

15% Maintenance and Operations Budget Override

What is the 15% M&O Override?

Our 15% M&O Override was continued by voters in 2019 and the District will seek continuation again this November 2023. It is a secondary property tax that originally passed by our community in 2004.

What does the 15% M&O Override provide?

Approximately \$499,000 each year in additional funding that permits our school district to fund the following:

- Full-day Kindergarten
- Special Programs including physical education, art education, and Tech Academy for all students in Grades K-8
- Smaller class sizes
- Competitive wages
