Pursuant to A.R.S. § 39-121.03, a person requesting copies, printouts or photographs of public records shall, upon making a request, provide a CERTIFIED STATEMENT setting forth the commercial purpose, if any, for which the copies, printouts or photographs will be used.

A person stating that the reproductions will not be used for a commercial purpose will be furnished such reproductions at a reasonable fee, not exceeding a commercial rate for like services. A person providing a certified statement setting forth the commercial purpose for which the reproduction will be used, may be furnished such reproductions by the custodian of records after having received approval from the Division Manager and/or Director/Deputy Director, as determined on a case by case basis. Charges shall be based on the following:

1. A portion of the cost to the State for obtaining the documents or records to be reproduced;
2. A reasonable fee covering the cost of time, equipment and personnel in making the reproduction, and:
3. The Value of reproduction on the commercial market.

If the custodian of public record believes that the commercial purpose of a reproduction is a misuse of public records of an abuse of the right to receive them, he or she may refuse a request for reproduction of such records for said commercial purpose and may request the Governor to prohibit the furnishing of reproductions for such commercial purposes by Executive Order. If an Executive Order is not issued within thirty (30) days of the custodian’s application, the requesting party shall be furnished such reproductions for the commercial purpose set forth in his or her certified statement upon payment of the fee determined pursuant to the above guidelines.

“Commercial purpose” is broadly defined by statute as “any purpose in which the purchaser can reasonably anticipate the receipt of monetary gain from the direct or indirect use of such public record.”
A.R.S. § 39-121.03 (D).
