least two percentage points, of the total ballots cast, larger than the vote total cast for the candidate with the third highest vote total.
- E.** Promptly after the Secretary of State completes the canvass, the Commission shall disburse funds for general election campaigns to all eligible participating candidates to whom payment has not been made. If a participating candidate has received funds from the Commission pursuant to subsection (D) and the canvass or recount determines that the candidate is not eligible to appear on the general election ballot, the participating candidate shall return all unused funds to the Fund within 10 days after such determination is made. That candidate shall make no from general election funds from the date of the canvass.
- F.** The Commission may refuse to distribute funds to participating candidates in cases in which the Commission finds evidence of fraud or illegal activity committed by the participating candidate.
- G.** Pursuant to A.R.S. § 16-953 a participating candidate shall return to the Fund:
1. All of primary election funds not committed to expenditures (1) during the primary election period; and (2) for goods or services directed to the primary election. A candidate shall not be deemed to have violated A.R.S. § 16-953(A) or this subsection on account of failure to use all materials purchased with primary election funds prior to the primary election, provided such candidate exercises good faith and diligent efforts to comply with the requirement that goods and services purchased with primary election funds be directed to the primary election. Subject to A.R.S. § 16-953(A) and this subsection, a candidate may continue to use goods purchased with primary election funds during the general election period.
 2. All general funds not committed to expenditures (1) during the general election period; and (2) for goods or services directed to the general election.
- H.** All funds returned to the Commission pursuant to subsection (G) of this rule, shall be returned to the Fund by a cashier's check drawn on the candidate's campaign bank account. Any fee associated with the issuance of a cashier's check shall be deemed a direct campaign expenditure and reported on the candidate's campaign finance report.
- I.** If a participating candidate does not account for any outstanding expenditures in the amount of the funds returned to the Commission, the participating candidate must reconcile the outstanding expenditures with personal monies. Once funds have been

returned to the Commission, no further reimbursements from the Clean Elections Fund shall be permitted. Participating candidates may not exceed the primary or general election spending limits.

- J.** Commission staff may waive the return of funds if:
1. The Commission staff determines the amount to be returned is de minimus;
 2. The Commission staff determines the cost of recovery exceeds the amount of the return;
 3. The funds to be returned shall not exceed \$25; and
 4. The Commission is notified of any waiver of the return of funds.

R2-20-107. Candidate Debates

- A.** The Commission shall sponsor debates among statewide and legislative office candidates prior to the primary and general elections. Except as set forth in subsection (D) below, the Commission shall not be required to sponsor a debate if there is no participating candidate in the election for a particular office.
- B.** In the primary election period, the Commission shall sponsor political party primary election debates for every office in which:
1. There are more candidates appearing on the ballot than there are seats available for the political party's nomination for general election candidates, and
 2. At least one of the candidates is a participating candidate.
- C.** The following candidates will not be invited to participate in debates as follows:
1. In the primary election, write-in candidates for the primary election, independent candidates, no party affiliation or unrecognized party candidates.
 2. In the general election, write-in candidates.
- D.** In the event that there is no participating candidate in a primary or general election but there is an election involving candidates who are not unopposed, a candidate may request that the Commission sponsor a debate pursuant to this rule. If the requesting candidate is the sole participant in the debate the format shall be as prescribed in R2-20-107(K).
1. A nonparticipating candidate who requests a debate pursuant to this rule shall complete and return the invitation form sent to the candidate by the Commission by the deadline identified on the form. Forms received by the Commission past the deadline may still be considered at the discretion of the Commission. Commission staff shall notify all invited candidates if a debate will be sponsored by the Commission and which candidates will participate.
 2. If a candidate requests that the Commission sponsor a debate and fails or refuses to attend the debate, or a candidate agrees to participate in a debate and subsequently fails or refuses to attend the debate sponsored by the Commission, each candidate who fails or refuses to attend the debate shall reimburse the Commission for the cost of debate preparations not to exceed \$10,000 for a non-participating candidate for the legislature and \$25,000 for a non-participating candidate for statewide office. In the event that a candidate requests a general election debate or agrees to participate in a general election debate but does not advance to the general election, the candidate shall not be liable for the reimbursement.
- E.** Pursuant to A.R.S. § 16-956(A)(2), all participating candidates certified pursuant to A.R.S. § 16-947 shall attend and participate in the debates sponsored by the Commission. No proxies or representatives are permitted to participate for any candidate and no statements may be read on behalf of an absent candidate.

- F. Unless exempted, if a participating candidate fails to participate in any Commission-sponsored debate, the participating candidate shall be fined \$500.00. For purposes of this Section, each primary or general election shall be considered a separate election.
- G. A participating candidate may request to be exempt from participating in a required debate by doing the following:
 - 1. Submit a written request to the Commission at least one week prior to the scheduled debate, and
 - 2. State the reasons and circumstances justifying the request for exemption.
- H. After examining the request to be exempt, the Commission will exempt a candidate from participating in a debate if at least three Commissioners determine that the circumstances are:
 - 1. Beyond the control of the candidate; or
 - 2. Of such nature that a reasonable person would find the failure to attend justifiable or excusable.
- I. A participating candidate who fails to participate in a required debate may submit a request for excused absence to the Commission.
 - 1. The candidate's request for excused absence shall:
 - a. State the reason the candidate failed to participate in the debate, and
 - b. State the reason the candidate failed to request an exemption in advance, and
 - c. Be submitted to the Commission no later than five business days after the date of the debate the candidate failed to attend.
 - 2. After examining the request for excused absence, the Commission may excuse a candidate from the penalties imposed if at least three Commissioners determine that the circumstances were:
 - a. Beyond the control of the candidate;
 - b. Of such nature that a reasonable person would find the failure to attend justifiable or excusable.
- J. When a participating candidate is not opposed in the general election, the candidate shall be exempt from participating in a Commission-sponsored debate for the general election.
- K. In the event that a participating candidate is opposed in the primary election or general election but is the only candidate taking part in a primary election period or general election period debate, as applicable, the debate will be held and will consist of a 30-minute question and answer session for the single participating candidate. If more than one candidate takes part in the debate, regardless of participation status, the debate will be held in accordance with the procedures established by the Commission staff.

R2-20-108. Termination of Participating Candidate Status

- A. A candidate may voluntarily terminate his or her participating candidate status at any time prior to notification by the Commission that such candidate has qualified for Clean Elections funding. To withdraw from participating candidate status, a candidate shall send a letter to the Commission stating the candidate's intent to withdraw and the reason for the withdrawal. The candidate shall not accept any private monies until the withdrawal is approved by the Commission. The Commission shall act on the withdrawal request within seven days. If the Commission takes no action in the seven-day time period, the withdrawal is automatic.
- B. A candidate's participating candidate status shall automatically terminate if (1) the candidate fails to make such submissions to the Secretary of State as prescribed in A.A.C. R2-20-105(B) within seven days after the end of the qualifying period; or (2) the candidate is denied Clean Elections funding by the Secretary of State and the

candidate is ineligible to make a supplemental filing with the Secretary of State in accordance with A.A.C. R2-20-105(G).

- C. A candidate whose participating candidate status has been terminated in accordance with this Section shall be ineligible to receive Clean Elections funding for that election cycle unless he/she reapplies for certification and is in compliance with R2-20-104(A) and R2-20-104(C).
- D. In the event that a candidate who has collected qualifying contributions decides not to seek certification as a participating candidate, the candidate shall return all qualifying contributions received from contributors who have not given written permission to use their qualify contributions as campaign contributions. Written permission may include a check box on the original \$5 form that authorizes a candidate to treat the qualifying contribution as a general campaign contribution if he or she decides not to participate in the Clean Elections system. If a good faith attempt to return the funds to the contributor is unsuccessful, the contributions shall be submitted to the Fund.

R2-20-109. Reporting Requirements

 - b. For an election involving a legislative candidate, the civil penalty shall be \$100 per day.
 - c. The penalties in (a) and (b) shall be doubled if the amount not reported for a particular election cycle exceeds ten (10%) percent of the applicable adjusted primary election spending limit or adjusted general election spending limit.
 - d. The dollar amounts in items (a) and (b), and the spending limits in item (c) are subject to adjustment of A.R.S. § 16-959.
 - e. Penalties imposed pursuant to this subsection shall not exceed twice the amount of expenditures not reported.
 - 3. A.R.S. § 16-942(B) applies to any entity including political committees that accepts contributions or makes expenditures on behalf of any candidate regardless of any other contributions taken or expenditures made and fails to timely file a campaign finance report under Chapter 6 of Title 16, Arizona Revised Statutes. Any expenditure advocating against one or more candidates shall be considered an

expenditure on behalf of any opposing candidate(s). Penalties shall be assessed as follows:

- a. For an election involving a candidate for statewide office, the civil penalty shall be \$300 per day.
- b. For an election involving a legislative candidate, the civil penalty shall be \$100 per day.

- e. Penalties imposed pursuant to this subsection shall not exceed twice the amount of expenditures not reported.

4. For purposes of A.A.C. R2-20-109(B)(3):

- a. An entity shall not be found to have the predominant purpose of influencing elections unless, a preponderance of the evidence establishes that during a two-year legislative election cycle, the total reportable contributions made by the entity, in any combination, in a calendar year exceeds \$1,000 and is more than fifty percent (50%) of the entity's total spending during the election cycle.
 - i. For purposes of this provision, a "reportable contribution" or "reportable expenditure" shall be limited to a contribution or expenditure, as defined in title 16 of the Arizona revised statutes, that must be reported to the Arizona secretary of state, the Arizona citizens clean elections commission, or local filing officer in Arizona. A contribution or expenditure that must be reported to the federal election commission or to the election authority of any other state, but not to the Arizona secretary of state, the Arizona citizens clean elections commission or a local filing officer in Arizona, shall not be considered a reportable contribution or reportable expenditure.
 - ii. For purposes of this provision, "total spending" shall not include volunteer time or fundraising and administrative expenses but shall include all other spending by the organization.
 - iii. For purposes of this provision, grants to other organizations shall be treated as follows:
 - (1) A grant made to a political committee or an organization organized under section 527 of the internal revenue code shall be counted in total spending and as a reportable contribution or reportable expenditure, unless expressly designated for use outside Arizona or for federal elections, in which case such spending shall be counted in total spending but not as a reportable contribution or reportable expenditure.
 - (2) If the entity making a grant takes reasonable steps to ensure that the transferee does not use such funds to make a reportable contribution or reportable expenditure, such a grant shall be counted in total spending but not as a reportable contribution or reportable expenditure.
 - iv. If the entity making a grant earmarks the grant for reportable contributions or reportable expenditures, knows the grant will be used to make reportable contributions or reportable expenditures, knows that a recipient will likely use a portion of the grant to make reportable contributions or reportable expenditures, or responds to a solicitation for reportable contributions or

reportable expenditures, the grant shall be counted in total spending and the relevant portion of the grant as set forth in subsection (v) of this section shall count as a reportable contribution or reportable expenditure.

- v. Notwithstanding subsections (iii) and (iv) the amount of a grant counted as a reportable contribution or reportable expenditure shall be limited to the lesser of the grant or the following:
 - (1) The amount that the recipient organization spends on reportable contributions and reportable expenditures, plus
 - (2) The amount that the recipient organization gives to third parties but not more than the amount that such third parties fund reportable contributions or reportable expenditures.
- b. Notwithstanding section a above, the commission may nonetheless determine that an entity is not a political committee if, taking into account all the facts and circumstances of grants made by an entity, it is not persuaded that the preponderance of the evidence establishes that the entity is a political committee as defined in title 16 of Arizona Revised Statutes.

- 5. For the purposes of the Act and Commission rules, a candidate or campaign shall be deemed to have made an expenditure as of the date upon which the candidate or campaign promises, agrees, contracts or otherwise incurs an obligation to pay for goods or services.

B. Timing of reporting expenditures.

- 1. Except as set forth in subsection (A)(2) above, a participating candidate shall report a contract, promise or agreement to make an expenditure resulting in an extension of credit as an expenditure, in an amount equal to the full future payment obligation, as of the date the contract, promise or agreement is made.
- 2. In the alternative to reporting in accordance with subsection (A)(1) above, a participating candidate may report a contract, promise or agreement to make an expenditure resulting in an extension of credit as follows:
 - a. - B.** If a complaint does not comply with the requirements of A.A.C. R2-20-203, the Executive Director shall so notify the complainant and any person or entity identified therein as respondent, within the 5 day period specified in subsection A, that no action should be taken on the basis of that complaint. written copy of the complaint, a letter or memorandum setting forth reasons why the Commission should take no action.

- C. The respondent's response shall be sworn to and signed in the presence of a notary public and shall be notarized. The respondent's failure to respond in accordance with subsection A within 5 days of receiving the written copy of the complaint may be viewed as an admission to the allegations made in the complaint for purposes of the reason to believe finding pursuant to A.A.C. On the basis of information ascertained by the Commission in the normal course of carrying out its statutory responsibilities, or on the basis of a referral from an agency of the state, the Executive Director may recommend in writing that the Commission find reason to believe that a person or entity has committed or is about to commit a violation of a statute or rule over which the Commission has jurisdiction.

In accordance with A.R.S. § 16-957(A), the Commission shall serve on the respondent an order requiring compliance within 14 days. During that period, the respondent may provide any explanation to the Commission, comply with the order, or enter into a public administrative settlement with the Commission.

- C. The complainant may bring an action in Superior Court in accordance with A.R.S. § 16-957(C) if the Commission finds there is no reason to believe a violation of a statute or rule over which the Commission has jurisdiction has occurred, or otherwise terminates its proceedings.

Such addenda may be based on follow-up fieldwork conducted, or information ascertained by the Commission in the normal course of carrying out its responsibilities. The procedures set forth in A.A.C. - A. In addition to the general books and records requirements prescribed in A.A.C. R2-20-111, participating candidates shall comply with the following requirements:
1. All participating candidates shall have the burden of proving that expenditures made by the candidate were for direct campaign purposes. The candidate shall obtain and furnish to the Commission on request any evidence regarding direct campaign expenses made by the candidate as provided in subsection 2 of this rule.
 2. All participating candidates shall retain records with respect to each expenditure and receipt, including bank records, vouchers, worksheets, receipts, bills and accounts, journals, ledgers, fundraising solicitation material, accounting systems documentation, and any related materials documenting campaign receipts and disbursements, for a period of three years, and shall present these records to the Commission on request.
 3. All participating candidates shall maintain a list of all fixed assets whose purchase price exceeded \$200 when acquired by the campaign. The list shall include a brief description of each fixed asset, the purchase price, the date it was acquired, the method of disposition and the amount received in disposition.
- B. Upon written request from a candidate, the Commission shall determine whether a planned campaign expenditure or fund-raising activity is permissible under the Act. To make a request, a candidate shall submit a written description of the planned expenditure or activity to the Commission. The Commission shall inform the candidate whether an enforcement action will be necessary if the candidate carries out the planned expenditure or activity. The Commission shall ensure that the candidate can rely on a “no action” letter. A “no action” letter applies only to the candidate who requested it.
- C. Any expenditure made by the candidate or the candidate’s committee that cannot be documented as a direct expenditure shall promptly be repaid to the Fund with the candidate’s personal monies.

R2-20-703.01. Campaign Consultants

- A. For purposes of this rule “Campaign Consultant” means any person paid by a participating candidate’s campaign or who provides services that are ordinarily charged to a person, except services provided for in A.R.S. § 16-911(6)(b).
- B. A participating candidate may engage campaign consultants.
- C. A participating candidate may only advance a campaign consultant for services such as consulting, communications, field employees, canvassers, mailers, auto-dialers, telephone town halls, electronic communications and other advertising purchases and other campaign service if an itemized invoice identifying the value of the services is provided directly to that particular candidate at the time of the advance payment.
1. Providing payment for such services as described in subsection (C) of this rule in the absence of an itemized invoice or advance payment for such services shall be deemed not to be a direct campaign expenditure.
 2. A participating candidate may advance payment for postage upon the receipt of a written estimate and so long as any balance is returned to the candidate if the advance exceeds the actual cost of postage.
 3. A participating candidate may advance payment for advertising that customarily requires pre-payment upon the receipt of a written estimate and so long as any

balance is returned to the candidate if the advance exceeds the actual cost of the advertisement.

- D.** The Commission shall be included in the mail batch for all mailers and invitations. The Commission shall also be provided with documentation from the mail house, printer or other original source showing the number of mailers printed and the number of households to which a mailer was sent. Failure to provide this information within 7 days after the mailer has been mailed may be considered as evidence the mailer was not for direct campaign purposes.

R2-20-704. Repayment

- A.** In general, the Commission may determine that a participating candidate who has received payments from the Fund must repay the Fund as determined by the Commission.
1. A candidate who has received payments from the Fund shall pay the Fund any amounts that the Commission determines to be repayable. In making repayment determinations, the Commission may utilize information obtained from audits and examinations or otherwise obtained by the Commission in carrying out its responsibilities.
 2. The Commission will notify the candidate of any repayment determinations made under this section as soon as possible, but not later than one year after the day of the election.
 3. Once the candidate receives notice of the Commission's repayment determination, the candidate should give preference to the repayment over all other outstanding obligations of the candidate, except for any taxes owed by the candidate.
 4. Repayments may be made only from the following sources: personal funds of the candidate, funds in the candidate's current election campaign account, and any additional funds raised subject to the limitations and prohibitions of the Act.
 5. The Commission may withhold the portion of funds required to be repaid from future payments to a participating candidate if the Commission has made a repayment determination.
- B.** The Commission may determine that a participating candidate who has received payments from the Fund must repay the Fund under any of the following circumstances:
1. Payments in excess of candidate's entitlement. If the Commission determines that any portion of the payments made to the candidate was in excess of the aggregate payments to which such candidate was entitled, it will so notify the candidate, and such candidate shall pay to the Fund an amount equal to such portion.
 2. Use of funds not for direct campaign expenses. If the Commission determines that any amount of any payment to an eligible candidate from the Fund was used for purposes other than direct campaign purposes described in A.A.C. R2-20-702, it will notify the candidate of the amount so used, and such candidate shall pay to the Fund an amount equal to such amount.
 3. Expenditures that were not documented in accordance with campaign finance reporting requirements, expended in violation of State or Federal law, or used to defray expenses resulting from a violation of State or Federal law, such as the payment of fines or penalties.

4. Surplus. If the Commission determines that a portion of payments from the Fund remains unspent after all direct campaign expenses have been paid, it shall so notify the candidate, and such candidate shall pay the Fund that portion of surplus funds.
 5. Income on investment or other use of payments from the Fund. If the Commission determines that a candidate received any income as a result of an investment or other use of payments from the Fund, it shall so notify the candidate, and such candidate shall pay to the Fund an amount equal to the amount determined to be income, less any Federal, State or local taxes on such income.
 6. Unlawful acceptance of contributions by an eligible candidate. If the Commission determines that a participating candidate accepted contributions, other than early contributions or qualifying contributions, it shall notify the candidate of the amount of contributions so accepted, and the candidate shall pay to the Fund an amount equal to such amount, plus any civil penalties assessed.
- C. Repayment determination procedures. The Commission's repayment determination will be made in accordance with the following procedures:
1. Repayment determination. The Commission will send a repayment determination pursuant to Article 2, Compliance and Enforcement Procedures, and will set forth the legal and factual reasons for such determination, as well as the evidence upon which any such determination is based. The candidate shall repay, in accordance with subsection D of this rule, the amount that the Commission has determined to be repayable.
 2. Administrative review of repayment determination. If a candidate disputes the Commission's repayment determination, he or she may request an administrative appeal of the determination in accordance with A.R.S. § 41-1092 et. seq.
- D. Repayment period.
1. Within 30 days of service of the notice of the Commission's repayment determination, the candidate shall repay the amounts the Commission has determined must be repaid. Upon application by the candidate, the Commission may grant an extension of time in which to make repayment.
 2. If the candidate requests an administrative appeal of the Commission's repayment determination of this section, the time for repayment will be suspended until the Commission has concluded its review of the Administrative Law Judge's (ALJ) decision. Within 30 days after service of the notice of the Commission's review of the ALJ's decision, the candidate shall repay the amounts that the Commission has determined to be repayable. Upon application by the candidate, the Commission may grant an extension of up to 30 days in which to make repayment.
 3. Interest shall be assessed on all repayments made after the initial 30-day repayment period or the 30-day repayment period established by this section. The amount of interest due shall be the greater of:
 - a. An amount calculated in accordance with A.R.S. § 44-1201(A); or
 - b. The amount actually earned on the funds set aside or to be repaid under this rule.

R2-20-705. Additional audits or repayment determinations

- A.** The Commission may conduct an additional audit or examination of any candidate in any case in which the Commission finds reason to believe that a violation of a statute or regulation over which the Commission has jurisdiction has occurred or is about to occur.
- B.** The Commission may make additional repayment determinations after it has made an initial repayment determination pursuant to A.A.C. R2-20-704. The Commission may make additional repayment determinations where there exist facts not used as the basis for any previous determination. Any such additional repayment determination will be made in accordance with the provisions of this Article.
