A person stating that the reproductions will <u>not</u> be used for a commercial purpose will be furnished such reproductions at a reasonable fee, not exceeding a commercial rate for like services. A person providing a certified statement setting forth the commercial purpose for which the reproduction will be used, may be furnished such reproductions by the custodian of records after having received approval from the Division Manager and/or Director/Deputy Director, as determined on a case by case basis. Charges shall be based on the following:

If an Executive Order is not issued within thirty (30) days of the custodian's application, the requesting party shall be furnished such reproductions for the commercial purpose set forth in his or her certified statement upon payment of the fee determined pursuant to the above guidelines.
