## Summary of Procedures and Findings

### 1. Preliminary Procedures

- a) Contractor will obtain a copy of the candidate's campaign finance report for the reporting period.

**Finding**

We obtained the Campaign finance reports from the Arizona Secretary of State's Website for the reporting period between the 2022 Pre-General Election report, starting October 1, 2022, through the 2022 General Recap Report, which ended November 8, 2022. As of the date of this report, the Candidate had not filed the 2022 Post-General Election (Q4) report (which was due January 17, 2023), which encompassed the period from October 23, 2022, through December 31, 2022. As a result, we tested transactions from October 1, 2022, through November 8, 2022 (the modified reporting period), when possible. We were unable to test any transactions between November 9, 2022, and December 31, 2022.

- b). Perform a desk review of the disbursements reported in the candidate's campaign finance report to identify any unusual items requiring follow-up during fieldwork.

**Finding**

We noted no unusual disbursements during our review.

- d). Contact the candidate or the campaign treasurer, as appropriate, to schedule a date to perform fieldwork. Discuss the nature of the documentation, which will be needed to perform the engagement and ascertain the location of the necessary documentation.

**Finding**

We contacted the Candidate to discuss the agreed-upon procedures, the timing of our procedures, and the documentation needed.

### 2. Fieldwork Procedures

- (i) Review supporting invoice or other documentation and agree amount to the amount reported in the candidate's finance report.

**Finding**

For five out of five items selected, we were not provided any invoices or other documentation so we could not agree the amounts to the amount reported in the Candidate's finance reports.

- (ii) Determine that the name, address and nature of goods or services provided agree to the information reported in the candidate's campaign finance report.

- If the expenditure is a joint expenditure made in conjunction with other candidates, determine that the amount paid represents the candidate's proportionate share of the total cost.

**Finding**
