Forecast Methodology

Methodology is determined by the 10% surcharge from historical years for funding.

Sources and Uses

Agency: Clean Elections Commission

Fund: EC2425 Citizens Clean Election Fund

Revenue is derived from an additional surcharge of 10 percent imposed on civil and criminal fines, voluntary contributions, qualifying contributions received by participating candidates, and civil penalties assessed against violators of the Citizens Clean Elections Act. Up to 10 percent of revenues may be used to enforce the Citizens Clean Elections Act and at least 10 percent must be spent on voter education. Revenues also help fund participating candidate campaigns.

Clean Elections Commission

Thomas M. Collins, Executive Director

Phone: 6023643480

A.R.S. §§ 16-901 et seq.

Mission:

To fairly, faithfully, and fully implement and administer the Arizona Citizens Clean Elections Act.

Description:

The Citizens Clean Elections Act is a campaign finance reform measure initiated by Arizona citizens and passed by voters in 1998. The Act provides for campaign financing for qualified candidates, enhanced campaign finance enforcement and reports for State and Legislative candidates and independent expenditures. The Act also provides for voter and public education, including sponsorship of debates and publication of the primary and general election candidate statement pamphlets.

5 Year Plan

Issue 1 Legislation/Commission Rules

Description: Simplify and improve the Citizens Clean Elections Act while maintaining its effectiveness and purpose.

Solutions:

Work with the Legislature to develop and provide technical assistance with drafting legislation that will further the purpose of the Act.

Promulgate rules to further the purpose of the Act.

Work with other agencies or groups to improve the implementation of the Act.

Issue 2 Public Education and Public Relations

Description: Inform citizens about public issues related to the Citizens Clean Elections Act

Solutions:

To provide the public with communications, reports and publications that are clear and informative.
 To effectively use all channels of communication, including new technologies, to publicize the Act and its implementation.
 To provide leadership for outreach activities, including debates, public participation, candidate awareness and media relations.
 To provide visibility to the new rules, policies and procedures promulgated by the Commission.
 To evaluate and improve the effectiveness of the educational programs and information that the Commission provides to the public.
 To successfully inform voters about the candidates running for statewide and legislative offices through candidate debates, statement pamphlets, and online publications.
 Continue to promote understanding of Arizona's political system and constructive participation within the system.

Issue 3 Training, Management Development, and Commission Operations

Description: Ensure that the staff is competent to carry out the objectives and mandates of the Act

Solutions:

Ensure that the staff understands the Commission's mission and the expectations of their jobs.
 Eliminate or combine jobs as necessary to maintain a lean staff
 Utilize contract services or other services of other agencies
 Attend management and leadership classes by staff members.

Issue 4 Enforcement

Description: To facilitate easier and more universal compliance with the Citizens Clean Elections Act

Solutions:

Provide frequent and effective client education programs and publications.
 Simplify and improve reporting forms and procedures.
 Provide clarity and consistency in actions taken by the Commission.
 Revise candidate training programs to address new issues and to promote compliance.
 Assist the Secretary of State to provide and continually improve a campaign finance management software application and encourage its use by the maximum number of political committees and political funds

Issue 5 Financial, Fiscal Operations, Information Systems and Strategic Planning

Description: To abide by the statutory expenditure authority. To plan, develop and implement effective and efficient information systems that will help the Commission carry out its mission.

Solutions:

Monitor the amounts expended from the budget to ensure that expenditures do not exceed funds available.
 Ensure that the revenues from other agencies are paid into the fund.
 Use technology more effectively to identify compliance problems and to provide clients with resources to avoid problems.
 Evaluate and improve the Commission's financial activities on an ongoing basis.
 Ensure the Commission's educational obligations are met efficiently and effectively.
 Determine when the fund contains insufficient monies or the spending cap would be exceeded were all candidates' accounts to be fully funded as early as possible.
